**Steven Strong, Evan Strong**

## **Gospel According To Maria:**

**The Gospel of Mary** Esther De Boer, 2005-06-20 The success of Dan Brown's Da Vinci Code has raised new interest in Mary Magdalene and in the Gospel of Mary Here the author examines Mary Magdalene's influence on the beginnings of Christianity and asks what was her impact and her message And furthermore what became of her and her ideas Esther de Boer studies the Gospel of Mary the only Gospel to be named after a woman to discover what it reveals about Mary Magdalene and to determine the origin of its portrayal She argues that the Gospel of Mary is not a Gnostic writing but is more closely related to the writings of Philo the letters of Paul and the Gospel of John She demonstrates that esteem of Mary Magdalene did not just belong to the Gnostic tradition but to a broader Christian context In order to determine this context the study identifies the different portrayals of Mary Magdalene in the New Testament analyses their concepts of discipleship and their views on women and investigates their historical reality Esther de Boer concludes that the portrayal of Mary Magdalene in the Gospel of Mary is close to that in the Gospel of John and investigates the possibility that she is concealed in the Johannine disciple loved by Jesus

The Gospel of Mary Christopher Tuckett, 2007-08-23 This volume the first in a major new series which will provide authoritative texts of key non canonical gospel writings comprises a critical edition with full translations of all the extant manuscripts of the Gospel of Mary In addition an extended Introduction discusses the key issues involved in the interpretation of the text as well as locating it in its proper historical context while a Commentary explicates points of detail The gospel has been important in many recent discussions of non canonical gospels of early Christian Gnosticism and of discussions of the figure of Mary Magdalene The present volume will provide a valuable resource for all future discussions of this important early Christian text

**The Gospel according to st. Luke, with intr. and notes, by G. Carter** Luke (st), 1896

The Character of a Convent. Displayed in the Awful Disclosures of Maria Monk, Being, a Narrative of Her Sufferings, During a Residence of Five Years as a Novice and Two Years as a Black Nun, in the Hotel Dieu Nunnery, at Montreal Maria Monk, 1851

The Gospel of Pseudo-Matthew and the Nativity of Mary Brandon W. Hawk, 2020-01-01 The Gospel of Pseudo Matthew is one of the most important witnesses in Western Europe to apocryphal stories about the lives of Mary Joseph Jesus and Mary's parents Anna and Joachim This apocryphon was also used as the basis for another the Nativity of Mary which gained equal popularity As bestsellers of medieval Christianity these Latin apocrypha are major witnesses to the explosion of extra biblical literature in the Western Middle Ages Despite their apocryphal status the Gospel of Pseudo Matthew and the Nativity of Mary proved influential throughout the Middle Ages and into the early modern period as their popularity and influences may be traced in Christian literature visual arts liturgy and theological perspectives still revered by Roman Catholic theologians These apocrypha also remain significant works for considering the history of monasticism and the cult of the Virgin Mary The Gospel of Pseudo Matthew and the Nativity of Mary draws upon a range of manuscript sources to present comprehensive English translations of the Gospel of Pseudo

Matthew and the Nativity of Mary with full introductions and commentaries as well as translations of related works with accompanying commentaries      The Apocrypha #5 Apostle Arne,2015-06-30 The New Testament Apocrypha are a number of writings by early Christians that give accounts of Jesus and his teachings the nature of God or the teachings of his apostles and of their lives These writings often have links with the books generally regarded as canonical but Christian denominations disagree on which writings should be regarded as canonical and which are apocryphal Definition The word apocrypha means things put away or things hidden and comes from the Greek through the Latin The general term is usually applied to the books that were considered by the church as useful but not divinely inspired As such to refer to Gnostic writings as apocryphal is misleading since they would not be classified in the same category by orthodox believers Often used by the Greek Fathers was the term antilegomena or spoken against although some canonical books were also spoken against such as the Apocalypse of John in the East Often used by scholars is the term pseudepigrapha      **The Gospel according to John** John Peter Lange,2007-05-01 Presented here in paperback for the first time is John Peter Lange s Theologischhomiletisches Bibelwerk Intended to help preachers prepare sermons the commentary series is essentially biblical and evangelical catholic This 19th century commentary has served as a standard reference for more than a century Many early reviewers regarded Schaff s edition with his additional material as superior to the original It has proven to be a complete and useful Commentary and continues to prove especially valuable to ministers It contains critical annotations of the text and its translation and a threefold commentary exegetical doctrinal and homiletical Under these three heads the text is viewed from every aspect

