Edge Of God:

Just the Edge of God Ardith Arnelle Price, 2015-05-05 Take the journey from knowing Almighty God to seeking a meaningful relationship with Jehovah The publication provides real life examples to ponder Scriptural verses to help bond a relationship with Jesus Christ More Scriptures and references for the curious individual The book inspires hesitant individuals who have yet to devote themselves to Christ and uncertainties still linger concerning his teachings to pursue a more elevated standard of truth seeking **EGO: "Exalt God Only or Edge God Out?"** J. Glenn Linthicum, 2024-07-18

Christian believers are called to exalt God in each decision they make and in the manner in which they safeguard their covenant relationships When His people are obedient to His Word local congregations and interpersonal relationships thrive However when His people intentionally disobey His Word they edge God out and relationships suffer and the witness is diminished Through real life stories and illustrations the author shares examples of the pleasing witness which stands in contrast to the witness that hinders the Gospel There are solutions to slow and even stop the decline and God's Word shows the way God at Your Wits' End Marilyn Meberg, 2007-05-13

The good news about being at our wits end is that God meets us there To be human is to spend some time at our wits end in confusion desperation pain and fear In that difficult place we long for a tangible visible sign that God hears our cries and is actively working for good in our lives But all too often faulty thinking erodes our faith and alters our beliefs causing us to ask If He loves me so much why do I hurt so much Am I being punished I thought I was forgiven Why is faith so hard What if I don't have enough Why does God allow suffering In God at Your Wits End Marilyn Meberg helps us cut through the mental clutter and confusion that lead to faulty thinking and shaky faith She tenderly acknowledges our trials by revealing her own wits end experiences then she points the way to rescue and respite by sharing the scriptural truths of God's enduring love and sovereign power **Faith on the Edge** Paul

Tokunaga, Kevin Blue, Amy Brooke, Robbie Fox Castleman, Bobby Gross, Jon Tran, 2009-09-20 Do you want to live for Jesus but struggle with what that means day by day The deep desire of our hearts to be close to God is so easily sidetracked by daily realities This book is designed to cover the areas of faith and life that you most want to bring together under God's leadership decision making dating and relationships racial reconciliation suffering experiencing God loving your parents emotional healing time management everyday evangelism hope for times of failure Following Jesus is a wild and wonderful journey It is perhaps the riskiest choice you will ever make And the most rewarding Come and see Secrets of the Most Holy Place, Vol. 2 Don Nori, 2011-07-28 Heaven is my destination but it is not my destiny Many will reach their destination but few will achieve their destiny Prophetic parable matures into prophetic reality as His presence draws us into the realm of all God Here what we believe becomes what we experience and what we know becomes flesh in mere mortal man When we leave Egypt we leave the bondage we hate but when we leave the wilderness we must leave the sin we crave But He will not condemn what He has redeemed His Blood covers us until His Power delivers us This book is not for the casual reader It is

for those who hunger not for education but for reality not for religion but for Him The world awaits the love of a people who know they are forgiven

In the End, God . . . John A. T. Robinson, 2011-01-01 Eschatology is the explication of what must be true of the end both of history and of the individual if God is to be the God of the biblical faith All eschatological statements can finally be reduced to and their validity tested by sentences beginning In the end God J A T Robinson The God revealed in Israel's story is the Lord of history a God with good purposes for his creation and a God capable of bringing those purposes to pass All biblical eschatology arises from this fundamental theological insight If God is this God then what shape must the future have John A T Robinson explores biblical eschatology with an eye both to the text and to contemporary culture Revealing the foundation of eschatology to be the experience of God by the community of faith he calls readers to embrace the eschatological vision of the Bible but to do so in a way that is alert to its mythic character In the course of these explorations Robinson also lays bare his own theology of universal salvation But contrary to what one may expect this universalism is one that seeks to take both human freedom and the reality of hell with the utmost seriousness This special edition of John A T Robinson's classic text also includes a debate between Robinson and Thomas F Torrance played out across three articles from the Scottish Journal of Theology in 1949 an extended introduction by Professor Trevor Hart University of St Andrews Scotland and a foreword by Gregory MacDonald author of The Evangelical Universalist

The Only Wise God William L. Craig, 2000-01-13 Does God know our actions before we do them And if so do human beings truly have free will Dr Craig contends that both of these notions are compatible showing how the Bible teaches divine foreknowledge of human free acts and reveals two ways of reconciling divine omniscience with human freedom

Acting Out and Sin Henry Kellerman, 2022-10-04 This brief treatise explores the common threads to psychoanalytic thought and theological theory It uses a psychoanalytic lens to examine Judeo Christian concepts of individual will consciousness and the unconscious and the apparent confounding idea of sin What is new is that the definition of sin is revealed as a psychoanalytic translation of acting out Focusing on the behavior of acting out it illuminates ideas that are part of Western cultural tradition providing insights to those interested in the psychology and its history and philosophy As such it is a highly relevant work for psychologists psychiatrists and psychoanalysts as well as for a comparative study of psychoanalytic and theological intersecting structures

