*Six Contemporary French Women Poets*, 1997

Although many practice the art contemporary French women poets generally have been vastly underrepresented in periodicals and anthologies In the only anthology to feature avant garde French women poets exclusively Gavronsky shows how Kaplan Grangaud Portugal Lapeyre Giraudon and Risset differ from their American counterparts Before presenting his translations of the poems Gavronsky gives each poet the opportunity to define herself in terms of major influences on her poetry distinctive traits in her writing major themes in her work and the influence of gender on her art The poets also speculate about the relative underrepresentation of women poets in French periodicals and anthologies as well as about the form poetry might take in the twenty first century The poems in this volume are simultaneously delightful informative and

**Bryn Mawr College Calendar** Bryn Mawr College, 1919 **Reexamining World Literature** Richard Serrano, 2020-01-23 Serrano calls for a reassessment of the practice of World Literature with six case studies taken from the Arabic Chinese French German Korean and Latin American traditions Although in recent years the field has adopted more inclusive and wide ranging criteria for college level anthologies of World Literature and has seen the collection and publication of critical readers book length introductions and even a history the theoretical predisposition of most of its practitioners paradoxically has led to a shrinking of its horizons and a narrowing of its vision Reexamining World Literature
