Gospel Over the Andes Roger S. Winans, 1955 *The View from the Grass Roots - Another Look* Gregory J.

Rummo, 2010-04 Confidently recommended reading *The View from the Grass Roots* is filled from cover to cover with keen insights profound thoughts and a deep and diverse understanding of the human condition Midwest Book Review Rummo is uniquely qualified It is clear from the quality of his writing that he has been at this for quite a while Plenty of exercise for the mind and soul Willard Samuel Adjunct Scholar at Frontiers of Freedom Greg Rummo is a great writer and a great human being facts that shine like precious stones in his prolific output I have trouble not hating him for his talent and energy Joe Klock Sr Author and Syndicated Columnist Greg Rummo is one of my heroes His book masterfully gives a cohesive view of liberal politics and biased media and the impact they have on the American culture And he does it with engaging evidence Thomas Ciesielka TC Public Relations By approaching the latest public issues from the angle of religion informed by Christianity Gregory Rummo offers an attractive corrective to the assumptions often underlying coverage of stories in mainstream print media His unashamed point of view can be infuriating for example to state his case he often sets up so called liberals as targets then dismantles them by his arguments it is a facile device But there is much merit to what he says And he is never mean Which is high praise indeed Charles Saydah Letters to the Editor *The Record* *Biographical Dictionary of Christian Missions* Gerald H. Anderson, 1999 The book also features cross references throughout a bibliography accompanying each entry an elaborate appendix listing biographies according to particular categories of interest and a comprehensive index BOOK JACKET *The View from the Grass Roots* Gregory J. Rummo, 2002 *The View from the Grass Roots* is an anthology of 192 columns written over the last decade by award winning New Jersey opinion columnist Gregory J Rummo Writing for a number of newspapers Rummo s columns cover a broad range of topics examining each issue with a fresh down to earth perspective Whether writing about family life or the demise of America s Judeo Christian heritage he is blunt and to the point You will never have any doubt where he stands on an issue His opinion columns appear in a number of newspapers including *The Daily Record* *The Weekly News* *The Herald News* and *The New Jersey Herald* His column *An Evangelical View* appears regularly in *The Record of Hackensack* **Music and Power in Early Modern Spain** Timothy M. Foster, 2021-11-29 This book explores the representation of music in early modern Spanish literature and reveals how music was understood within the framework of the Harmony of the Spheres emanating from cosmic harmony as directed by the creator The Harmony of Spheres was not ideologically neutral but rather tied to the earthly power structures of the Church Crown and nobility Music could be true taking the listener closer to the divine or false leading the listener astray As such music was increasingly seen as a potent weapon to be wielded in service of earthly centers of power which can be observed in works such as vihuela songbooks the colonial chronicle of the Inca Garcilaso de la Vega and in the palace theater

of Pedro Calder n de la Barca While music could be a powerful metaphor mapping onto ideological currents of imperial Spain this volume shows that it also became a contested site where diverse stakeholders challenged the Harmonic Spheres of Influence Music and Power in Early Modern Spain is a useful tool for upper level undergraduates postgraduates and scholars interested in musicology music history Spanish literature cultural studies and transatlantic studies in the early modern period

The Seminal Gospel George Kimmich Beach,2013-05-17 All that we know of Jesus and his original message is derived from a few ancient texts among which the Gospel According to Mark is particularly fascinating and often perplexing Mark the shortest of the four Gospels of the New Testament came first and planted the seeds of thought from which the Christian tradition has grown We gain insight into the Gospel as we begin to let go of assumptions rooted in long familiarity The Seminal Gospel is an exploration of Mark and an extended personal reflection on what his telling of the story of Jesus can mean to us today It reproduces the King James Version of Mark s text in forty chapters providing commentary that is explanatory and insightful It draws broadly on the author s literary historical and theological interests