Liahona, 1909 *Grace, Predestination, and the Permission of Sin* Taylor O'Neill, 2019 *Grace Predestination and the Permission of Sin* seeks to analyze a revisionist movement within Thomism in the 20th century over and against the traditional or classical Thomistic commentatorial treatment of physical premotion grace and the permission of sin especially as these relate to the mysteries of predestination and reprobation The overarching critique leveled by the revisionists against the classic treatment is that Bañezian scholasticism had disregarded the dissymmetry between the line of good God's causation of salutary acts and the line of evil God's permission of defect and sin The teaching of St Thomas is explored via intimate consideration of his texts The thought of St Thomas is then compared with the work of Domingo Báñez and the foremost Bañezian of the 20th century Reginald Garrigou Lagrange The work then shifts to a consideration of the major players of the revisionist treatment including Francisco Marín Sola Jacques Maritain and Bernard Lonergan Jean Herve Nicolas is also taken up as one who had held both accounts during his lifetime The work analyzes and critiques the revisionist theories according to the fundamental tenets of the classical account Upon final analysis it seeks to show that the classical account sufficiently distances God's causal role in regard to free salutary acts and His non causal role in regard to free sinful acts Moreover the revisionist account presents significant metaphysical problems and challenges major tenets of classical theism such as the divine omnipotence simplicity and the exhaustive nature of divine providence Finally the implications of the traditional view are considered in light of the spiritual life It is argued that the classical account is the only one which provides an adequate theological foundation for the Church's robust mystical and spiritual tradition and in

particular the abandonment to divine providence God and Time Gregory E. Ganssle, David M. Woodruff, 2002 This is a collection of previously unpublished essays written by leading philosophers about God's relation to time The essays have been selected to represent current debates between those who believe God to be atemporal and those who do not **Early Latin Theology** Bernard J. F. Lonergan, Lonergan Research Institute, 2011-01-01 entirety to contemporary readers Book Jacket **God Under Fire** Zondervan, 2009-12-15 God Never Changes Or does he God has been getting a makeover of late a reinvention that has incited debate and troubled scholars and laypeople alike Modern theological sectors as diverse as radical feminism and the new open theism movement are attacking the classical Christian view of God and vigorously promoting their own images of Divinity God Under Fire refutes the claim that major attributes of the God of historic Christianity are false and outdated This book responds to some increasingly popular alternate theologies and the ways in which they cast classical Christian theism in a negative light Featuring an impressive cast of world class biblical scholars philosophers and apologists God Under Fire begins by addressing the question Should the God of Historic Christianity Be Replaced From there it explores issues as old as time and as new as the inquest into the openness of God How for instance does God risk relate emot and change Does he do these things and if so why These and other questions are investigated with clarity bringing serious scholarship into popular reach Above all this collection of essays focuses on the nature of God as presented in the Scriptures and as Christians have believed for centuries God Under Fire builds a solid and appealing case for the God of classical Christian theism who in recent years as through the centuries has been the God under fire *The Power of God* , Lead Like Jesus Revisited Ken Blanchard, Phil Hodges, 2016-04-19 The more I read the Bible the more evident it becomes that everything I have ever taught or written about effective leadership over the past 25 years Jesus did to perfection He is simply the greatest leadership role model of all time Effective leadership whether on the job in the community at church or in the home starts on the inside In this revised classic renowned leadership expert Ken Blanchard guides you through the process of discovering how to lead like Jesus Before you can hope to lead anyone else you must know who you are Every leader must answer two critical questions One deals with your relationship to Christ The other with your life purpose Whose are you going to be Who are you going to be Learning to lead like Jesus can be described as the process of aligning two internal domains the heart and the head and two external domains the hands and the habits These four dimensions of leadership form the outline for this very practical and transformational book from which you will learn how to Integrate your faith with your role and responsibility as a leader Identify your priorities Build your relationship with God in a new and personal way Move from success to significance Lead out of service rather than self interest Put the love of Jesus into action With simple yet profound principles from the life of Jesus and dozens of stories and leadership examples from his own life Ken Blanchard once again shows us the way effective leaders lead *Abraham--God's Brave Explorer* Kay Arthur, Janna Arndt, 2003-03-01 This exciting addition to Kay Arthur and Janna Arndt's Discover 4 Yourself Inductive Bible

The Character of God Thomas E. Jenkins, 1997-12-04 Educated people have become bereft of sophisticated ways to develop their religious inclinations A major reason for this is that theology has become vague and dull In The Character of God author Thomas E Jenkins maintains that Protestant theology became boring by the late nineteenth century because the depictions of God as a character in theology became boring He shows how in the early nineteenth century American Protestant theologians downplayed biblical depictions of God's emotional complexity and refashioned his character according to their own notions stressing emotional singularity These notions came from many sources but the major influences were the neoclassical and sentimental literary styles of characterization dominant at the time The serene benevolence of neoclassicism and the tender sympathy of sentimentalism may have made God appealing in the mid 1800s but by the end of the century these styles had lost much of their cultural power and increasingly came to seem flat and vague Despite this both liberal and conservative theologians clung to these characterizations of God throughout the twentieth century Jenkins argues that a way out of this impasse can be found in romanticism the literary style of characterization that supplanted neoclassicism and sentimentalism and dominated American literary culture throughout the twentieth century Romanticism emphasized emotional complexity and resonated with biblical depictions of God A few maverick religious writers such as Harriet Beecher Stowe W G T Shedd and Horace Bushnell did devise emotionally complex characterizations of God and in some cases drew directly from romanticism But their strange and sometimes shocking depictions of God were largely forgotten in the twentieth century's use of theological as a pejorative term implying that an argument is needlessly Jenkins urges a reassessment of their work and a greater understanding of the relationship between theology and literature Recovering the lost literary power of American Protestantism he claims will make the character of God more compelling and help modern readers appreciate the peculiar power of the biblical characterization of God
