## Confusion to the Enemy

LEON ODELL GRIFFITH

In the span of Florida business and political history no man has made a deeper mark on the state than Edward Ball. He came to Florida half a century ago, built an empire from the foundation started by his brother-in-law Alfred I. duPont, and nurtured that empire through political criticism, tangles with American labor, and countless legal attacks. Today at 86, there is still probably no more powerful man breathing Florida air than Ed Ball. This book tells how he did it. A rare insight into the life of a unique man.
