Goodbye Hello:

Goodbye, Hello Heather K O'Malley, 2025-05-13 Kelly's world collapsed when her father died. They had been very close and now she's lost. How is she supposed to rebuild her relationship with her mother without someone to facilitate their conversation? But her grief takes a back seat when the unexpected happens: the day of her father's funeral. When Teresa got the assignment to write up the obituary for Mr Matheson it brought back so many memories of when she had dated Kelly in high school. They had ended awkwardly and ready to apologize for how she had acted back then she goes to the funeral to see her again. The spark is still there but Kelly and Teresa aren't convinced their reconnection will lead to a forever romance. With so much time apart all the ways they've changed since high school and the challenges of a long distance relationship their second chance at love may end just as disastrously as the first.

Yellow Heart Lea Luz Soto, 2009-10-19 Yellow Heart is about my journey of the trials I faced in life of love, hope and joy. I learned that love is a very powerful force that can be equal to the forces of hate; it will structure you or you will erupt, presuming how strong your mind is. Hope is the power that helps us to survive our loss through death, a broken relationship or a ravaged past that we tend to hold on to and not let go of. For this reason some of us cannot move on and never receive what we deserve for the future. Joy is our strength; it helps us breathe and live life. As long as you have joy you will be surrounded with peace. I would recommend this book for mature readers because my poems are straight to the point and are very deep in thought. I know everyone that chooses to own Yellow Heart will enjoy reading my poems.
