The background is a composite image. The top half features a classical profile of a man's head, possibly a philosopher or leader, rendered in a light blue, etched style. Behind the head is a faint, historical map of a region, likely the Mediterranean or North Africa. The bottom half of the image shows a landscape with green grass and a large, dark, jagged rock formation in the foreground. The title 'EDGES OF EMPIRE' is superimposed over the landscape.

do it before he strikes again In this gamebook you are the hero and this is your story **The Empires' Edge** Sasha Davis,2015 Based on a decade of research The Empires Edge examines the tremendous damage the militarization of the Pacific has wrought and contends that the great political contest of the twenty first century is about the choice between domination or the pursuit of a more egalitarian and cooperative future **Empire's Edge** Scott L. Malcomson,1995-10-17 This travel book explores the forgotten countries on the edge of the new Europe Romania Bulgaria Turkey and Uzbekistan Mixing anecdote and reportage with history and legend Malcomson teases out the long running tensions between nation and empire whether Roman Byzantine Ottoman or European By the author of Tutarani A Political Journey in the Pacific Islands

Empire's Edge Damion Hunter,2023-04-20 Loyalty to your people Loyalty to Rome Only one can remain Wonderful distinct characters Conn Iggulden Centurion Faustus Valerianus marched with Julius Agricola on his six year campaign to conquer the north of Britain With Agricola now returned to Rome Faustus is sent to Hibernia with exiled Irish prince Tuathal Techtmar to reclaim his throne to crown a new king But victory is a fleeting thing and back in Caledonia fears grow that the land won so convincingly may soon slip away Both here and across the narrow sea Rome s control and influence are at greater risk than ever before As events cascade towards a climactic devastating battle Faustus must finally come to terms with his heritage resolve his complicated love for a British woman and lay his father s shadow still stalking him from the afterworld to rest once and for all An aching poignant tale of love family and warfare in the age of Rome a must read for fans of Conn Iggulden Manda Scott and Rosemary Sutcliff **At Empire's Edge** William C. Dietz,2017-09-20 The national bestselling author of Battle Hymn delivers a high velocity sci fi thriller in which a lone lawman must take down those who would topple an empire For centuries the Uman Empire has ruled the civilized universe But not all of the alien races who were invited to join the Empire have done so willingly To deal with these alien species the Xeno Corps was formed bio engineered humans with extra sensory enhancements who can hunt down capture or eliminate all such threats to Pax Umana Jak Cato is a one of them but he s far from a perfect specimen Saddled with a dislike for authority and a penchant for self destructive behavior only his devotion to duty and sense of honor have kept him afloat in the Corps When he and his comrades are waylaid on a remote planet while transferring a lethal shapeshifting Sagathi prisoner Cato is sent into town for supplies only to end up drunk beaten and robbed But worse news awaits him when he wakes His entire detachment has been mercilessly slaughtered and the Sagathi is gone Now Cato must use all his innate skills to hunt down the fugitive and pay back the bastards who murdered his team But what he doesn t know is that his pursuit will lead him outside the law and into a shadowy world of Imperial intrigue where those who seek justice rarely get it and rarely survive A testosterone soaked tale of violent retribution Publishers Weekly Dietz writes fast paced military SF Library Journal **Resistance at the Edge of Empires** Cameron A. Petrie,2020-12-28 From 1985 to 2001 the collaborative research initiative known as the Bannu Archaeological Project conducted archaeological explorations and excavations in the Bannu region in what was then the

North West Frontier Province NWFP of Pakistan now Khyber Pakhtunkhwa This Project involves scholars from the Pakistan Heritage Society the British Museum the Institute of Archaeology UCL Bryn Mawr College and the University of Cambridge This is the third in a series of volumes that present the final reports of the exploration and excavations carried out by the Bannu Archaeological Project This volume presents the first synthesis of the archaeology of the historic periods in the Bannu region spanning the period when the first large scale empires expanded to the borders of South Asia up until the arrival of Islam in the subcontinent at the end of the first and beginning of the second millennium BC The Bannu region provides specific insight into early imperialism in South Asia as throughout this protracted period it was able to maintain a distinctive regional identity in the face of recurring phases of imperial expansion and integration *Empire on Edge* Rajeshwari Dutt,2020-03-05 Reveals how British officials attempted to understand and impose order on northern Belize during the second half of the nineteenth century **On the Edge of Empire?** Chantal Esquivias,2002 The primary objective of this research conducted in the area of Chacalapan southern Veracruz Mexico was to address the social and political development of the region during the Classic and Postclassic periods AD 300 1520 One of the main goals was to study the relations between Chacalapan and the Mexica Empire during Late Postclassic times AD 1400 1520 and to define the extent of imperial control in these borderlands Although Early Colonial period documents attest to native population of the area at the time of Spanish contact ca 1522 no appreciable Postclassic occupation was discovered archaeologically There is however ample archaeological evidence for extensive occupation during the earlier Classic period which implies a regional population decrease during the Postclassic As a result this study is a hybrid of ethnohistorical research relevant to the Postclassic period and archaeological research pertaining to the Classic period **The Villa At the Edge of the Empire** Fiona Farrell,2015-06-24 A provocative and insightful exploration of rebuilding our homes communities and cities after their devastation Where are we How did we get here Where do we go now From nineteenth century attempts to create Utopias to America s rustbelt from Darwin s study of worms to China s phantom cities this work ranges widely through history and around the world It examines the evolution of cities and of Christchurch in particular looking at its swampy origins and its present reconstruction following the recent destructive earthquakes And it takes us to L Aquila in Italy to observe another shaken city Farrell writes as a citizen caught up in a devastated city in an era when political ideology has transformed the citizen to an asset the raw material on which empire makes its profit In a hundred tiny pieces she comments on contentious issues such as the fate of a cathedral the closure of schools the role of insurers the plans for civic venues Through personal observation conversations with friends a close reading of everything from the daily newspaper to records of other upheavals in Pompeii and Berlin this dazzling book explores community the love of place and ultimately regeneration and renewal *At Empire's Edge* Robert B. Jackson,2002-01-01 When Egypt became a province of the Roman Empire in 30 BC after the deaths of Antony and Cleopatra its vast and mysterious frontier lands had an important impact on the commerce politics and

