and modern life isn't making it any easier. Between tablets, smartphones and endless digital distractions, the quiet ritual of bedtime stories is disappearing, and with it, precious opportunities for imagination, bonding and rest. Here's what science tells us: Children who enjoy stories before sleep don't just rest better; they develop stronger language skills, deeper emotional intelligence and richer imaginations. Yet the benefits go far beyond academics. These are the moments that create lasting memories: The snuggle time that says "I love you." The shared giggles over silly characters. The questions that lead to meaningful conversations. Think back to your own childhood. Can you recall the comfort of a parent's voice reading your favorite tale? The way stories transported you to magical worlds? That cozy feeling of being tucked in with adventures dancing through your mind? Our children deserve that same experience, not the glow of a screen but the warmth of connection through storytelling. This book offers you a simple way to reclaim bedtime as a cherished family tradition. Here's what awaits inside 20 beautifully crafted stories written specifically to soothe, engage and delight young listeners. Calming tales designed to ease your child gently toward sleep. Exciting adventures featuring courageous, kind-hearted characters who face challenges and grow. Playful rhyming stories that make reading aloud a joy while building language skills. Imaginative worlds where anything is possible, nurturing creativity and wonder. Fresh takes on classic fairy tales your family knows and loves, reimagined with new lessons and excitement. Stories that naturally teach important values all while keeping your child entertained. Soothing bedtime lullabies that create the perfect wind-down atmosphere. Every story is carefully designed for children ages 4-8. No confusing language. No scary content. No worries about appropriateness. Just pure, wholesome storytelling that both entertains and enriches. Imagine this: Your child actually asks to go to bed because they can't wait to hear what happens next. The fights stop. The stress melts away. Instead, you have twenty precious minutes of connection, laughter and love. That's the power of bringing stories back to bedtime. Tonight can be different. Tonight can be the start of a new tradition, one your child will remember and cherish for a lifetime. Don't wait another day. Bring the magic of storytelling back to your bedtime routine. Order your copy now and watch bedtime transform from chaos to comfort.

Scrambled Feet John Driver, Jeffrey Haddow, 1980. This intimate musical revue is a zany, hilarious spoof dedicated to satirizing every conceivable aspect of show business. Among the many skits are a pointed parody of theatre party ladies, a wrestling match between the Elephant Man and the paraplegic hero of *Whose Life Is It Anyway?*, the traumas of a suburban couple getting to and going from the theatre, a madrigal on the popularity of British plays and performers, and takeoffs on critics and Joseph Papp and his Public Theatre. It's a perfect show for anyone involved with the theatre.

Young at Art Susan Striker, 2011-04-01. From the creator of the bestselling *Anti Coloring Book* series with more than 600,000 copies sold, a new parenting guide to encouraging creativity in preschool-age children. *Young at Art* is the first and only comprehensive book for the general audience about the nature, value and impact of art on very young children. She drives
