and aware What is the knowledge and what are the life experiences that can deepen our connection to the divine while strengthening our relationships and our sense of meaning and purpose In this book the author reflects on contemporary historical cultural and political events while drawing on his years of experience in major medical centers as a spiritual care provider educator and bioethicist He articulates the fascinating evolution of psychology theology and quantum physics over recent decades including recent research into the nature of the soul and our still unfolding understanding of the true nature of the universe And he draws from his own journey of moving through and beyond his early religious training and beliefs to capture a far more meaningful and spiritually intelligent perspective

Why We Belong Anthony L. Chute, Christopher W. Morgan, Robert A. Peterson, 2013-06-30 Denominations The mention of the word is often enough to spark strong reactions regardless of whether one is for or against them This hopeful new volume made up of contributions from prominent evangelical leaders argues for the importance of denominations highlighting their significant strengths while acknowledging potential weaknesses Contributors from a variety of backgrounds Anglican Presbyterian Baptist Pentecostal Lutheran and Methodist share their own personal stories related to why they identify with a particular tradition and yet still maintain a robust sense of evangelical unity across denominational lines Far from merely highlighting differences this book celebrates the unity that believers enjoy in the gospel for the purpose of fostering productive dialogue and increased understanding within the fragmented landscape of modern evangelicalism

End-Time Events Randall Cobb, 2025-01-07 As I visit different congregations I find that 98 percent of them do not teach the truth when it comes to the end times I happen to believe that everyone needs to know the truth when it comes to end time events so they know what to look for such as falling away the tribulation period and the final judgment The Bible clearly instructs us to be vigilant I have covered all the events leading up to the return of Christ But it also teaches that no one can say for certain that we are living in the end times This is at best a debatable proposition Jesus himself repeatedly said that no one knows or can know the day or hour of his return Matthew 24 36 Mark 13 32 Acts 1 7 To be sure we are surrounded by events and developments that could be interpreted as signs of the end On every corner we see famines earthquakes disasters troubles persecutions wars and rumors of wars Mark 13 7 9 But has there ever been a period in the history of the world when this was not the case

The Sanctification of Work José Luis Illanes, José Luis Illanes Maestre, 2003 The Sanctification of Work delves into the theological wellsprings of our faith offering a broad and wide ranging exploration of how to find God in your most ordinary daily pursuits Fr Illanes considers three major topics work and holiness evaluating work and Opus Dei and lay spirituality He concludes this enlightening study by sketching out a theology of work Brightly written and all inclusive this book gives you a complete grasp of what it means to find God in ordinary life
