Eden Project In Search Of The Magical Other:

The Eden Project James Hollis, 1998 James Hollis examines society's fixed views and fantasies in regards to relationships This text is not a practical guide on how to fix a relationship but rather a challenge to greater personal responsibility a call for individual growth as opposed to seeking rescue through others

Soulcraft Bill Plotkin, 2010-10-05 Since 1980 depth psychologist Bill Plotkin has been guiding women and men into the wilderness the redrock canyons and snow crested mountains of the American West but also into the wilds of the soul He calls this work soulcraft There's a great longing in all people to uncover the secrets and mysteries of our individual lives to find the unique gift we were born to bring to our communities and to experience our full membership in the more than human world This journey to soul is a descent into layers of the self much deeper than personality a journey meant for each one of us not just for the heroes and heroines of mythology A modern handbook for the journey Soulcraft is not an imitation of indigenous ways but a contemporary nature based approach born from wilderness experience the traditions of Western culture and the cross cultural heritage of all humanity Filled with stories poems and guidelines Soulcraft introduces over 40 practices that facilitate the descent to soul including dreamwork wilderness vision fasts talking across the species boundaries council self designed ceremony nature based shadow work and the arts of romance being lost and storytelling

Prisms James Hollis, 2021-02-01 Prisms Reflections on the Journey We Call Life summarizes a lifetime of observing engaging and exploring why we are here in service to what and what life asks of us These eleven essays all written recently examine how we understand ourselves and often we have to reframe that understanding the nature and gift of comedy the imagination desire as well as our encounters with narcissism and aging James Hollis Ph D a Jungian Analyst in Washington D C explores the roadblocks we encounter and our on going challenge to live our brief journey with as much courage insight and resolve as we can bring to the table

Alchemy Clare Martin, 2021-02-05 An alchemical approach seeks to release the latent potential which resides within the individual and within the cosmos There was never any question that the work of the alchemists depended upon a knowledge of the planets and their cycles since alchemical transformations could only be successful if carried out at the astrologically appropriate times This book has been steadily fermenting and evolving for over twenty five years and as such it represents a true alchemical process It has gone from being an idea to a passion and then a project and now it is a fully fledged book Learn firstly about the mystical process of alchemy and then discover how it deepens our understanding of the transits of the outer planets to the natal chart A fascinating book that deserves a place in every astrologer's library Clare Martin has an MA in Integrative Psychotherapy and has been a practising astrologer and teacher since 1990 working in London for the Faculty of Astrological Studies of which she was President for nine years and at the Centre for Psychological Astrology Her personal approach to astrological interpretation is fundamentally Jungian and evolved during a long period of studying with a variety of teachers in the western mystery traditions Clare now lives in Dorset where she continues her writing and consultancy

work and is a tutor on the Mercury Internet School of Psychological Astrology

The Art of Decision Making Joseph Bikart, 2019-07-09 Drawing insights from philosophy psychology literature and theology a longtime executive business coach explores how and why we make the decisions we do What is it that makes some of us better or worse than others at committing to a choice What are the forces that hold us back and how can we successfully overcome them Every facet of our lives depends on the decisions we make Yet how often do we pause to reflect on our ability to make the best and smartest choices The key is how we confront and refine the decision making process Here Joseph Bikart explores the intricacies of decision making challenging us to understand why we make the choices we do He explores how the true power of decisions especially the toughest among them help us to face our fears and may in turn change how we think about ourselves Breaking his study into four clear parts and short practical essays Bikart presents a lively and compelling exploration of the process of decision making He covers Indecision Indecision What makes us indecisive What holds us back and why Where Art Thou How and where we get stuck and the importance of relaxing one's grip The Momentum of Decisiveness Keeping our focus and proactivity The Deciding Mind Making our smartest choices Drawing from such different fields as philosophy psychology neurology literature art history and theology The Art of Decision Making takes us on a journey from the depths of procrastination to the elation of decision making Presenting a fresh perspective on what to do at the proverbial fork in the road Bikart's unique philosophy is insightful thought provoking and potentially life changing

[The Routledge Companion to Happiness at Work](#) Joan Marques, 2020-10-22 An unprecedented and important reference work this research companion covers a range of aspects of happiness an aim everyone aspires to achieve yet can be easily overlooked in today's demanding and multi-challenged world or confused with a plethora of quantifiable or career goals This book helps readers to internalize happiness form a healthy opinion about this emotion and detach it from external factors that can only cause temporary discomfort or delight A group of expert authors considers happiness within three critical realms internally interactively and work related Their thoughtful contributions approach happiness from a multiplicity of angles and present a full spectrum of backgrounds and perspectives to consider based on a wide range of circumstances personal and professional This companion will be valuable for researchers students and coaches whether they seek input for future theory development or motivation for performance in personal and professional life

