

A photograph of two young students, a girl in the foreground and a boy in the background, both focused on a task at a table. The girl, with dark hair, is wearing a light blue shirt and is looking down intently at her hands. The boy, with light brown hair, is wearing a red shirt and is also looking down. They appear to be working on a project together, possibly a craft or a science experiment, as they are using their hands to manipulate something on the table. The background is slightly blurred, emphasizing the students and their work.
