contained more than a description of who the Essenes were and their purpose in bringing the Christ into the earth he gave us details about their lives and past lives Many of these Essenes reincarnated during Cayce s time and received readings that revealed their souls including their purposes then and now What can we learn from these readings and the reincarnation of the Essenes There is so much about our origin our soul group and the purpose for which we are here on earth today in this latest book that it is like having a manual for soul growth Ideals practices and guiding principles held by these ancient ones are as valuable to us today as they were then *Edgar Cayce on Prophecy* Mary Ellen Carter,Doris Agee,W.
