

Gorbachev And After

Jie Li

Gorbachev And After:

After Gorbachev Stephen White, 1993-09-23 Dramatic and confusing changes in what used to be the Soviet Union have transformed the world in which we live Communist rule has given way to multiparty politics a command economy is being painfully privatised almost every social and cultural value has been overturned and perestroika has now been swept away by the reforming policies of Boris Yeltsin In turn these policies are now challenged by a variety of conservative and nationalist forces This fourth edition of Stephen White's best selling introductory text has been revised throughout A new final chapter charts the first turbulent years of Yeltsin's troubled presidency and the background to his radical policies Clearly written but detailed and authoritative *After Gorbachev* like its predecessors will continue to provide an unrivalled guide to the processes of transition upheaval and collapse which now characterise Russia and the post Soviet republics *Gorbachev in Power* Stephen White, 1992 *The Cold War and After* Richard Saull, 2007-01-20 The Cold War is often presented as an international power struggle between the Soviet Union and the US Richard Saull challenges this assumption He broadens our understanding of the defining political conflict of the twentieth century by stressing the social and ideological differences of the superpowers and how these differences conditioned their international behaviour Saull argues that US Soviet antagonism was part of a wider conflict between capitalism and communism involving states and social forces other than the superpowers The US was committed to containing revolutionary and communist movements that emerged out of uneven capitalist development In highlighting the socio economic and ideological dimensions of the Cold War Saull not only provides a richer history of the Cold War than mainstream approaches but is also able to explain why revolutionary domestic transformations caused international crises Tracing the origins of new resistance to American global power Saull's book provides an ideal alternative perspective on the Cold War and its end *Gorbachev's Gamble* Andrei Grachev, 2013-04-30 *Gorbachev's Gamble* offers a new and more convincing answer to this question by providing the missing link between the internal and external aspects of Gorbachev's perestroika Andrei Grachev shows that the radical transformation of Soviet foreign policy during the Gorbachev years was an integral part of an ambitious project of internal democratic reform and of the historic opening of Soviet society to the outside world Grachev explains the motives and the intentions of the initiators of this project and describes their hopes and their illusions He recounts the story of the internal debates and struggles in the Kremlin and behind the scene decisions that led to the Soviet withdrawal from Afghanistan the fall of the Berlin Wall the break up of the Warsaw Pact and eventually the demise of the Soviet Union itself The book is based on exclusive interviews with the leaders of the Soviet Union including Gorbachev personal notes and diaries of their assistants and advisers and transcripts of the discussions inside the Politburo and Secretariat of the Central Committee Together they constitute a multi voice political confession of a whole generation of decision makers of the Soviet Union that enables us better to understand the origin and the breathtaking trajectory of the events that led to the end of the Cold War and the unprecedented

transformation of world politics in the closing decades of the 20th century *A Time for Peace* Mikhail Sergeevich Gorbachev, 1985 **Conversations with Gorbachev** Mikhail Sergeevich Gorbachev, Zdeněk Mlynář, 2002 Readers are invited to eavesdrop on an intimate conversation between one of the towering figures of the 20th century and his closest friend as they chat about the momentous events they lived through and helped orchestrate **Gorbachev's Agenda** Susan L Clark, 2019-09-17 This volume assesses contemporary Soviet domestic and foreign policy and surveys the traditions challenges and contexts within which the Soviet leadership was operating General Secretary Mikhail Gorbachev is generating ferment at home and anticipation abroad about the prospects for change in Soviet policy Western analysts can provide only an in **Gorbachev's New Thinking and Third World Conflicts** Jiří Valenta, Frank Cibulka, Some of the most crucial changes inspired by Gorbachev and perestroika concern Soviet and East European policies toward Third World countries Despite countless studies of Soviet U S relations and U S relations with the Third World the area of Soviet relations with the Third World has been left relatively undeveloped This is the first of several volumes intended to add to our knowledge of what the series editor Jiri Valenta characterizes as East South relations In this new era of cooperation and diplomacy the superpowers are working to resolve regional conflicts in and around Afghanistan Nicaragua Angola and Cambodia Such efforts are exceedingly complex since they necessarily involve not only the Soviet Union but Third World nations that may operate independently such as Cuba and Vietnam This volume addresses a number of such conflicts In addition to those already mentioned conflicts in Ethiopia Namibia and the Philippines are discussed and their implications for Western policy makers are reviewed As the contributors emphasize despite current Soviet emphasis on peaceful solutions to regional conflicts Gorbachev's New Thinking in foreign affairs is still decidedly selective In some cases the Soviet Union will actually encourage close ties with regional Third World powers as it has with India It is also too much to expect that the Soviet Union much less Cuba and Vietnam will completely cut ties to revolutionary allies worldwide That said the 1990s will undoubtedly be characterized by new Soviet foreign policy styles Their shape and form is the subject of this book It will be of immense interest to policymakers and researchers concerned about current developments in relations between the superpowers and with the Third World Contributors include Vernon Aspaturian Bhabani Sen Gupta William E Griffith Jerry F Hough Douglas Pike Howard Wiarda AH T Sheikh Sabahuddin Kushkaki Colin Legum H de V du Toit Khien Theeravit Frank Cibulka Alvaro Taboada Charles William Maynes W Bruce Weinrod Jiri Valenta **Stalinism and After** Alec Nove, 2005-06-28 Based on personal experience of life in the Soviet Union Nove explains the phenomenon of Stalinism and its aftermath In highly readable style Professor Nove traces the origins of Stalinism analyzes its nature and achievements examines the process of destalinization which followed Stalin's death and explores the evolution of the Soviet system under Krushchev and Brezhnev Stalinism and After is not a biography it is a study of the effect of the political personalities of one man and his successors on the development of Soviet history It is within this context that Professor Nove examines the new

