Gorbachevs International Outlook Intellectual Origins And Political Consequences

Karen Dawisha, Bruce Parrott

Gorbachevs International Outlook Intellectual Origins And Political Consequences:

Gorbachev's International Outlook Allen Lynch, 1989 The International Politics of Eurasia Karen Dawisha, Bruce Parrott, 2016-09-16 First Published in 1998 This ambitious ten volume series develops a comprehensive analysis of the evolving world role of the post Soviet successor states Each volume considers a different factor influencing the relationship between internal politics and international relations in Russia and in the western and southern tiers of newly independent Gorbachev's International Outlook Allen Lynch, 1989 Theory and Structure in International Political Economy Charles Lipson, Benjamin J. Cohen, 1999 The first of two anthologies on international political economy drawn from articles Gorbachev and Yeltsin as Leaders George W. Breslauer, 2002 published in the journal International Organization Gorbachev and Yeltsin as Leaders also compares these men with Khrushchev and Brezhnev yielding new insight into the nature of Soviet and post Soviet politics and into the dynamics of transformational leadership more generally The book is an important contribution to the analysis and evaluation of political leadership It is well written and accessible to the Political Culture and Civil Society in Russia and the New States of Eurasia Vladimir nonspecialist Jacket Tismaneanu, 1995 What are the near and long term prospects for the establishment of democratic polities in the Soviet successor states In seeking to answer this question the best indicator would be the healthy development of civil societies of the region with a growing capacity to assume social responsibility and exact government accountability. The chapters in this volume examine the evolving political cultures of the post Soviet states The contributors include Dominique Arel Patricia Carley James L Gibson Jeffrey W Hahn Henry Huttenbach Roger Kangas Cynthia S Kaplan Sergei Markov Michael McFaul Zenovia Sochor Orest Subtelny and the editor Iran--Soviet interests US concerns Ralph A. Cossa,1990 When Leaders Learn and When They Don't Akan Malici, 2009-01-08 Develops a new and dynamic theory of foreign policy decision making and experiential learning International Theory James Der Derian, 2016-07-27 Reinvestigates realism in the context of international relations through a dialogue between classical international theory and critical theoretical challenges to it Essays in international theory are combined with writings in critical and postructuralist theories of international Coercion, Cooperation, and Ethics in International Relations Richard Ned Lebow, 2007-05-07 This volume relations brings together the recent essays of Richard Ned Lebow one of the leading scholars of international relations and US foreign policy Lebow's work has centred on the instrumental value of ethics in foreign policy decision making and the disastrous consequences which follow when ethical standards are flouted Unlike most realists who have considered ethical considerations irrelevant in states calculations of their national interest Lebow has argued that self interest and hence national interest can only be formulated intelligently within a language of justice and morality The essays here build on this pervasive theme in Lebow's work by presenting his substantive and compelling critique of strategies of deterrence and compellence illustrating empirically and normatively how these strategies often produce results counter to those that are

intended The last section of the book on counterfactuals brings together another set of related articles which continue to probe the relationship between ethics and policy They do so by exploring the contingency of events to suggest the subjective and often self fulfilling nature of the frameworks we use to evaluate policy choices Domestic Politics and Norm Diffusion in International Relations Thomas Risse, 2016-10-14 This book collects Thomas Risse's most important articles together in a single volume Covering a wide range of issues the end of the Cold War transatlantic relations the democratic peace human rights governance in areas of limited statehood Europeanization European identity and public spheres most recently comparative regionalism it is testament to the breadth and excellence of this highly respected International Relations scholar s work The collection is organized thematically domestic politics and international relations international sources of domestic change and the diffusion of ideas and institutions and a brand new introductory essay provides additional coherence This text will be of key interest to scholars and students of International Relations European Politics and Comparative Politics The Open Access version of this book available at www taylorfrancis com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license The Collapse of the Soviet Union, 1985-1991 David R. Marples, 2016-09-17 Why did the Soviet Union collapse in 1991 The collapse of the Soviet Union has widely been seen as the result of the arms race and Cold War and the failure of the Soviet side to keep pace with new technology This book argues that the disintegration was mainly a result of two interrelated factors the rise of the Soviet national republics and the manipulation of the new Russian presidency by Boris Yeltsin in what became a direct power struggle between Yeltsin and the Soviet leader Gorbachev Written in a clear and accessible manner the book provides an explanation of how the national question came to dominate Soviet politics by 1990 1 analysis of the economic crisis that occurred in the late 1980s a chapter devoted to the year 1991 from the referendum to reform the Soviet Union to the unforeseen dissolution of the country by December a discussion of the personalities of and political confrontation between the two key statesman Gorbachev and Yeltsin Also containing a Chronology Glossary and Who s Who of key figures The Collapse of the Soviet Union is essential reading for students of twentieth century European history We All Lost the Cold War Richard Ned Lebow, Janice Gross Stein, 1995-07-03 Drawing on recently declassified documents and extensive interviews with Soviet and American policy makers among them several important figures speaking for public record for the first time Ned Lebow and Janice Stein cast new light on the effect of nuclear threats in two of the tensest moments of the Cold War the Cuban Missile Crisis of 1962 and the confrontations arising out of the Arab Israeli war of 1973 They conclude that the strategy of deterrence prolonged rather than ended the conflict between the superpowers Ideas and International Political Change Jeffrey T. Checkel, 1997-01-01 The end of the Cold War dramatically and unexpectedly transformed international politics toward the end of the 20th century At the heart of this change was the struggle over new and old ideas American Foreign Policy John Dumbrell, 1996-11-04 This book examines the history of US foreign policy since the Vietnam War It focuses on four themes

