Beautiful Zero Jennifer Willoughby,2015-12-21 From love and war to Shark Week and college football this award winning poetry collection makes both the marvelous and quotidian buzz with brilliance Matt Rasmussen Incantatory intimate and incendiary the poems of this award winning debut are filled with explosive wit and humor like a knife you don t see coming A kaleidoscopic intelligence flows through Beautiful Zero embracing forms of culture high and low in effort to finding meaning in the chaos A series of

poems set in a Kaiser Permanente hospital tear into the world of privatized health care while simultaneously charting a story of love in the face of catastrophe Yet even at her most surreal Willoughby always finds the pulsing heart at the core of the poem She embraces what she cannot understand about both the world and herself because after all Nothing is as random as they say it is You were born the weirdo that you are Winner of the 2015 Lindquist Vennum Prize for Poetry Climbing Lessons Pete McDonald,1997-09-30 Climbing Lessons describes the work of an instructor of outdoor pursuits from the late 1960s to the early 1990s It is set mainly at an outdoor education centre in Derbyshire northern England The book is accessible to casual non specialist readers as well as to outdoor professionals It presents outdoor education in plain English Climbing Lessons gives one person s perspective It covers one period Its style differs sharply and deliberately from that of academic works on outdoor education The author turned somersaults to avoid the jargon of education One tertiary lecturer remarked I made use of one of the chapters in a new unit I was struck by how accurately it reflects the reality of working in an outdoor centre Page size A5 Covers Softback Number of pages 384 About Outdoor Education Outdoor Leadership Rockclimbing Caving Walking Derbyshire **Steal a Few Cents** Rupert Smith,2017-11-24 Mpho Mamela a young accountant at a coal mine in the Middelburg coalfields of South Africa is killed one night when he gets caught in the rollers of a conveyor belt He is mangled beyond recognition There will be an official State enquiry into his death by the Inspectorate of Mining Stephen Wakefield the in house lawyer and a director of the company begins preparing for the enquiry but he struggles to understand what happened Mamela should not have been anywhere near the place he was killed Bit by bit Stephen s investigation uncovers a story far removed from a simple workplace accident A web of deception and massive fraud is unveiled fraud perpetrated by a person who publicly insists on high standards of morality and honesty It becomes clear to Stephen that Mamela had tried to blackmail the guilty party to help his lover who is in prison for attempting to steal a trifling amount from the mining company When the killer learns that his actions are about to be exposed Stephen realises that his own life is now in danger *Revolution Highway* Dilip Simeon,2010 **On Isabella Street** Genevieve Graham,2025-04-22 From bestselling author Genevieve Graham comes a gripping novel set in Toronto and Vietnam during the turbulent sixties about two women caught up in powerful social movements and the tragedy that will bring them together perfect for fans of Kristin Hannah s *The Women* *Policing Pop* Martin Cloonan,Reebee Garofalo,2009 Fans and detractors of popular music tend to agree on one thing popular music is a bellwether of an individual s political and cultural values In the United States for example one cannot think of the counterculture apart from its music For that reason in virtually every country in the world some group identifies popular music as a source of potential danger and wants to regulate it *Policing Pop* looks into the many ways in which popular music and artists around the world are subjected to censorship ranging from state control and repression to the efforts of special interest or religious groups to limit expression The essays collected here focus on the forms of censorship as well as specific instances of how the state and other agencies have attempted to restrict

the types of music produced recorded and performed within a culture Several show how even unsuccessful attempts to exert the power of the state can cause artists to self censor Others point to material that taxes even the most liberal defenders of free speech Taken together these essays demonstrate that censoring agents target popular music all over the world and they raise questions about how artists and the public can resist the narrowing of cultural expression **MouthSounds** Fred Newman,2004-01-01 Presents instructions on making sounds and special effects including how to create sounds for vocal characters animals musical instruments and street noises along with tips for actors musicians and puppeteers **The Company Plan** John Whipps,2006-12 The Company Plan takes the reader from the starkness of Bosnia to the highest offices of Washington D C from the sands of Libya to the rare air of Mexico City and beyond Major Nick Dentworth is the Special Operations Forces team leader Nick s success leads him to be tasked to a special ops unit operated out of the directors office of the CIA Nick is briefed on the Company s operation to retrieve a sensitive document that could avert world wide panic During his mission Nick is re united with his long forgotten lover special agent Georgina They re kindle the relationship they had those many years ago and together attempt to complete the mission using the Company Plan On the mission they encounter a sadistic Libyan Colonel who finds and tortures Nick and Georgina to gain information about their mission and who sent them Can Nick find the document then clandestinely board a flight to the U S to complete the mission The Colonel has Georgina and wants to make a trade Georgina for the document The LIS Colonel s henchman tries to double cross Nick Bullets spray every direction and members of Nick s Special Forces team are killed or injured The bad guys escape and Georgina is saved but Nick s mentor Manny is wounded Who is behind this They always seem one step ahead no matter what Nick tries to do someone is waiting for him How can he complete the mission if he has to deal with the company plan that is not working Guess I ll just have to make my own rules Will the mastermind of the whole scheme to destabilize the Middle East be exposed Follow Nick and Georgina on a suspenseful roller coaster of emotions to the exciting conclusion of the Company Plan **Scottish Rock** Gary Latter,2009-02 The best mountain crag sea cliff and sport climbing in Scotland From the Foreword by Hamish MacInnes If you have an ambition to do all the climbs in these two Scottish Rock guides I think you d better schedule time off in your next life This labour of Gary s has been of gargantuan proportions Those of you who use the guides will benefit by his dedication and the sheer choice offered if you divide the retail price of these by the number of good routes you ll realise this is a bargain Volume 1 covers a proliferation of Scottish crags up to the natural demarcation of the Great Glen They are easier to access than most in Volume 2 and present infinite variety I have been a long time advocate of selected climbs and the use of photographs to illustrate both climbs and action I m glad that this principle has been used throughout these two volumes It gives you a push to get up and do things The list seems endless and if you succeed in doing half of them you ll be a much better climber and know a lot more about Scotland have a good decade [The Dreamshifters Trilogy - Box Set](#) Harry Dayle,2016-02-23 Discover the world of the Dreamshifters now available as a box set for the first time
