

Lev Raphael
Edith Wharton's
Prisoners of Shame

A New Perspective on her Neglected Fiction
Introduction by Cynthia Griffin Wolff

Edith Whartons Prisoners Of Shame

Daniela Niemeyer

Edith Whartons Prisoners Of Shame:

Edith Wharton's Prisoners of Shame Lev Raphael, 1991-01-01 **Edith Wharton's Prisoners of Shame** Lev Raphael, 1991-06-18 This study draws on recent discoveries in the psychology of emotion most notably Dr Silvan Tomkins affect theory in an attempt to examine Wharton's fiction from a fresh angle **Apart from Modernism** Robin Peel, 2005 The study emphasizes the crucial role that Wharton's contact with Europe had on her writing and the significance intellectually and politically of her relationship with Morton Fullerton and her reading of his books on politics It locates Wharton in her period surrounded as she was by discourses which called for political and social change change which an outlook that Peel calls American Toryism made her reluctant to embrace Her love of motorcars and her excitement about other technological developments such as aeroplanes was inspired by a feeling of exclusivity and not the democratization of culture which she feared and condemned France England Italy and America formed the quartet of countries that contained the best and worst of culture and Peel emphasizes how ironical it was that a writer whose ideological beliefs endorsed the importance of home roots and tradition should have spent so much of her life as a restless apparently rootless traveler **BOOK JACKET** **The Edith Wharton Murders** Lev Raphael, 1999 Scandal and murder are on the agenda when English professor Nick Hoffman is dragooned into organising an Edith Wharton conference at the State University of Michigan A witty fast paced gay thriller that is also a send up of academia at its snarling worst **Edith Wharton** Janet Beer, 2002 Professor Beer's study provides an introduction to the whole range of Edith Wharton's work in the novel short story novella travel writing criticism and autobiography The opening chapter provides an overview of recent scholarship in Wharton studies including an appraisal of biographical texts and subsequent chapters treat recurrent themes and ideas in her fiction and non fiction and the American and European context of her work The major novels as well as those less well known are discussed as are contemporary reception of her work American responses to her expatriation her friendships with the leading artists of her day and the influence of the First World War on her work **Edith Wharton's The House of Mirth** Janet Beer, Pamela Knights, Elizabeth Nolan, 2007 Edith Wharton's *The House of Mirth* 1905 is a sharp and satirical but also sensitive and tragic analysis of a young single woman trying to find her place in a materialistic and unforgiving society *The House of Mirth* offers a fascinating insight into the culture of the time and as suggested by the success of recent film adaptations it is also an enduring tale of love ambition and social pressures still relevant today Part of the Routledge Guides to Literature series this volume is essential reading for all those beginning detailed study of *The House of Mirth* and seeking not only a guide to the novel but a way through the wealth of contextual and critical material that surrounds Wharton's text *Edith Wharton's The House of Mirth* Carol J. Singley, 2003 *The House of Mirth* is perhaps Edith Wharton's best known and most frequently read novel This casebook collects critical essays addressing a broad spectrum of topics and utilizing a range of critical and theoretical approaches **The Critical Reception of Edith Wharton** Helen Killoran, 2001 Ironically now that she is

becoming recognized as a Modernist by some and as perhaps the greatest American writer of her generation the criticism often obfuscates more than it reveals The reasons reside in critics loyalties to various theoretical approaches the objectivity of which are often compromised by political hopes This volume not only traces and analyzes the development of Whartonian literary criticism in its historical and political contexts but also allows Edith Wharton herself a literary critic to respond to various concepts through the author's deductions and extrapolations from Wharton's own words Edith Wharton Janet Beer Goodwyn, 2016-07-27 in this study Goodwyn sets the standard for Wharton criticism Judith E Funston American Literature Janet Goodwyn sets out by looking at Wharton's appropriation of different cultures to nail the canard that she was but a pale imitator of Henry James Hermione Lee Times Literary Supplement The Land of Letters was henceforth to be my country and I gloried in my new citizenship So Edith Wharton described her elation upon the publication of her first collection of short stories her nationality was henceforth writer and as such she moved with ease between landscapes between cultures and between genres in the telling of her tales In this acclaimed study of Wharton's work the discussion is shaped by her use of specific landscapes and her consistent concern with ideas of place the American's place in the Western world the woman's place in her own and in European society and the author's place in the larger life of a culture Her landscapes both actual and metaphorical give structure and point to the individual texts and to the whole body of her work

Edith Wharton and the Modern Privileges of Age Melanie V. Dawson, 2020-02-17 Focusing on the works of Edith Wharton and her contemporaries Melanie Dawson discusses representations of modern American identities past early youth in twentieth century literature Dawson sets Wharton's work at the center of a vital debate about the contested privileges associated with age in contemporary culture *A Historical Guide to Edith Wharton* Carol J. Singley, 2003 Various authors focus on life and works of Edith Wharton on her women in fashion in history out of time addiction and intimacy travel and modernity art the age of film The book contains an illustrated chronology and a bibliographical essay The Cambridge Companion to Edith Wharton Millicent Bell, 1995-06-30 The Cambridge Companion to Edith Wharton offers a series of fresh examinations of Edith Wharton's fiction written both to meet the interest of the student or general reader who encounters this major American writer for the first time and to be valuable to advanced scholars looking for new insights into her creative achievement The essays cover Wharton's most important novels as well as some of her shorter fiction and utilise both traditional and innovative critical techniques applying the perspectives of literary history feminist theory psychology or biography sociology or anthropology or social history The Introduction supplies a valuable review of the history of Wharton criticism which shows how her writing has provoked varying responses from its first publication and how current interests have emerged from earlier ones A detailed chronology of Wharton's life and publications and a useful bibliography are also provided The House of Mirth Edith Wharton, 2005-09-12 One of Edith Wharton's most accomplished social satires this novel tells the story of the beautiful but impoverished New York socialite Lily Bart whose refusal to compromise in her search

