Sermons on the Psalms and Gospels John Donne, Evelyn Mary Spearing Simpson, **The Synoptic Gospels and the Psalms as Prophecy** J. Samuel Subramanian, 2007-11-21 The Book of Psalms is one of the most frequently cited books in the New Testament The Synoptic Evangelists seem to read the Psalms not primarily as prayers but as prophecies of the future They discovered in its language prophecies concerning the life and ministry of Jesus and attempted to show how Jesus' life was prefigured in the Psalms Samuel Subramanian examines the topic within the broader use of the Old Testament in the New Testament that of the prophetic reading of the Psalms in the Synoptic Gospels and in the context of Second Temple Judaism Although others have treated individual psalm quotations as prophecy my work is the first to examine all of the psalm quotations within the

Synoptic Gospels in this light and the first to demonstrate that these excerpts were used prophetically In some cases these psalm quotations were used by the Synoptic Evangelists in a manner that is thought to fulfill a prophecy from or about Jesus within the gospel narratives even though this particular use of the psalms by the Synoptic Evangelists has not been widely recognized previously This study shows how similar exegetical techniques of looking for prophecies in the Psalms was practiced by non Christian Jews of the period *David in the Fourth Gospel* Margaret Daly-Denton,2000 This literary and exegetical study of psalm quotations allusions and echoes in the Fourth Gospel demonstrates the Evangelist s understanding of David the presumed author of the psalms as a paradigm for his portrayal of Jesus The Book of common prayer, with notes upon the Epistles, Gospels, and Psalms by a member of the established Church [sir J. Bayley]. sir John Bayley (1st bart),1813 *The Synoptic Gospels and the Psalms as Prophecy* J. Samuel Subramanian,2007-01-01 The Book of Psalms is one of the most frequently cited books in the New Testament The Synoptic Evangelists seem to read the Psalms not primarily as prayers but as prophecies of the future They discovered in its language prophecies concerning the life and ministry of Jesus and attempted to show how Jesus life was prefigured in the Psalms Samuel Subramanian examines the topic within the broader use of the Old Testament in the New Testament that of the prophetic reading of the Psalms in the Synoptic Gospels and in the context of Second Temple Judaism Although others have treated individual psalm quotations as prophecy my work is the first to examine all of the psalm quotations within the Synoptic Gospels in this light and the first to demonstrate that these excerpts were used prophetically In some cases these psalm quotations were used by the Synoptic Evangelists in a manner that is thought to fulfill a prophecy from or about Jesus within the gospel narratives even though this particular use of the psalms by the Synoptic Evangelists has not been widely recognized previously This study shows how similar exegetical techniques of looking for prophecies in the Psalms was practiced by non Christian Jews of the period John Donne's Sermons on the Psalms and Gospels John Donne,1963 John Donne s verse and prose have had a remarkable renaissance in the twentieth century ad have been a vital influence on this century s poets and prose writers The glory of his prose at its best is very different from that of his verse but is equal to it and there can be no questions that his best prose is in his sermons This selection of Donne s sermons on the Psalms and Gospels has been made by Evelyn M Simpson one of the editors of the ten volume collected sermons of John Donne to introduce to a wider audience the majesty and power and variety of the poet s sermons Sometimes Donne preached as a poet sometimes as a pastor sometimes as a theologian sometimes as a controversialist and to many different types of congregations to the parishioners of St Dunstan s to the King and Court at Whitehall to the citizenry of London at St Paul s and wonderfully showed his power to adapt himself to each Donne s sense of form his arrangement of his materials his common sense his shrewdness his psychological insight and his real religious fervor are readily apparent in these sermons The differences of mood and emphasis within the rigid framework of the formal sermon make this selection interesting to the attentive reader Donne was an artist in prose and he knew the

value of contrast and surprise of imagery and literary artifice He was a poet who did not lose his poetical imagination when he entered the pulpit The impression of an amazingly vital personality rich in mental and spiritual power will abide with the reader Publisher

Psalm 118 in the Gospel of John Andrew C. Brunson, 2003 Andrew Brunson examines the presence and function of Ps 118 in the Gospel of John placing particular emphasis on its interpretation in a New Exodus context which has previously not been developed in the Fourth Gospel Following a comprehensive survey of Ps 118 s Jewish setting its role in the festivals and its use in the Synoptic Gospels special attention is given to the quotations in the Entrance Narrative The author argues that John portrays Jesus as bringing an end to Israel s state of continuing exile by fulfilling the role reserved to Yahweh in the New Exodus This culminates in the Entrance to Jerusalem where Jesus embodies the return of Yahweh to reign among his people A literary study of the coming sent theme in John underscores the extent to which Jesus is identified ontologically and functionally with the Father A previously unnoticed allusion to Ps 118 and Jubilees in John 8 56 is explored and attention is paid to establishing the presence and developing the function of several neglected allusions to the psalm in 10 7 10 10 24 25 and 11 41 42

Psalms for All Seasons John F. Craghan, 1993 Psalms for All Seasons explores fifty five of the most beautiful psalms in the Bible The author s deft analysis places these ancient prayers squarely in contemporary times By examining the structure vocabulary and themes of the psalms he engages each example as a stunning prayer for the twenty first century This careful revision of the 1993 edition relies on the New American Bible Revised edition and provides solid biblical scholarship to support the use of the Psalms in study and prayer back cover