thinking of Gorbachev and the now familiar catchwords of his regime perestroika glasnost demokratizatsiya and uskoreniye

Israel After Begin Gregory S. Mahler, 2012-02-01 This book focuses on the nature of Israeli politics in the post Begin era It examines significant contemporary issues such as the withdrawal of Israeli forces from Lebanon the harnessing of the enormous inflation rate the escalating tension between religious and secular Israeli Jews the widening influence of radical right wing activist Rabbi Meir Kahane the fluctuating relationship between Israel and the U S the survival of the Likud Party and changes in national electoral strategies of the major parties It places recent events in Israeli politics in a historical context and suggests what the implications of these events might be for the future

Gorbachev's Gamble Andrei Grachev, 2018-03-12 Gorbachev's Gamble offers a new and more convincing answer to this question by providing the missing link between the internal and external aspects of Gorbachev's perestroika Andrei Grachev shows that the radical transformation of Soviet foreign policy during the Gorbachev years was an integral part of an ambitious project of internal democratic reform and of the historic opening of Soviet society to the outside world Grachev explains the motives and the intentions of the initiators of this project and describes their hopes and their illusions He recounts the story of the internal debates and struggles in the Kremlin and behind the scene decisions that led to the Soviet withdrawal from Afghanistan the fall of the Berlin Wall the break up of the Warsaw Pact and eventually the demise of the Soviet Union itself The book is based on exclusive interviews with the leaders of the Soviet Union including Gorbachev personal notes and diaries of their assistants and advisers and transcripts of the discussions inside the Politburo and Secretariat of the Central Committee Together they constitute a multi voice political confession of a whole generation of decision makers of the Soviet Union that enables us better to understand the origin and the breathtaking trajectory of the events that led to the end of the Cold War and the unprecedented transformation of world politics in the closing decades of the 20th century

Russia's Revolution from Above, 1985-2000 Gordon Hahn, 2018-04-27 The fall of the Soviet communist regime in 1991 offers a challenging contrast to other instances of democratic transition and change in the last decades of the twentieth century The 1991 revolution was neither a peaceful revolution from below as occurred in Czechoslovakia nor a negotiated transition to democracy like those in Poland Hungary or Latin America It was not primarily the result of social modernization the rise of a new middle class or of national liberation movements in the non Russian union republics Instead as Gordon Hahn argues the Russian transformation was a bureaucrat led state based revolution managed by a group of Communist Party functionaries who won control over the Russian Republic RSFSR in the mid 1990s Hahn describes how opportunistic Party and state officials led by Boris Yeltsin defected from the Gorbachev camp and proceeded in 1990 91 to dismantle the institutions that bound state and party These revolutionaries from above seized control of political economic natural and human resources and then separated the party apparatus from state institutions on Russian Republic territory With the failed August 1991 hard line coup Yeltsin banned the Communist Party and decreed that all Union state organs including the KGB and military