the legacy of Vietnam the ending and aftermath of the Cold War the debate over American international decline and the frequently undemocratic conduct of US foreign policy The book considers alternative explanations for the Cold War s end It evaluates the foreign policy leadership of Presidents Carter Reagan Bush and Clinton and assesses prospects for US foreign policy after the Cold War Origins of the European Security System Andreas Wenger, Vojtech Mastny, Christian Nuenlist, 2008-04-29 This edited volume explores the significance of the early Helsinki process as a means of redefining and broadening the concept of security during the latter half of the Cold War The early Helsinki process introduced innovative confidence building measures and made human rights a requirement of a legitimate and well functioning international sys

Unarmed Forces Matthew Evangelista, 2018-08-06 Throughout the Cold War people worldwide feared that the U S and Soviet governments could not prevent a nuclear showdown Citizens from both East bloc and Western countries among them prominent scientists and physicians formed networks to promote ideas and policies that would lessen this danger Two of their organizations the Pugwash movement and the International Physicians for the Prevention of Nuclear War won Nobel Peace Prizes Still many observers believe that their influence was negligible and that the Reagan administration deserves sole credit for ending the Cold War The first book to explore the impact these activists had on the Soviet side of the Iron Curtain Unarmed Forces demonstrates the importance of their efforts on behalf of arms control and disarmament Matthew Evangelista examines the work of transnational peace movements throughout the Khrushchev Brezhnev and Gorbachev eras and into the first years of Boris Yeltsin's leadership Drawing on extensive research in Russian archives and on interviews with Russian and Western activists and policymakers he investigates the sources of Soviet policy on nuclear testing strategic defense and conventional forces Evangelista concludes that transnational actors at times played a crucial role in influencing Soviet policy specifically in encouraging moderate as opposed to hard line responses for they supplied both information and ideas to that closed society Evangelista's findings challenge widely accepted views about the peaceful resolution of the Cold War By revealing the connection between a state s domestic structure and its susceptibility to the influence of transnational groups Unarmed Forces will also stimulate thinking about the broader issue of how government policy is shaped The Cold War Is Over--again Allen Lynch, 2019-06-26 In this book Allen Lynch challenges the common wisdom that the revolutionary events in Eastern Europe in 1989 and in the Soviet Union in 1991 marked the end of the cold war Instead he argues that the cold war was actually resolved by the early 1970s as evidenced by the tacit acceptance of a divided Germany and Europe More recent events thus overthrew not the cold war but the post cold war order in East West and U S Soviet relations And often to their surprise and consternation leaders of the governments involved must now face formidable new forces created by German unity and nationalism in Eastern Europe and the former Soviet Union which were contained efficiently if at times brutally by the post cold war order In its three sections the book reviews historical contemporary and future oriented themes respectively Lynch begins by exploring the deeper logic of the cold war and how it was resolved by

the 1970s He then presents an overview of recent Soviet domestic and foreign policy processes as they affect East West relations The concluding section considers the future with special emphasis on the implications of a disintegrating USSR for Air University Library Index to Military Periodicals ,1990 The Enigma of 1989 Jacques Lévesque, 2023-04-28 The Enigma of 1989 The USSR and the Liberation of Eastern Europe explores the pivotal events of 1989 that reshaped the global political landscape focusing on the role of the Soviet Union in the collapse of Eastern European Communist regimes The book centers on the unexpected Soviet passivity in the face of these changes particularly under the leadership of Mikhail Gorbachev Unlike the rigid Soviet policies of the past Gorbachev's approach allowed for a peaceful dissolution of the Soviet Empire and the fall of the Berlin Wall The author examines how this surprising turn of events was not just a sign of Soviet weakness but also a strategic move within Gorbachev's broader vision for a transformed international order where Eastern European democratization was part of a controlled process aimed at benefiting the USSR The study argues that Gorbachev's policies were driven by a new ideology of transition which despite its roots in Marxism and Leninism sought to establish a world order based on new universal values This ideology coupled with the immense risks Gorbachev took helped him manage the crises in Eastern Europe neutralize conservative opposition and maintain Soviet influence in international politics until the fall of Eastern Europe in 1989 The book delves into the internal and external dynamics that led to the USSR's passive role in the dissolution of Eastern Europe and links it to Gorbachev's broader efforts to transform both Soviet foreign policy and domestic politics Ultimately it concludes that the collapse of the Eastern European regimes marked the breaking point of Gorbachev's ambitions as it led to a loss of control over both the Soviet Union and his foreign policy initiatives This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1997

Gorbachevs International Outlook Intellectual Origins And Political Consequences Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Gorbachevs International Outlook Intellectual Origins And Political Consequences PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Gorbachevs International Outlook Intellectual Origins And Political Consequences PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Gorbachevs International Outlook Intellectual Origins And Political Consequences free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