*The Gospel of Mary* Dr. Samuel Wyndham,2025-01-14 The Hidden Gospels Exploring the Lost Texts of Early Christianity The Gospel of Mary In this compelling exploration of early Christian writings The Hidden Gospels uncovers the secrets of one of the most intriguing and controversial texts of the ancient world The Gospel of Mary Long considered lost to history this fragmentary manuscript offers a unique and profound perspective on the life teachings and legacy of Mary Magdalene Through careful analysis and historical context this book delves into the Gospel s radical reinterpretation of Christian beliefs revealing a more personal and mystical side of Jesus message that challenges traditional doctrine It explores the themes of inner spiritual knowledge the role of women in early Christianity and the tensions between the Gnostic and orthodox traditions The Gospel of Mary with its enigmatic teachings and mysterious fragments has captivated scholars and spiritual seekers alike raising questions about faith authority and the hidden history of Christianity The Hidden Gospels invites readers to uncover this lost text s transformative power and its relevance to modern spiritual exploration Join us on a journey through time and theology where the forgotten wisdom of early Christianity can offer new insight into our own faith identity and understanding of the divine      *The Crucifixion of Mary Magdalene* Richard J. Hooper,2005 A careful study of Christian origins and detailed analysis of all the canonical apocryphal and Gnostic Gospels in which Mary Magdalene appears Considered the first apostle of Christianity by early Christians the author explains why the patriarchs of the early church

found it necessary instead to reinvent Mary as a wanton woman rather than Jesus most favored disciple **Rediscovering the Marys** Mary Ann Beavis, Ally Kateusz, 2020-01-23 This interdisciplinary volume of text and art offers new insights into various unsolved mysteries associated with Mary Magdalene Mary of Bethany Mary the Mother of Jesus and Miriam the sister of Moses Mariamic traditions are often interconnected as seen in the portrayal of these women as community leaders prophets apostles and priests These traditions also are often inter religious echoing themes back to Miriam in the Hebrew Bible as well as forward to Maryam in the Qur an The chapters explore questions such as which biblical Mary did the author of the Gospel of Mary intend to portray Magdalene Mother or neither Why did some writers depict Mary of Nazareth as a priest Were extracanonical scriptures featuring Mary more influential than the canonical gospels on the depiction of Maryam in the Qur an Contributors dig deep into literature iconography and archaeology to offer cutting edge research under three overarching topics The first section examines the question of which Mary and illustrates how some ancient authors and contemporary scholars may have conflated the biblical Marys The second section focuses on Mary of Nazareth and includes research related to the portrayal of Mary the Mother of Jesus as a Eucharistic priest The final section Recovering Reception of Mary in Art Archeology and Literature explores how artists and authors have engaged with one or more of the Marys from the early Christian era through to medieval and modern times Mary Magdalene, La Malinche, and the Ethics of Interpretation Jennifer Vija Pietz, 2022-11-08 By comparing the intersecting histories of interpretation of Mary Magdalene a first century disciple of Jesus and La Malinche a sixteenth century Mesoamerican woman enslaved by the Spanish conquistadores Jennifer Vija Pietz critically evaluates the use of past lives to address contemporaneous concerns She demonstrates how the earliest sources portray each woman as an agent in the foundation of a new community Magdalene s proclamation of Jesus s resurrection helped form the first Christian community while La Malinche s role as interpreter between Spanish and native people during the Conquest helped establish modern Mexico Pietz then argues that over time various interpreters turn these real women into malleable icons that they use to negotiate changing conceptions of communal identity and norms Strikingly popular portraits develop of both women as archetypal whores who represent transgression portraits that some women have experienced as harmful Although other interpreters present contrary portraits of Magdalene and La Malinche as admirable emblems of female empowerment Pietz argues that the tendency to turn real people into icons risks producing stereotypes that can obscure past lives and negatively affect people in the present In response she posits strategies for developing historically plausible and ethically responsible interpretations of people of the past **The Worship of the Blessed Virgin Mary: Truths and Lies** ETAN BRUNO, *Mary's Voice in the Gospel According to John* Michael Pakaluk, 2021-02-16 A New Light on John s Gospel The Gospel according to John has always been recognized as different from the synoptic accounts of Matthew Mark and Luke But what explains the difference In this new translation and verse byverse commentary Michael Pakaluk suggests an answer and unlocks a twothousand year old mystery Mary s Voice in