were under RSFSR control In Hahn s account this mode of revolutionary change from above explains the troubled development of democracy in Russia and the former Soviet republics Hahn shows how limited mobilization of the masses stunted the development of civil societies and the formation of political parties and trade unions with real grass roots The result is a weak society unable to nudge the state to concentrate on institutional reforms society needs for the development of a free polity and economy Russia s Revolution from Above goes far in correcting the historical record and reconceptualizing the Soviet transformation It should be read by historians economists political scientists and Russia area scholars *Gorbachev's Russia And American Foreign Policy* Seweryn Bialer,2019-03-01 The Soviet post Stalin period is examined in its economic political and foreign policy dimensions stressing the factors that provided the gestation environment for Gorbachev s reforms There follows an analysis of the nature sources and plausible outcomes of Gorbachev s revolution and the strategies he is applying to it A separate part of the book examines the changing goals of past U S policies toward the Soviet Union and their effectiveness in influencing Soviet behavior The final part puts forth suggestions and prescriptions for a U S approach to the changes in Soviet economic security and foreign policies The East West Forum is a New York based research and policy analysis organization sponsored by the Samuel Bronfman Foundation Its goal is to bring together experts and policy leaders from differing perspectives and generations to discuss changing patterns of East West relations It attempts to formulate long term analyses and recommendations In preparing the chapters of this book the authors drew upon the work of a series of workshops initiated by the Forum **Sovietology in Post-Mao China** Jie Li,2023-02-13 The breakup of the Union of Soviet Socialist Republics USSR in 1991 had significant repercussions on Chinese politics foreign policy and other aspects In this book Jie Li examines the evolution of Chinese intellectual perceptions of the Soviet Union in the 1980s and 1990s before and after the collapse Relying on a larger body of updated Chinese sources Li re evaluates many key issues in post Mao Chinese Sovietology arguing that the Chinese views on the Soviet Union had been influenced and shaped by the ups and downs of Sino Soviet and later Sino Russian relations China s domestic political climate and the political developments in Moscow By researching the country of the Soviet Union Chinese Soviet watchers did not focus on the USSR alone but mostly attempted to confirm and legitimize the Chinese state policies of reform and open door in both decades By examining the Soviet past Chinese scholars not only demonstrated concern for the survival of the CCP regime but also attempted to envision the future direction and position of China in the post communist world

Memoirs Mikhail Sergeevich Gorbachev,1996 In these long awaited memoirs Mikhail Gorbachev looks back on a lifetime that mirrors the fate of the Russian people From the persecution of his family under Stalin to his first political steps to his extraordinary rise within the Communist Party Gorbachev recounts the events that led to his own disillusionment without which the eventual implosion of communism would not have taken place He casts an equally sharp eye on the policies of both past communist governments and present day reformers BOOK JACKET Title Summary field provided by Blackwell North

America Inc All Rights Reserved **Russia after the Cold War** Mike Bowker,Cameron Ross,2014-06-17 In *Russia after the Cold War* the editors provide an accessible and comprehensive survey of the state of Russia at the end of the twentieth century as it seeks to come to terms with its new status in the world community the pressures and tensions arising from economic and social change and with the problems of ensuring a democratic future Written by a specially commissioned team of internationally respected experts on contemporary Russia *Russia after the Cold War* is ideally suited as a main text for introductory courses on modern Russia within a politics Area Studies or combined social science degree Contributors Alexei Avtonomov Edwin Bacon John Berryman Christoph Bluth Michael Cox Nadia Davidova Mark Galeotti James Hughes Roger E Kanet Julie A Lund Nick Manning Andrew Patmore Anthony Phillips Richard Sakwa Peter Shearman Mark Webber Stephen Webber Stephen White Matthew Wyman **Gaidar's Revolution** Petr Aven,Alfred Kokh,2015-07-02 After the collapse of the Soviet Union a team of young economic reformers led by Yegor Gaidar worked to create a new economic future for Russia Against an overwhelming threat of looming hunger and civil war they created a market economy which is still in place today In the face of crisis a process of shock therapy involving the end of price regulation the introduction of privatisation and a reduction in public spending appeared necessary Their plans have been the subject of controversy ever since the path to the new economy was not smooth and Russia continued to struggle with economic crises throughout the 1990s Yet Gaidar's plans have been widely praised for saving the country from complete collapse For the first time in this book the participants in the process reveal their experiences during those frantic days their insights into Yegor Gaidar and of the formation of post Soviet Russia In doing so this book provides a unique perspective on contemporary Russia making it an indispensable resource for understanding its economic and political complexities **Gorbachev's Revolution, 1985-1991** Anthony D'Agostino,2016-07-27 This detailed and scholarly history based on contemporary and original sources explains the fall of Soviet Communism by bringing into focus the process of revolution from above It finds as its cause Gorbachev's relentless political struggle to raise himself above the collective leadership which brought him to power Gorbachev's Revolution 1985-91 examines the impact of the SDI and other US arms programmes of the early 1980s which provided a stimulus for both Gorbachev's domestic reforms and his arms control initiatives Perestroika originally intended to show the world that a new Soviet foreign policy was based on real changes in Soviet society however Gorbachev launched its most radical measures in order to get an edge on his Politburo critics Glasnost originally meant to be a strictly controlled process furnishing an argument for piecemeal economic reforms This multi faceted volume provides a wide ranging and revisionist analysis of this fascinating and influential period in Soviet and international history **Man Who Changed the World** Mikhail Gorbachev,1993-04-01 *Gorbachev and After* White,1992-08-28

