

A black and white photograph of a modern building. On the right, a wall made of large, rectangular stone blocks is visible. To its right is a glass door or window with a metal frame. On the left, a bare tree stands in front of a light-colored wall. The ground is dark and textured. The overall scene is minimalist and architectural.

 housing are no longer dominated by standardized solutions and stylistic attitudes They derive mainly from their occupants  
 widely varying lifestyles so new principles for advanced spatial solutions have emerged very recently The present basic work  
 presents innovative ways of living in over 100 realized buildings The examples extend from cost optimized minimal housing  
 via classical detached family houses and lavishly furnished villas to high density detached and terraced homes in the city and  
 on the outskirts These novel Living Plans are analysed using elaborate new drawings of the ground plans sections and spatial
