DISCIPLINE?**

- "I found the descriptions of the teachers to be excellent. Each teacher came to life and in reading about the classroom interactions, it was like a visit to the classroom. Excellent in the range of observations and carefully drawn inferences."

—**John McNeil, Ph.D., Professor Emeritus, UCLA**

- "The practical tried and true strategies will work with all students with behavioral issues. A good read with great advice."

—**Sue Watson, Counselor, Special Education Teacher**

Congress,2000 *A Sword Named Truth* Sherwood Smith,2020-06-30 Untested young rulers must cooperate to protect their world from the magical threat of the mysterious kingdom of Norsunder in a new epic fantasy trilogy set in the same world as the popular Inda series Long dormant magical forces are moving once again in Sartorias deles Agents of Norsunder a mysterious bastion of incredible dark power have reappeared in the world amassing resources and sowing instability But with numerous nations led by young rulers brought too early to their thrones the world is hardly ready to defend itself Atan is still uncomfortable with her new queenship gained after her country was freed from a Norsundrian enchantment that left it frozen outside time for a century Senrid strives to establish rule of law after deposing his brutal and cruel uncle seeking to exert control over rebellious jarls and a distrustful military academy Jilo never expected the responsibility of leading his nation but when its dictator vanishes after a Norsundrian attack Jilo finds himself stepping into the power void taking the reins of a country so riddled with dark magic that its citizenry labors for mere survival Clair and CJ lead a band of misfits against magical threats that overshadow their tiny country including a direct incursion from the Norsundrians Those in power are not the only individuals working to subvert the plans of Norsunder Liere a young shopkeeper s daughter battles her own debilitating insecurities to live up to her reputation as a former savior of the realm Hibern a mage s apprentice must act as a liaison between national leaders negotiating politics still foreign to her Rel a traveling warrior stirs powerful allies to action encourages common folk to take up arms These leaders soon realize that any significant victory against Norsunder will require an alliance between their nations Yet good intentions may fracture in the face of personal grudges secrets and inexperience As the Norsundrian attacks become bolder the members of this tenuous alliance must find ways to trust one another and bind themselves together lest they fail to defend against a host that has crushed entire worlds **The Secret of The Science of Getting Rich** Bob Proctor,Sandy Gallagher,2022-06-21 So often we make the mistake of committing our lives and our time to empty activities with only small glimpses of satisfaction and fulfillment Are you tired of wishing and hoping for a lot more money What is stopping you from earning the amount of money that you really want to earn Do you want more out of life but aren t sure what it is Do you have a specific goal but don t know how to achieve it What keeps people stuck year after year How and when does earning money become easy Getting rich is an exact science There are certain laws that govern it and once you learn and comply with those laws getting rich is a mathematical certainty Bob Proctor studied the mind paradigms and the universal laws of money for over sixty years There is no one better than Bob to teach you the secret behind the Wallace Wattles book The Science of Getting Rich He has reduced the most complicated concepts from that classic into its simplest

form *The Secret of the Science of Getting Rich* will give you many practical ways to apply the concepts to your life starting today But first you must believe that you can attract anything you want in life So you must ask yourself What do I want What do I really really want Discover your purpose and then apply the actual science behind *The Science of Getting Rich* The secret to wealth will help you get unstuck and achieve continual forward momentum towards your dreams **The Entitlement Cure** John Townsend,2015-10-06 Do you have anyone in your life who can't seem to stick with a project meet a deadline or even clean up after themselves All of us feel we deserve special treatment sometimes Some people live with this entitled attitude such as Professionals who wander from job to job looking for a boss who will see them as amazing as they consider themselves to be whether they're productive or not Young adults who refuse to grow up and so go nowhere Spouses or dates who believe I'm special and I deserve more than you're giving me Leaders who expect special treatment because of their position not because of their character If you have a difficult relationship with an entitled person or if you have discovered entitlement in yourself understand this It doesn't have to stay this way There is a cure It's called the Hard Way and it works In *The Entitlement Cure* Dr John Townsend explains that the Hard Way is a habit that focuses on doing whatever is needed even if it is difficult uncomfortable takes longer and requires more energy Dr Townsend offers daily steps such as risk taking to help you or those you love choose the Hard Way Ultimately entitlement fails us We don't develop the character abilities and relationships necessary to reach success and become the people God intended us to be By contrast Hard Way people have better relationships reach their goals have a clear job direction enjoy rich spiritual growth and are equipped to face and solve challenges As Dr Townsend writes Stand against entitlement in every form in which it manifests itself Resolve your own tendencies toward the disease Be a loving and firm force for helping those in its trap to find life and hope And you will make the world a better place Discover why the Hard Way is the best way in this practical guide to true success

Changing Education Joyce Antler,Sari Knopp Biklen,1990-07-05 By combining history theory philosophy case studies and monographs with broader issues *Changing Education* shows how educational experience and knowledge are deeply gendered One of its strengths indeed the excitement of women's studies in general is its breadth and interdisciplinary nature It pays attention to such issues in feminist theory and women's studies as women's culture and the sameness versus difference debate at the same time it provides a wealth of information and new material that is not available elsewhere Susan Ware New York University It highlights gender as a cultural phenomenon showing that women's experience in education has been shaped by gender specific stereotypes and concepts At the same time the essays show how women used gender categories to their own advantage to create new lines of work such as kindergarten teaching and child study activity or to overcome societal prejudice by way of collective action such as the Boston Women's Health Collective It makes an important contribution to the debate about women's culture versus women's politics showing the significance of each e.g the women's page of the *Jewish Daily Foreword* as a vehicle for women's traditional culture and contemporary committed feminism I think