the Gospel according to John reveals the subtle but powerful influence of the Mother of Jesus on the fourth Gospel In his dying words Jesus committed his Mother to the care of John the beloved disciple who from that hour took her into his own home Pakaluk draws out the implications of that detail which have been overlooked for centuries In Mary s remaining years on earth what would she and John have talked about Surely no subject was as close to their hearts as the words and deeds of Jesus Mary s unique perspective and intimate knowledge of her Son must have shaped the account of Jesus life that John would eventually compose With the same scholarship imagination and fidelity that he applied to Mark s Gospel in *The Memoirs of St Peter* Pakaluk brings out the voice of Mary in John s from the famous prologue about the Incarnation of the Word to the Evangelist s closing avowal of the reliability of his account This remarkably fresh translation and commentary will deepen your understanding of the most sublime book of the New Testament     *The Mary We Forgot* Jennifer Powell McNutt,2024-10-15 Mary Magdalene s life was transformed when she was healed by Christ and joined his ministry from Galilee to Jerusalem The Gospels teach that she was also a witness at the cross and the first one sent by Christ to preach his resurrection Yet her story is often confused scandalized and undervalued by the church In *The Mary We Forgot* award winning church historian and theologian Jennifer Powell McNutt unpacks Scripture and history to reveal the real Mary Magdalene the first apostle of the good news and a model of discipleship for both men and women today McNutt also invites readers along on her journey through southern France tracing the path remembered by some church traditions as where Mary Magdalene spread the gospel Christians will learn from the disciple known as the apostle to the apostles how to embrace Jesus s calling to go and tell with faith and courage They ll also be encouraged by the reminder that God calls ordinary imperfect and unexpected people to share the good news of Jesus Christ The hope of remembering Mary Magdalene is ultimately to better know the one to whom she pointed the risen Christ     *The Resurrection of Mary Magdalene* Jane Schaberg,2004-08-31 The controversy surrounding Dan Brown s novel *The Da Vinci Code* has intensified interest in Mary Magdalene and Jane Schaberg provides an authoritative source for a deeper understanding and re assessment of this popular figure Within a progressive feminist framework *The Resurrection of Mary Magdalene* approaches Christian Testament sources through analysis of legend archaeology and gnostic apocryphal traditions This is the story of the suppression and distortion of a powerful woman leader Schaberg presents Mary Magdalene as successor to Jesus in a challenging alternative to the Petrine primacy     **Which Mary?** F. Stanley Jones,2003 Cutting edge contributions on early Christian Marys offer a variety of perspectives by leading scholars and probe the earliest traditions on the Marys both canonical and non canonical as preserved in Western and Oriental languages Paperback edition is available from the Society of Biblical Literature [www.sbl-site.org](http://www.sbl-site.org)     **The Gospel According to Peter** Walter Richard Cassels,1894 Walter Richard Cassels superb explanation of the Gospel of Peter remains one of the best evaluations yet committed to paper This edition includes Cassel s original notes The original manuscript was discovered in Egypt in the late 19th century by French archaeologist Urbain Bouriant in a monk

s grave which showed signs of a dignified burial The unearthing of a new document dating to the time of the New Testament caused a sensation among theologians who eagerly awaited its initial publication in 1892 Two years after The Gospel of Peter first appeared W R Cassels published this translation with a close reading and analysis The controversial elements among them Pontius Pilate being exonerated of condemning Jesus to death are discussed along with the unusually detailed descriptions of Jesus crucifixion and resurrection Cassels also makes comparative analyses of this document with the canonical gospels of Matthew Mark Luke and John In the modern day the Gospel of Peter is considered by scholars to apocryphal the name it bears is likely not the true composer However given that it is referenced by the historian Eusebius it is likely that the paper dates to around the mid to late 2nd century The work s origins and its exact relation to the other Gospels of the New Testament remain a mystery and a source of fascination for Biblical scholars Mary Magdalene's Dreaming Steven Strong,Evan Strong,2008 In Mary Magdalene s Dreaming Steven Strong and Evan Strong continue their esoteric journey tracing the origins of religion that they began their first book Constructing A New World Map Strong and Strong examine the Gnostic Scriptures detailing the words and deeds of Mary and Jesus recently found at Nag Hammadi

**The Gospel According to St John** B. F. Westcott,1889      **People's Commentary on the Gospel According to Luke**  
Edwin Wilbur Rice,1889

## Embracing the Melody of Expression: An Mental Symphony within **Gospel According To Maria**

In a global eaten by monitors and the ceaseless chatter of fast conversation, the melodic splendor and emotional symphony created by the prepared word frequently fade in to the back ground, eclipsed by the constant noise and disturbances that permeate our lives. However, situated within the pages of **Gospel According To Maria** a wonderful fictional treasure brimming with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, that charming masterpiece conducts readers on an emotional journey, well unraveling the concealed tunes and profound impact resonating within each carefully crafted phrase. Within the depths of the emotional analysis, we will explore the book is key harmonies, analyze its enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