[Sovereign Love](#) Dené Logan, MFT, 2024-05-28 From couples therapist Den Logan comes a new perspective on understanding our inner masculine and feminine energetics as the key to experiencing fulfillment in our partnerships Does something feel off about your intimate relationships If you haven't been able to pin down exactly what you aren't alone While attempting to connect the dots of her own experience to the patterns she observes within the relationships of her clients couples therapist Den Logan came to a vital understanding in the search for relational fulfillment the answer often lies in the inherent interplay of the masculine and feminine energy that everyone possesses Both masculine and feminine polarities are present in every person and relationship When we're out of touch with

the energetics within ourselves and those around us it can create an internal struggle and sense of disharmony in our partnerships Understanding these dynamics is the key to ending the unspoken war of the sexes that plays out far too often in our relationships Logan says Thankfully we have the power to work with these polarities first within ourselves and then within our relationships In *Sovereign Love* Logan helps us understand how to integrate masculine and feminine energetics so we can move away from the codependent transactional views of what relationships should be toward an interdependent mutually balanced state where both partners are present self aware and strong in Self Here you ll discover What energetics you ve been operating from and why The polarities that are being created in your partnerships How to take personal responsibility for shifting your own energy to a more integrated place Logan shares revelations and techniques to support you in experiencing the wholehearted satiating kind of love that is rooted in self awareness and interdependence By unpacking the historical cultural and highly individual reasons why we love the way we do she explains we can understand our motivations and consciously choose to love in a way that serves our growth our values and our personal sovereignty

Compassionate Love in Intimate Relationships Josiane M. Apollon, 2021-12-29 Drawing on interviews conducted with Black couples in the United States this book explores relational resilience and identifies unique adaptation strategies that enable couples to overcome the multigenerational effects of violence and sexual mass trauma from slavery and activates compassionate love in flourishing relationships By applying Appreciative Inquiry AI methodology and family systems theory the book captures the spiritual emotional and sexual dimensions in Black couple systems that gives meaning to their resilient relationships in the context of contemporary America Within the framework of compassionate love the book highlights the need for researchers and clinicians to include the broader cultural contexts in their sexual trauma informed studies and interventions Using genetic studies and empirical evidence the volume contributes significantly to discussion around Black relationships and historical trauma and to the broader challenges within race relations in the United States This book will benefit researchers academicians and clinicians with an interest in sexual trauma marriage and family therapy and couples counseling more broadly Readers will also find this book useful when designing research in Black studies intergenerational issues or sexual intimacy

Where Wonder Lives Fabiana Fondevila, 2020-12-29 Take a journey by map through your inner landscape to discover a life of awe enchantment and radical aliveness Explains how experiencing awe and wonder can transform our lives leading us to feel more satisfied peaceful and open to others Offers contemporary and time honored practices from mindfulness to dreamwork and working with plants that help you reconnect with Nature and your imagination open your heart and find vitality and enchantment Explores ways of examining and embracing our shadow deepening our relationships and creating meaningful personal rituals *Where Wonder Lives* invites you on a journey an expedition through your own inner landscape to reawaken to the mystery of life The travels are by way of an imaginary map through 9 distinct territories In each you explore the terrain then are led to a rich set of contemporary and time honored practices from

mindfulness to dreamwork cloudscares and working with plants that help you rebuild a life of vitality connection and enchantment There is no prescribed order in which to explore the map Rather the invitation is to begin at the territory that calls to you or perhaps that which is most challenging Each territory reflects and amplifies the others and you will instinctively arrive at the practices that you need most The Jungle delves into our original deep kinship with Nature and helps you rekindle your inner wildness The Garden takes you on a journey through your senses and the River unfurls your imagination The Mountaintop presents a bird s eye view of your life while the Swamp delves into your inner shadow and delivers gold The Village helps us deepen our bonds and relationships the Lighthouse teaches us to quiet our minds and the Fire inspires us to create meaningful ceremonies and personal rituals The Ocean looks into the topography of the heart and offers practices to awaken the heart s most powerful emotions awe joy compassion gratitude and love the mother of them all Throughout the journey you are immersed in a world of wonder and awe discovering new possibilities for learning and expansion in ordinary life Face to face with the mystery of life Where Wonder Lives makes you feel at once both infinitely small and part of a vast unfathomable universe all while helping you to see the world anew *A Life of Meaning* James Hollis, Ph.D.,2023-07-25 A Masterful Author and Jungian Analyst Examines the Qualities That Bring Meaning to Our Human Journey What is it that brings meaning to your life Our culture tells us to seek wealth power prestige or even enrollment in someone else s idea of a worthy cause yet where do we turn when these paths fail to fulfill our need for purpose When the old stories and beliefs that once defined us have played out and grown exhausted teaches Dr James Hollis our task is to access our inner compass the promptings of the psyche that help us find our way through the complex thickets of choice A Life of Meaning is Hollis s profound exploration of the nature of meaning and how we can orient toward it or away from it with the choices we make Hollis offers an examination of myth literature historical figures and the wisdom of depth psychology that provides penetrating insight into the search for purpose Join him to explore How even cherished narratives splinter and lose potency over time Why dreams are windows into your internalized patterns and base assumptions How to excavate and understand your earliest most foundational beliefs The power of fear and how it shapes unconscious reactions Recognizing and rising to the occasion of a summons of the soul How to anchor yourself during times of uncertainty and change Why it s important to be aware of and closely examine your shadow How to reckon with old feelings of shame betrayal resentment and regret We all have to discover our own sense of meaning No one else can do it for us In A Life of Meaning Hollis offers no easy answers or feel good certainties instead he shares his most valuable questions and reflections to help you find the courage persistence and inspiration to navigate your own odyssey It s humbling work this process of getting our lives back he teaches Yet I submit to you that s worth the price of the ticket for in the journey our lives become ever more luminous
