Edge Of Nowhere:

The Edge of Perfection Laura Bratcher Goins,2023-04-24 I prayed for the orphans every day almost every waking moment I envisioned their sweet faces After two long years Anna s dream to start an orphanage in Lazy Spring finally came true The wide white porch was meticulously swept and gray pots overflowing with red and white flowers graced each side of the red front door The sign above the door simply read Home Everything seemed perfect until the unthinkable happened which forced Anna to come to grips with something she couldn t change Anna Mrs McAfee and the Monroe family return in this third and final book following The Edge of Nowhere and The Edge of Despair where Luke and Anna make decisions that not only impact their future but also of everyone in Lazy Spring and Finley Valley Lazy Spring elects their first mayor who not only wears a big black cowboy hat but also has an attitude just as big while Mrs McAfee welcomes a visit from her niece Tori who has experienced a life changing tragedy And along the way Tori and Anna discover they have something very special in common and together they search for relief from situations that can t change But when Emily Lane shows up in Lazy Spring with two orphan children and Luke Monroe finally steals Anna s heart Anna sets aside her difficulties and focuses on helping not only these orphans but also many more Love hope and restoration abound when faith and commitment overcome the unchangeable Living Life Fully Bill Karelis,2013-01-08 We are all imprisoned by the projections of our

self expression reaching for authenticity while trying to keep the words from suffering to rhyme inner struggles and perseverance the daily fight to survive the battle with depression and a deep dark look into the loss of hope and the journey to find it again It is a call a striving to be who you are to embrace your voice despite the judgment of others It is a consideration of the passage of time and the desire to not die quiet to leave something that lets the future know you were here and to contribute a verse This is Jason s first published piece of fiction and his latest contribution to the powerful play

This Woman in Particular Stephanie Kirkwood Walker,2010-01-27 What happens when an individual becomes the subject of many and divergent portraits Biography says Stephanie Kirkwood Walker is a deceptive genre Positioned between fact and fiction and elusive in its purposes biography displays an individual life an existence patterned by conventions that have also shaped the reader s experience In This Woman in Particular Walker explores versions of Emily Carr s life that have appeared over the last half century Walker contends that the biographical image of Emily Carr that emerges from an accumulation of

biographies films plays and poetry as well as her own autobiographical writing establishes an elaborated cultural artefact an image that is bound by its very nature to remain forever incomplete and always elusive She demonstrates how changes in Carr s biographical image parallel the maturing of Canadian biographical writing reflecting attitudes toward women artists and the shifting balance between religion secular attitudes and contemporary spirituality And she concludes that biography plays a crucial role in all our lives in initiating and sustaining debate on vital personal and collective concerns Edge of Trust Diana Layne,2015-11-15 What if there was a technology so scary reality seemed like your worst nightmare No going back Burned spy Tasha Shivko must rescue her brother from a Siberian prison and the only person who can help is her former partner Matt Kincaid But Matt once himself held captive in a Siberian prison has no intention of returning to that God forsaken place An evil plot Before his arrest Tasha s brother managed to smuggle information out of Russia about a terrorist plot using a nanovirus developed by a dirty scientist Code name Zombie Virus when injected it leaves its victims helpless to resist any command The clock is ticking Learning of the imminent terrorist threat ex FBI agent turned spymaster Dave Armstrong realizes Tasha s brother has critical information vital to thwart the plot Dave entices Matt to join them and also pulls in Mafia princess Marisa Peruzzo who is now a reluctant mob boss Marisa s job set up a deal with a Russian mobster who has the contacts they need to set their trap Marisa isn t that hard to convince unbeknownst to Dave she has her own vendetta Will they succeed From New York to Russia from Alaska to Siberia as they work to unravel the terrifying plans of an intricate criminal network the small but loyal team is pushed to the Edge of Trust Click buy now to continue the journey Or still undecided Scroll down to read an excerpt EXCERPT The MiG came into sight Niko saw it first MiG s on our tail Thanks for that Matt put the small aircraft into a dive Tasha s stomach dove with it Matt flew as close to the ground as he could staying just high enough to miss the trees If they were shot down at least they wouldn t have far to crash Not flying in a straight line Matt weaved in and out the top branches of the trees up and down using military strafing maneuvers Tasha felt like she was on a roller coaster The MiG flying at a speed much faster than the small plane flew over them Dave send those coordinates yet Matt asked Tasha checked her phone No not yet Now the MiG was now coming straight at them Let s play chicken Tasha suggested Crazy woman Matt shook his head But smart Hang on He pulled back on the yoke and the airplane rose at an alarming rate pressing Tasha back into her seat Um I was just joking You know my sense of humor The plane kept gaining altitude until the MiG was directly in their line of sight Matt Sarcasm It was only sarcasm I wasn t serious If the pilot gets over the shock he s going to blow us out of the sky Tasha could imagine bullets ripping through the windshield He s got to get over the shock first Matt said He didn t waiver but flew steadily toward the MiG Little plane facing off with big bad ass military jet Tasha couldn t imagine a scarier sight What the hell Are you going to wait until you can see the white of his eyes Matt laughed crazily enough seeming to enjoy himself Flashbacks from his military days perhaps Going down He put the plane into another sharp dive Down down down He was so focused his face looked like a granite statue The MiG shot over

Church on the Edge of Somewhere George B. Thompson Jr.,2007-11-19 Most congregations today exist in what George Thompson calls the middle of anywhere They live comfortably with their surrounding culture focusing their energies on serving the needs of their current members These congregations have many strengths and gifts that they can exercise without changing a thing But Thompson envisions a deeper more prophetic call for congregations to explore the meaning of being in the world but not of it a church on the edge of somewhere Thompson sees a church that is deeply engaged in ministering to the community while calling on others to commit to doing the same By analyzing the interaction between a congregation s focus of identity and their stance with the world Thompson has created a helpful grid for congregations to place themselves on today s cultural map A congregation that sees itself as existing on the margins of society will look different than one that sees itself as embedded in society A congregation that hears a call to serve the surrounding community will look different from one that focuses on its internal needs Knowing where they stand now is the key for congregations to discover where they must go in the future to fully live out their call to be God s people in the world

Black to Nature Stefanie K. Dunning,2021-04-22 In

Black to Nature Pastoral Return and African American Culture author Stefanie K Dunning considers both popular and literary texts that range from Beyonc s Lemonade to Jesmyn Ward s Salvage the Bones These key works restage Black women in relation to nature Dunning argues that depictions of protagonists who return to pastoral settings contest the violent and racist history that incentivized Black disavowal of the natural world Dunning offers an original theoretical paradigm for thinking through race and nature by showing that diverse constructions of nature in these texts are deployed as a means of rescrambling the teleology of the Western progress narrative In a series of fascinating close readings of contemporary Black texts she reveals how a range of artists evoke nature to suggest that interbeing with nature signals a call for what Jared Sexton calls the dream of Black Studies abolition Black to Nature thus offers nuanced readings that advance an emerging body of critical and creative work at the nexus of Blackness gender and nature Written in a clear approachable and multilayered style that aims to be as poignant as nature itself the volume offers a unique combination of theoretical breadth narrative beauty and broader perspective that suggests it will be a foundational text in a new critical turn towards framing nature within a cultural studies context
