## Gospel Of Corax:

**The Gospel of Corax** Paul Park, 1996 Jesus Christ flees to Tibet and his contact with the sages of eastern religions changes his life The story is told by his companion on the journey Corax a slave who gained his freedom by betraying rebels for which Christ is falsely blamed

**Gospel of Corax** Paul Park, 1997 As seen through the eyes of Corax a runaway Roman slave skilled in the healing arts Jeshua is an unlikely traveling companion The Gospel of Corax is an uncanny blend of fantasy romance and historical fiction Its Jesus will bother many and intrigue many others Harold Bloom Paul Park is the author of four highly acclaimed works of science fiction including Celestis a 1995 Nebula finalist

**The Gospel According to the Novelist** Magdalena Maczynska, 2015-08-27 Why have so many prominent literary authors from Philip Pullman and Jos Saramago to Mich le Roberts and Colm T ib m recently rewritten the canonical story of Jesus Christ What does that say about our supposedly secular age In this insightful study Magdalena Maczynska defines and examines the genre of scriptural metafiction novels that not only transform religious texts but also draw attention to these transformations In addition to providing rich examples and close readings Maczynska positions literary studies within interdisciplinary debates about religion and secularity Her book demonstrates a surprising turn of events even as contemporary novelists deconstruct the traditional categories of secular and sacred writing they open up new spaces for scripture in contemporary culture

**Evil Gods and Reckless Saviours** Timo Eskola, 2011-09-09 Late twentieth century Jesus novels carve out a completely new picture of Jesus Those written by Norman Mailer Jose Saramago Michele Roberts Marianne Fredriksson and Ki Longfellow among others provide inversive revisions of the canonical Gospels Their adaptations often turn into a critique of the whole of Christian history The contrast novels investigated in this study end up with appropriations that are based on prototypical rewriting They aim at the rehabilitation of Judas and some of them make Mary Magdalene the key figure of Christianity Saramago describes God as a bloodthirsty tyrant and Mailer makes God battle the devil in a Manichaen sense as with an equal The main result of this intertextual analysis is that these authors have adopted Nietzschean ideas in their writing An attack on the so called biblical slave morality and violent concept of God deprives Jesus of his Jewish messianic identity makes Old Testament law a contradiction of life calls sacrificial soteriology a violent paradigm supporting oppression and presents God as a cruel monster As a result Jewish faith appears in a negative light Apparently Western culture still harbours anti Judaic attitudes albeit hidden beneath sentiments of equality and tolerance Timo Eskola skillfully shows that despite the evident post Holocaust consciousness present in the novels they actually adopt an arrogant and ironic refutation of Jewish beliefs and Old Testament faith