for a husband leads to her exclusion from polite society In charting the course of Lily's life and downfall Wharton also provides a wider picture of a society in transition a milieu in which old certainties manners and morals no longer hold true and where the individual has become an expendable commodity This classic American novel is now available in a Broadview edition that includes a critical introduction and a rich selection of contextual documents Appendices include Wharton's correspondence about *The House of Mirth* contemporary articles on social mores etiquette and dress and related writings by Henry James Thorstein Veblen and Charlotte Perkins Gilman [Edith Wharton's Brave New Politics](#) Dale M. Bauer, 1994 Most critics claim that Edith Wharton's creative achievement peaked with her novels *The House of Mirth* and *The Age of Innocence* dismissing her later fiction as reactionary sensationalistic and aesthetically inferior In *Edith Wharton's Brave New Politics* Dale M Bauer overturns these traditional conclusions She shows that Wharton's post World War I writings are acutely engaged with the cultural debates of her day from reproductive control to authoritarian politics to mass culture and its ramifications Bauer examines the social and political critique implicit in Wharton's later works from *Summer 1917* to her last novel *The Buccaneers* published posthumously in 1938 She integrates historical political and feminist concerns to recast Wharton's antimodernism and to recover the novelist's understanding of public life and private morality Edith Wharton's *Brave New Politics* illustrates how literary criticism can change the course of a literary career In her refutation of the dominant interpretations of Wharton's literary work Bauer challenges the prevailing conception of this genteel woman of letters showing that to read Wharton's works in isolation from her complex politics is to misunderstand Wharton's aims and to miss entirely the exhilarating power of these later fictions [The New Edith Wharton Studies](#) Jennifer Haytock, Laura Rattray, 2020 Uncovers new evidence and presents new ideas that invite us to reconsider our understanding Edith Wharton's life and career *A Forward Glance* Clare Colquitt, Susan Goodman, Candace Waid, 1999 In June 1923 Edith Wharton who had not set foot on native soil since before the First World War came home to accept an honorary degree from Yale University In April 1995 friends of Wharton again convened at Yale The essays collected in *A Forward Glance* New Essays on Edith Wharton represent a portion of the complex and varied scholarly work delivered at that conference From publisher's description [A Son at the Front](#) Edith Wharton, 2023-02-21 The war went on life went on Paris went on In *A Son at the Front* her only novel dealing with World War I Edith Wharton offers a vivid portrait of American expatriate life in Paris as well as a gripping portrayal of a complex modern family The painter John Campton is divorced from the mother of his son George and although Julia's second husband Anderson Brant a wealthy banker has been a devoted stepfather to George Campton resents his presence in George's life This family drama is ruptured by the outbreak of fighting which requires George born in France to report for military service despite his parents belief that he should be exempted Reflecting Wharton's own experiences *A Son at the Front* documents the shock of the outbreak of war the early hope of a quick victory for the Allies the terrible human cost of the war and the relief when belatedly the United States enters the conflict The novel's tone

reflects the realities of life in Paris and the profound disillusionment of the post war period standing as not only an important part of Wharton's oeuvre but a landmark in the literature of the First World War

Performing Intimacies with Hawthorne, Austen, Wharton, and George Eliot Maya Higashi Wakana, 2018-08-27 Performing Intimacies with Hawthorne Austen Wharton and George Eliot analyzes literary reproductions of everyday intimacies through a microsociological lens to demonstrate the value of reading microsocially The text investigates the interplay between author character and reader and considers such concepts as face and moments of embarrassment to emphasize how art and life are inseparable Drawing on narrative theory the phenomenological approach and macro approaches Maya Higashi Wakana examines Hawthorne's The Minister's Black Veil Austen's Pride and Prejudice Wharton's Ethan Frome and The Age of Innocence and George Eliot's The Mill on the Floss Through a multidisciplinary approach this book provides new ways of reading the everyday in literature

The German Money Lev Raphael, 2003 Part mystery part family saga three siblings discover their past in the secrets of Holocaust survivors

Secret Anniversaries of the Heart Lev Raphael, 2006 When Lev Raphael published the controversial story collection Dancing on Tisha B Av he broke new ground in contemporary literature Never before in one collection had an American writer revealed the conflicts between homosexuality and traditional Judaism linked the chilling mind diseases of anti-Semitism and homophobia and offered testimony not only to the legacy of Holocaust survivors but the suffering and conflicts of their children Winner of the prestigious Lambda Literary Award Raphael widened the scope of American Jewish fiction for a new generation Secret Anniversaries of the Heart unites the most compelling tales from Dancing on Tisha B Av with twelve new stories appearing in book form for the first time and the title story never before published Emotionally complex edgy and daringly intimate here is a collection of twenty five years of stories that wrestle with questions of religious and sexual identity while displaying the gifts of a visionary writer in mid career Book jacket