Gorbachev And After Introduction

In today's digital age, the availability of Gorbachev And After books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gorbachev And After books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gorbachev And After books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gorbachev And After versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gorbachev And After books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gorbachev And After books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gorbachev And After books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gorbachev And After books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gorbachev And After books and manuals for download and embark on your journey of knowledge?

FAQs About Gorbachev And After Books

1. Where can I buy Gorbachev And After books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Gorbachev And After book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Gorbachev And After books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

unseen poem for class 8 in english latest unseen poem unseen - May 13 2023

web reading the unseen poem for class 8 in english will help you to write better answers in your exam and improve your

reading skill students who are planning to score higher marks in 8th standard english poem should practice the english poem for class 8 before attending the cbse board exam

poem comprehension unseen poem for class 8 edumantra - Jun 14 2023

web poem 20 killing of a tree unsolved poem 21 the fox unsolved poem 22 to the cuckoo unsolved poem 23 letter from a parent unsolved poem 24 september 11 solved poem 25 break break break solved poem 26 piping down the valleys solved poem 27 the leader solved poem 28 baltimore

henry viii king of england poetry foundation - Jun 02 2022

web poems by henry viii king of england green groweth the holly if love now reigned as it hath been lusty youth should us ensue see all poems by henry viii king of england more about this poet region england school period renaissance poems by this poet green groweth the holly

english poem for std viii uniport edu - Dec 28 2021

web jul 14 2023 english poem for std viii 1 4 downloaded from uniport edu ng on july 14 2023 by guest english poem for std viii thank you definitely much for downloading english poem for std viii maybe you have knowledge that people have look numerous period for their favorite books in the manner of this english poem for std viii but

ncert solutions for class 8 english 2019 20 book learn cbse - Sep 05 2022

web ncert solutions for class 8 english honeydew poem poem 1 the ant and the cricket poem 2 geography lesson poem 3 macavity the mystery cat poem 4 the last bargain poem 5 the school boy poem 6 the duck and the kangaroo poem 7 when i set out for lyonesse poem 8 on the grasshopper and cricket

english poem for std viii pdf uniport edu - Mar 31 2022

web aug 5 2023 english poem for std viii is available in our book collection an online access to it is set as public so you can get it instantly our book servers saves in multiple countries allowing you to get the most less latency time to download

finite element analysis in matlab matlab simulink - Jul 26 2022

web finite element analysis fea is one of the most popular approaches for solving common partial differential equations that appear in many engineering and scientific applications learn how to perform finite element analysis in matlab using partial differential equation toolbox

matlab guide to finite elements an interactive approach - Mar 22 2022

web apr 17 2013 peter i kattan springer science business media apr 17 2013 technology engineering 385 pages this is a book for people who love finite elements and matlab i we will use the

matlab guide to finite elements an interactive approach - Jun 05 2023

web mar 1 2003 this successful textbook explores the numerical implementation of finite element analysis using the

computer program matlab which is very popular today in engineering and engineering education and stresses the interactive use of matlab expand view via publisher

matlab guide to finite elements an interactive approach - Oct 29 2022

web dec 16 2002 the accompanying cd rom includes more than fifty matlab functions specifically written to be used with this book in the form of a matlab finite element toolbox an extensive solutions manual is provided as well which includes detailed solutions to all the problems in the book for classroom use

