Mulcahy,2008-03-27 Liberal education has long been a fascination for scholars in a variety of disciplines and is closely associated with the idea of the educated person Seen at one time as a matter for colleges and universities over the years it has become central to the debate surrounding general education in high school and even the earlier grades Yet so many and varied are the uses of the term liberal education that the question arises of whether and how the idea is any longer a useful or helpful construct In what way might it speak helpfully to educational challenges we face today In what ways does it still speak helpfully to educational challenges we face today In what ways might it be a guide as we search for a better way forward These are the central questions that are addressed in this book In doing so the positions of three theorists John Henry Newman Mortimer J Adler and Jane Roland Martin who have written about liberal education in a compelling way and from different perspectives are selected for close analysis The analysis is built upon to fashion a new ideal of the educated person and a new theory of liberal education **New York School Journal** ,1901 Whole Person Education in East Asian Universities Benedict S. B. Chan,Victor C. M. Chan,2021-09-08 This book provides much new thinking on the phenomenon of whole person education a phenomenon which features strongly in East Asian universities and which aims to develop students intellectually spiritually and ethically to master critical thinking skills to explore ethical challenges in the surrounding community and to acquire a broad based foundation of knowledge in humanities society and nature The book considers different approaches to whole person education including Confucian Buddhist and Chinese perspectives Western philosophy and religion and interdisciplinary approaches Overall the book provides a comprehensive overview of whole person education why it matters and how to implement it Moreover although the examples in the book are from East Asia the discussion and the values involved are universal important for the whole world **Curriculum and Aims** Decker F.