culture of the empire This account part history and part gazetteer focuses on Rome's Egyptian frontier describing the ancient fortresses temples settlements quarries and aqueducts scattered throughout the region and conveying a sense of what life was like for its inhabitants Robert Jackson has journeyed by jeep and on foot to virtually every known Roman site in the area from Siwa Oasis 45 kilometers from the modern Libyan border to the Sudan Drawing on both archaeological and historical information he discusses these sites explaining how Rome extracted exotic stone and precious metals from the mountains of the Eastern Desert channelled the wealth of India and East Africa through the desert via ports on the Red Sea constructed and manned fortresses in the distant oases of the Western Desert and facilitated the expansion of agricultural communities in the desert that eventually experienced the earliest large scale conversions to Christianity in Egypt Illustrated with many photographs the volume should be useful to archaeologists classicists and travellers to the region

The Edges of the Roman World Staša Babić, Marko Jankovic, 2014-06-12 The Edges of the Roman World is a volume consisting of seventeen papers dealing with different approaches to cultural changes that occurred in the context of Roman imperial politics Papers are mainly focused on societies on the fringes both social and geographical and their response to Roman Imperialism This volume is not a textbook but rather a collection of different approaches which address the same problem of Roman Imperialism in local contexts The volume is greatly inspired by the first Imperialism and Identities at the Edges of the Roman World conference held at the Petnica Science Center in 2012

Edges of Transatlantic Commerce in the Long Eighteenth Century Seohyon Jung, Leah M. Thomas, 2021-05-03 Edges of Transatlantic Commerce in the Long Eighteenth Century examines and challenges the boundaries of the Atlantic in the eighteenth century with a particular focus on commerce Commerce as a keyword encompasses a wide range of documented and undocumented encounters that invoke topics such as shared or conflicting ideas of value affective experiences of the emerging global system and development of national economies as well as their opponents By investigating what gets exchanged created or obscured on the peripheries of transatlantic commercial relations and geography in the eighteenth century the chapters in this collection reimagine the edge as a liminal space with a potential for an alternative historical and aesthetic knowledge To ground this inquiry in a more material dimension the chapters engage specifically with what is being exchanged sold or communicated across the Atlantic by exploring ideas that are being shaped concealed undermined or exploited through intricate exchanges With its contributions from multiple contexts and disciplinary perspectives Edges of Transatlantic Commerce offers insights into relatively neglected aspects of the transatlantic world to cultivate the value that the edges allow us to conceive

The United States of War David Vine, 2020-10-13 2020 L A Times Book Prize Finalist History A provocative examination of how the U S military has shaped our entire world from today's costly endless wars to the prominence of violence in everyday American life The United States has been fighting wars constantly since invading Afghanistan in 2001 This nonstop warfare is far less exceptional than it might seem the United States has been at war or has invaded other countries almost every year

since independence In *The United States of War* David Vine traces this pattern of bloody conflict from Columbus's 1494 arrival in Guantanamo Bay through the 250 year expansion of a global U S empire Drawing on historical and firsthand anthropological research in fourteen countries and territories *The United States of War* demonstrates how U S leaders across generations have locked the United States in a self perpetuating system of permanent war by constructing the world's largest ever collection of foreign military bases a global matrix that has made offensive interventionist wars more likely Beyond exposing the profit making desires political interests racism and toxic masculinity underlying the country's relationship to war and empire *The United States of War* shows how the long history of U S military expansion shapes our daily lives from today's multi trillion dollar wars to the pervasiveness of violence and militarism in everyday U S life The book concludes by confronting the catastrophic toll of American wars which have left millions dead wounded and displaced while offering proposals for how we can end the fighting

Making Never-Never Land Mónica A. Jiménez, 2024-06-04 Puerto Rico has been an unincorporated territory of the United States for over a century For much of that time the archipelago has been mostly invisible to US residents and neglected by the government However a series of crises in the first two decades of the twenty first century from outsized debt to climate fueled disasters have led to massive protests and brought Puerto Rico greater visibility Mónica A Jiménez argues that to fully understand how and why Puerto Rico finds itself in this current moment of precarity we must look to a larger history of US settler colonialism and racial exclusion in law The federal policies and jurisprudence that created Puerto Rico exist within a larger pantheon of exclusionary race based laws and policies that have carved out states of exception for racial undesirables Native Americans African Americans and the inhabitants of the insular territories This legal regime has allowed the federal government plenary or complete power over these groups Jiménez brings these histories together to demonstrate that despite Puerto Rico's unique position as a twenty first century colony its path to that place was not exceptional

Physical Education and Physical Culture in South Africa, 1837-1966 Francois Johannes Cleophas, 2024-10-17 The interconnectedness between sport and colonialism has long been a matter of interest to sport historians Consequently a large number of scholarly works exist on physical education and physical culture history but there is no significant work on this within a South African context both nationally and at community level This book therefore provides the first historical account of physical education and physical culture in Cape Town South Africa and its surrounding areas in the Western Cape

Eastern Medieval Architecture Robert G. Ousterhout, 2019-08-26 The rich and diverse architectural traditions of the Eastern Mediterranean and adjacent regions are the subject of this book including the social and cultural developments of the Byzantine Empire the Caucasus the Balkans and Russia as well as parallel developments in Crusader and early Islamic architecture
