Good Scent From A Strange Mountain Stories:

A Good Scent from a Strange Mountain Robert Olen Butler, 2018-09-01 Winner of the Pulitzer Prize Uncannily perceptive stories written by an American from the viewpoint of Vietnamese citizens transplanted to Louisiana People A Good Scent from a Strange Mountain is Robert Olen Butler's Pulitzer Prize winning collection of lyrical and poignant stories about the aftermath of the Vietnam War and its enduring impact on the Vietnamese Written in a soaring prose Butler's haunting and powerful stories blend Vietnamese folklore and contemporary American realities creating a vibrant panorama that is epic in its scope This new edition includes two previously uncollected stories Missing and Salem that brilliantly complete the collection's narrative journey returning to the jungles of Vietnam to explore the experiences of a former Vietcong soldier and an American MIA Deeply affecting A brilliant collection of stories about storytellers whose recited folklore radiates as implicit prayer One of the strongest collections I ve read in ages Ann Beattie A Good Scent from a Strange Mountain :-- Robert Olen Butler, 2001-04-05 A Study Guide for Robert Olen Butler's "Good Scent from a Strange Mountain" Gale, Cengage Learning, 2016-07-12 A Study Guide for Robert Olen Butler's Good Scent from a Strange Mountain excerpted from Gale's acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs A Good Scent from a Strange Mountain Robert Olen The Contemporary American Short-Story Cycle James Nagel, 2004-04-01 James Nagel offers the first Butler, 1992 systematic history and definition of the short story cycle as exemplified in contemporary American fiction bringing attention to the format's wide appeal among various ethnic groups He examines in detail eight recent manifestations of the genre all praised by critics while uniformly misidentified as novels Nagel proposes that the short story cycle with its concentric as opposed to linear plot development possibilities lends itself particularly well to exploring themes of ethnic assimilation which mirror some of the major issues facing American society today Short Story Index ,2004 Writing Vietnam, Writing Life Tobey C. Herzog, 2009-05 Phillip Caputo Larry Heinemann Tim O Brien and Robert Olen Butler four young midwestern Americans coming of age during the 1960s who faced a difficult personal decision whether or not to fight in Vietnam Each chose to participate After coming home these four veterans became prizewinning authors telling the war stories and life stories of soldiers and civilians The four extended conversations included in Writing Vietnam Writing Life feature revealing personal stories alongside candid assessments of each author's distinct roles as son soldier writer and teacher of creative writing As Tobey Herzog s thoughtful interviews reveal these soldier authors have diverse upbringings values interests writing careers life experiences and literary voices They hold wide ranging views on among other things fatherhood war the military religion the creative process the current state of the world and the nature of both physical and moral courage For each author the conversation and richly annotated chronology provide an overview of the writer's life the intersection of

memory and imagination in his writing and the path of his literary career Together these four life stories also offer mini tableaux of the fascinating and troubling time of 1960s and 1970s America Above all the conversations reveal that each author is linked forever to the Vietnam War the country of Vietnam and its people Contemporary Southern Men Fiction Writers Rosemary M. Anderson, 2002-07-10 More than a guarter of a century after the last Marine Corps Huey left the American embassy in Saigon the lessons and legacies of the most divisive war in twentieth century American history are as hotly debated as ever Why did successive administrations choose little known Vietnam as the test case of American commitment in the fight against communism Why were the best and brightest apparently blind to the illegitimacy of the state of South Vietnam Would Kennedy have pulled out had he lived And what lessons regarding American foreign policy emerged from the war The Columbia Guide to the Vietnam War helps readers understand this tragic and complex conflict The book contains both interpretive information and a wealth of facts in easy to find form Part I provides a lucid narrative overview of contested issues and interpretations in Vietnam scholarship Part II is a mini encyclopedia with descriptions and analysis of individuals events groups and military operations Arranged alphabetically this section enables readers to look up isolated facts and specialized terms Part III is a chronology of key events Part IV is an annotated guide to resources including films documentaries CD ROMs and reliable Web sites Part V contains excerpts from historical documents and statistical data Bring History Alive! Kirk Ankeney, 2011-06-15 Liminality and the Short Story Jochen Achilles, Ina Bergmann, 2014-12-05 This book is a study of the short story one of the widest taught genres in English literature from an innovative methodological perspective Both liminality and the short story are well researched phenomena but the combination of both is not frequent This book discusses the relevance of the concept of liminality for the short story genre and for short story cycles emphasizing theoretical perspectives methodological relevance and applicability Liminality as a concept of demarcation and mediation between different processual stages spatial complexes and inner states is of obvious importance in an age of global mobility digital networking and interethnic transnationality Over the last decade many symposia exhibitions art and publications have been produced which thematize liminality covering a wide range of disciplines including literary geographical psychological and ethnicity studies Liminal structuring is an essential aspect of the aesthetic composition of short stories and the cultural messages they convey On account of its very brevity and episodic structure the generic liminality of the short story privileges the depiction of transitional situations and fleeting moments of crisis or decision It also addresses the moral transgressions heterotopic orders and forms of ambivalent self reflection negotiated within the short story s confines This innovative collection focuses on both the liminality of the short story and on liminality in the short story The Cambridge Companion to the American Short Story Michael J. Collins, Gavin Jones, 2023-05-25 This Companion offers students and scholars a comprehensive introduction to the development and the diversity of the

American short story as a literary form from its origins in the eighteenth century to the present day Rather than define what the short story is as a genre or defend its importance in comparison with the novel this Companion seeks to understand what the short story does how it moves through national space how it is always related to other genres and media and how its inherent mobility responds to the literary marketplace and resonates with key critical themes in contemporary literary studies The chapters offer authoritative introductions and reinterpretations of a literary form that has re emerged as a major force in the twenty first century public sphere dominated by the Internet **Southern Writers** Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor's place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition s written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary s original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject
