**A Little Girl Who Survived the Last World War** Liesbeth Bauer Deem,2019-02-08 Much of my childhood memories prevail in my mind I remember every daunting occurrence that restricted or spoiled my youthful enjoyment It could be because my early upbringing in Germany was during the worst of times in the last century the last World War That wartime was so testing that a small child like me could mature faster to withstand the challenges of staying alive I survived the brutal war in the caring hands of Mama as a refugee with hunger sickness and ever changing natural hardships My memories go back to my Papa a high ranking Nazi officer who had no respect for his wife and his little girl my brother who was born a Hitler baby and whom Papa cherished Irmgard Mama s Jewish girlfriend that she hid from the Nazi s including from Papa my loving Grandpa and his discomfoting second wife who lived on a beautiful farm bordering a green forest close to where my aunt and cousins lived The war fragmented us apart I consider it a miracle to have lived and grown through that brutal war surviving to tell the story to the present generation My journey to America was paved by the outcome of the war itself Leaving my memories behind I entered into a new world with my loving husband beside me I thrived and climbed mountains to succeed to make all things possible It made me become the person I am today **Escape Into Darkness** Sonia
