The Origins of Demythologizing Johnson, 2018-08-14 Preliminary Material Roger A Johnson The Enigma of Demythologizing Roger A Johnson The Philosophical Origins of Demythologizing Marburg Neo Kantianism Roger A Johnson The Religionsgeschichtliche Formulation of Myth Roger A Johnson The Enlightenment Formulation of Myth Roger A Johnson The Existentialist Formulation of Myth Roger A Johnson Demythologizing as a Synthetic Construct Roger A Johnson Bibliography Roger A Johnson Name Index Roger A Johnson Subject Index Roger A Johnson *Witness and Existence* Philip E. Devenish, George L. Goodwin, 1989-06-05 For over thirty years Schubert Ogden has championed and exemplified a particular understanding of the task and content of Christian theology The task of theology is to examine the meaning and truth of Christian faith in terms of human experience All theological claims therefore are assessable by two criteria their appropriateness to the normative Christian witness and their credibility in terms of human existence The content of Christian theology may be accurately and succinctly stated in two words radical monotheism The point of all theological doctrines from christology to ethics is to reflect on the gift and demand of God s love It may be said then that Ogden s entire theological project consists in the attempt to show that radical monotheism which is the essential point of the Christian witness is also the inclusive end of human existence *Witness and Existence* pays tribute to Ogden by bringing together essays by eminent scholars in New Testament studies and philosophical theology two fields which directly reflect his methodological concerns and his substantive contributions The book honors Ogden precisely by engaging the fundamental issues which Ogden himself has taken so seriously The first group of essays presents careful analyses of issues basic to the early Christian witness the second group examines the credibility of the Christian claim about God in terms of human experience The editors introductory essay provides the first comprehensive analysis yet to appear of Ogden s theology A complete bibliography of his published writings is included as an appendix **Hermeneutics** Stanley E. Porter, Jason C. Robinson, 2011-11-16 In this concentrated intelligible and useful introductory volume Stanley Porter and Jason Robinson give a splendid overview of hermeneutical and interpretive thought Neither an all inclusive survey that moves too quickly over the surface of complex issues nor a specialized volume on a single narrow topic Porter and Robinson s *Hermeneutics* provides critical analysis of major movements and figures in hermeneutics and interpretive theory in the modern era from Schleiermacher and Heidegger to Thiselton and Culpepper showing especially how these interpreters and their movements have impacted biblical and theological study **When Paul Met Jesus** Stanley E. Porter, 2016-02-24 Did Paul ever meet Jesus and hear him teach A century ago a curious assortment of scholars William Ramsay Johannes Weiss and James Hope Moulton thought that he had Since then their idea has virtually disappeared from New Testament scholarship to be revived in this monograph *When Paul Met Jesus* is an exercise in both biblical exegesis and intellectual history After examining the positive arguments raised it considers the negative influence of Ferdinand Christian Baur William Wrede and Rudolf Bultmann on such an idea

as they drove a growing wedge between Jesus and Paul In response Stanley E Porter analyzes three passages in the New Testament Acts 9 1 9 and its parallels 1 Corinthians 9 1 and 2 Corinthians 5 16 to confirm that there is New Testament evidence that Paul encountered Jesus The implications of this discovery are then explored in important Pauline passages that draw Jesus and Paul back together again *God, Revelation and Authority: God Who Speaks and Shows (Vol. 2)* Carl F. H. Henry,1999-01-25 Part 2 in a monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done **God, Revelation and Authority (Set of 6)** Carl F. Kennard,2016-11-30 Biblical contributors express an oral stage engaging Christianity within a properly basic communal worldview similar to Alvin Plantinga advocates This approach includes a communal Christian application of common sense realism within a worldview and rhetoric similar to Hillite Pharisaism Each biblical contributor provided vivid testimony using rabbinic language and thought forms For example Jewish Christian midrash re appropriates Old Testament quotes and narrative in a new performative pesher manner to present Jesus as the Christ Moving beyond the word studies of biblical epistemologists Pharisaic rabbinic Judaism use of biblical revelation mystical vision dream or audible divine voice frame mystical empiricism similar to William Alston Non foundational realism facilitates a communal resilient oral tradition similar to the rabbinics Additionally Luke Acts extensively engages Hellenistic historiographic method and the concept of witness When multiple interpretations occur concerning miracles epistemic dualistic non foundational Lockean epistemology emerges to contribute to the authority of communal kingdom testimony Occasionally this Lockean approach adds an internal transformation much as Jonathan Edwards modified Locke to set forth his religious affections as a divine virtue epistemology confirming the authentic narrow way through Peircean pragmatism This internal knowledge provides self referential confirmation for a personal relationship and filial knowledge Each of these expressions of knowledge fosters an ultimate Kierkegaardian commitment to the Trinitarian Christian God **God, Revelation and Authority: God Who Speaks and Shows (Vol. 1)** Carl F.