matlab guide to finite elements an interactive approach - Sep 27 2022

web matlab guide to finite elements an interactive approach author peter i kattan summary this successful textbook explores the numerical implementation of finite element analysis using the computer program matlab which is very popular today in engineering and engineering education

matlab guide to finite elements an interactive approach - Nov 29 2022

web many types of finite elements are studied in this book including the spring element the bar element two dimensional and three dimensional truss elements plane and space beam and frame elements two dimensional elasticity elements for plane stress and plane strain problems and one three dimensional solid element

matlab guide to finite elements an interactive approach - Mar 02 2023

web this book explores the numerical implementation of finite element analysis using the computer program matlab which is very popular today in engineering and engineering education the book

matlab guide to finite elements an interactive approach - Feb 18 2022

web summary explores the numerical implementation of finite element analysis using the computer program matlab this book contains a short tutorial on matlab as well as a systematic strategy for the treatment of finite element methods

matlab guide to finite elements springer - Sep 08 2023

web matlab guide to finite elements an interactive approach second edition with 108 figures and 25 tables peter i kattan phd p o box 1392 amman 11118 jordan pkattan tedata net jo pkattan lsu edu library of congress control number 2007920902 isbn 13 978 3 540 70697 7 springer berlin heidelberg newyork this work is subject to

matlab guide to finite elements an interactive approach - Jul 06 2023

web great book for matlab programming this book focus on finite element programming it is a great tool for programming structural problems using matlab very easy to understand definitely one of greatest books on finite element programming the extra material of the book is available in extras springer com warning

matlab guide to finite elements an interactive approach - Dec 31 2022

web may 13 2010 problems will be solved mainly using matlab to carry out the tedious and lengthy matrix calculations in

addition to some manual manipulations especially when applying the boundary conditions

matlab guide to finite elements an interactive approach guide books - Feb 01 2023

web matlab guide to finite elements an interactive approach matlab guide to finite elements an interactive approach march 2003 author peter issa kattan publisher springer verlag berlin heidelberg isbn 978 3 540 43874 8 published 01 march 2003 pages 385 available at amazon save to binder export citation bibliometrics downloads

matlab guide to finite elements an interactive approach - Oct 09 2023

web this book is written for people studying finite element analysis additionally short answers to all problems are provided at the end of the book on balance this book written in interactive manner can be very useful to students and engineers dealing with applications of finite element method in structural mechanics

matlab guide to finite elements an interactive approach - Aug 27 2022

web this successful textbook explores the numerical implementation of finite element analysis using the computer program matlab which is very popular today in engineering and engineering education the book contains a short tutorial on matlab as well as a systematic strategy for the treatment of finite element methods

matlab guide to finite elements an interactive approach 2e - Aug 07 2023

web matlab guide to finite elements an interactive approach 2e written for students and practicing engineers this book discusses the numerical implementation of finite element analysis using matlab topics covered include the spring space truss plane frame quadratic triangular and linear tetrahedral elements

matlab guide to finite elements an 7 jstor - May 04 2023

web matlab guide to finite elements an interactive approach second edition by peter i kattan springer berlin 2007 99 00 xii 430 pp hardcover isbn 978 3 540 7697 7 the finite element method is one of the most popular and successful numerical methods for solving problems arising in science and engineering modeled by partial differential

pdf matlab guide to finite elements academia edu - May 24 2022

web in this chapter we will develop the matlab codes for three dimensional interval finite element viz that of space truss space frame and linear tetrahedral elements a systematic procedure is again followed to develop the matlab codes

matlab guide to finite elements an interactive approach - Apr 22 2022

web matlab guide to finite elements an interactive approach peter i kattan this book explores the numerical implementation of finite element analysis using the computer program matlab which is very popular today in engineering and engineering education

matlab guide to finite elements an interactive approach - Jun 24 2022

web jan 1 2008 this successful textbook explores the numerical implementation of finite element analysis using the

computer program matlab which is very popular today in engineering and engineering

matlab guide to finite elements an interactive approach guide - Apr 03 2023

web matlab guide to finite elements an interactive approach matlab guide to finite elements an interactive approachmay

2007 author peter i kattan publisher springer publishing company incorporated isbn 978 3 540 70697 7 published 03 may

2007 pages 430 available at amazon save to binder export citation bibliometrics downloads
