Gospel Dynamite:

Urban Legends of the New Testament David A. Croteau, 2015-08 Urban Legends of the New Testament surveys forty of the most commonly misinterpreted passages in the New Testament. These urban legends often arise because interpreters neglect a passage's context, misuse historical background information, or misunderstand the Greek language. For each New Testament text, professor David Croteau describes the popular incorrect interpretation and then carefully interprets the passage within its literary and historical context. Careful attention is given to sound principles of biblical interpretation to guide readers through the process and reach a more accurate understanding of each text's meaning. QR codes have been inserted at various points throughout the book. By scanning the code with your mobile device, you can view a video of David Croteau addressing a specific urban legend. With examples from the Gospels, Acts, the Epistles, and Revelation, *Urban Legends of the New Testament* will not only help readers avoid missteps in these forty texts but also provide a model for engaging in correct interpretation of other New Testament passages. A Commentary on COLOSSIANS David Pawson, 2020-06-30 The author writes, "I am willing to unite with anyone who will preach the gospel of Paul and have fellowship with them. I have been in a Roman Catholic presbytery with a priest and we spent two hours talking about the gospel of our Lord Jesus Christ and we found that we believed the same gospel, i.e., the gospel of our Lord Jesus Christ as preached by Paul." **Make Me a Lighthouse** Thomas L. Knapp, 2012-04-07 This has the same writings and illustrations as the original colored edition of *Make Me A Lighthouse*, except the illustrations are in grayscale to make the book more affordable. *The Evangelical repository. Vol. 1 - new*, 1883 *Double-Breasted* Lee Roberson, 2000-08 I am using the title to picture my double job as pastor of the Highland Park Baptist Church and president now chancellor of Tennessee Temple Schools of Chattanooga. I became pastor of the Highland Park Baptist Church in 1942. Tennessee Temple Schools were founded under my leadership in 1946. I have written this book to give again my testimony of my blessed Lord. God gives a very special place in the Bible to fathers. My beloved predecessor Dr. John R. Rice said that man as God's deputy is head of the home. The father is a picture of God to the children. When we pray, we are taught to say "Our Father which art in heaven." Life is disappointing. And disappointment can so easily come to dominate

our life the nagging thought in the back of our minds and the constant but colouring all our pleasures In this realistic hope filled book John Hindley shows how to deal with disappointment what disappointment is what it does and how to learn to live with the disappointments while also knowing joy If your life isn't perfect you need this book **Big Ideas for a Better Sunday School** Clarence Sexton, 2000-08-31 **Great Preaching on Revival** , 1997 **Corrie ten Boom** Laura Caputo-Wickham, 2021-04-01 Inspiring children's biography of Corrie ten Boom who saved hundreds of Jewish people during World War 2 In 1940 the Germans invaded the Netherlands and Corrie ten Boom and her family helped to hide as many Jewish people as possible They even had a secret room built in her bedroom Corrie and her sister were caught by the German army and sent to a concentration camp where God made sure they always had a Bible to read and plenty of opportunities to share the good news about Jesus Corrie's trust in God gave her the strength to go on until the war ended From then on Corrie talked about her life to big crowds saying There's no pit so deep that God's love is not deeper still Children will enjoy this beautifully illustrated children's biography of Corrie ten Boom who saved hundreds of Jewish people during World War 2 Can be read to young children aged 4-5 and read by children aged 6 plus **Earthen Vessels** Joel A. Carpenter, Wilbert R. Shenk, 2012-12-01 Contrary to popular impressions the days of the missionary are far from over North American churches send more missionaries than ever before and 90 percent of them are evangelicals who are not affiliated with the mainline Protestant mission boards The first major historical treatment of the distinctly evangelical wing of twentieth century American missions Earthen Vessels truly breaks new ground Covering territory that missions histories have scarcely explored yet the distinguished historians contributing to this volume portray the North American including Canadian evangelical missionary enterprise from the Student Volunteer Movement to the very recent past The book traces the influences of premillennial eschatology the fundamentalist modernist controversies the rise of independent missions and conservative denominational boards the role of World War II and America's rise to world power the recent development of a distinctly evangelical theology of missions and the growing influence of the Two Thirds World's evangelical leaders While this volume certainly does not contain the last word on these subjects in a number of areas it does offer very nearly the first look With its fresh subject matter and new historical interpretations Earthen Vessels will interest church history scholars and students missionaries and ministers and any others who wish to know more about American missions
