home the Handbook underscores Wharton's lasting impact for our new Gilded Age. It is an indispensable resource for readers interested in Wharton and 19th and 20th century literature and culture.

Inside Out, 2008-01-01 The incursions of women into areas from which they had been traditionally excluded together with the literary representations of their attempts to negotiate, subvert and appropriate these forbidden spaces is the underlying theme that unites this collection of essays. Here scholars from Australia, Greece, Great Britain, Spain, Switzerland and the United States reconsider the well-entrenched assumptions associated with the public-private distinction working with the notions of public and private spheres while testing their currency and exploring their blurred edges. The essays cover and uncover a rich variety of spaces from the slums and court rooms of London to the American wilderness from the Victorian drawing room and sick room to out of the ordinary places like Turkish baths and the trenches of the First World War. Where previous studies have tended to focus on a single aspect of women's engagement with space, this edited book reveals a plethora of subtle and tenacious strategies found in a variety of discourses that include fiction, poetry, diaries, letters, essays and journalism. **Inside Out** goes beyond the early work on artistic explorations of gendered space to explore the breadth of the field and its theoretical implications.

Feminist Readings of Edith Wharton D. Chambers, 2009-11-23 This close and innovative study of Edith Wharton's major novels reveals the use of increasingly complex narrative techniques to counter the multiple forces working against women writers at the beginning of the twentieth century.

Racism and Xenophobia in Early Twentieth-Century American Fiction Wisam Abughosh Chaleila, 2020-12-29 The Melting Pot, The Land of The Free, The Land of Opportunity. These tropes or nicknames apparently reflect the freedom and open-armed welcome that the United States of America offers. However, the chronicles of history do not complement that image. These historical happenings have not often been brought into the focus of Modernist literary criticism though their existence in the record is clear. This book aims to discuss these chronicles displaying in great detail the underpinnings and subtle references of racism and xenophobia embedded so deeply in both fictional and real personas whether they are characters, writers, legislators or the common people. In the main chapters, literary works are dissected so as to underline the intolerance hidden behind words of righteousness and blind trust as if such is the norm. Though history is taught, it is not so thoroughly examined. To our misfortune, we naively think that bigoted ideas are not a thing we could become afflicted with. They are antiques from the past yet they possessed many hundreds of people and they surround us still. Since we've experienced very little change, it seems discipline is necessary to truly attempt to be rid of these ideas.

The Secrets and Silences of Edith Wharton's Women Isabelle Parsons, 2025-03-11 Edith Wharton's sensitively observed portraits of women's lives a century ago resonate into the present day, captivating readers now as they did then. Threaded throughout her accounts is a rich seam of secrets and silences that reveals Wharton's keen grasp of the realities navigated by women and her astute use of withholding to tell their stories. This book explores her frequent marshalling of secrets and silences presented as an integral part of her literary aesthetic to cast light on her enduring interest in women's

experiences in private and public settings during the early twentieth century Style, Gender, and Fantasy in Nineteenth-Century American Women's Writing Dorri Beam, 2010-06-03 In this 2010 book Dorri Beam presents an important contribution to nineteenth century fiction by examining how and why a florid and sensuous style came to be adopted by so many authors. Discussing a diverse range of authors including Margaret Fuller and Pauline Hopkins, Beam traces this style through a variety of literary endeavors and reconstructs the political rationale behind the writers' commitments to this form of prose. Beam provides both close readings of a number of familiar and unfamiliar works and an overarching account of the importance of this form of writing, suggesting new ways of looking at style as a medium through which gender can be signified and reshaped. *Style, Gender, and Fantasy in Nineteenth Century American Women's Writing* redefines our understanding of women's relation to aesthetics and their contribution to both American literary romanticism and feminist reform. This illuminating account provides valuable new insights for scholars of American literature and women's writing.

Styling Texts Cynthia G. Kuhn, Cindy L. Carlson, 2007 Covering a variety of genres and periods from medieval epic to contemporary speculative fiction, *Styling Texts* explores the fascinating ways in which dress performs in literature. Numerous authors have made powerful even radical use of clothing and its implications, and the essays collected here demonstrate how scholarly attention to literary fashioning can contribute to a deeper understanding of texts, their contexts, and their innovations. These generative and engaging discussions focus on issues such as fashion and anti-fashion, clothing reform, transvestism, sartorial economics, style and the gaze, transgressive modes, and class, gender, or race passing. This is the first academic volume to address such an extensive range of texts, inviting consideration of how fashionable desires and concerns not only articulate the aesthetics, subjectivities, and controversies of a given culture but also communicate across temporal and spatial divisions. *Styling Texts* is an essential resource for anyone interested in the artistic representations and significations of dress.

The Portable Edith Wharton Edith Wharton, 2003 This unique collection is a rich representation of the works of one of the greatest 20th century American writers, best known for her novels depicting the stifling conformity and ceremoniousness of the upper class New York society into which she was born.

Modern Character Julian Murphet, 2024-03-05 In this groundbreaking and comprehensive study, Julian Murphet examines how dramatists and prose writers at the turn of the twentieth century experimented with new forms of modern character. Old truisms of character such as consistency, depth, and verisimilitude are eschewed in favour of inconsistency, bad faith, and fragmentation.

Echoes of Emerson Diana Hope Polley, 2017-10-17 Probes the ways in which two major periods in nineteenth century American literature, Romanticism and Realism, have come to be understood and defined.

Sacramental Shopping Sarah Way Sherman, 2013-10-01 Illuminates modern consumer culture and its challenges to American identity and values in two classic novels.

Wharton, Hemingway, and the Advent of Modernism Lisa Tyler, 2019-04-17 *Wharton, Hemingway, and the Advent of Modernism* is the first book to examine the connections linking two major American writers of the twentieth century, Edith

Wharton and Ernest Hemingway In twelve critical essays accompanied by a foreword from Wharton scholar Laura Rattray and a critical introduction by volume editor Lisa Tyler contributors reveal the writers overlapping contexts interests and aesthetic techniques Thematic sections highlight modernist trends found in each author s works To begin Peter Hays and Ellen Andrews Knodt argue for reading Wharton as a modernist writer noting how her works feature characteristics that critics customarily credit to a younger generation of writers including Hemingway Since Wharton and Hemingway each volunteered for humanitarian medical service in World War I then drew upon their experiences in subsequent literary works Jennifer Haytock and Milena Radeva Costello analyze their powerful perspectives on the cataclysmic conflict traditionally viewed as marking the advent of modernism in literature In turn Cecilia Macheski and Sirpa Salenius consider the authors passionate representations of Italy informed by personal sojourns there in which they observed its beautiful landscapes and culture its liberating contrast with the United States and its period of fascist politics Linda Wagner Martin Lisa Tyler and Anna Green focus on the complicated gender politics embedded in the works of Wharton and Hemingway as evidenced in their ideas about female agency sexual liberation architecture and modes of transportation In the collection s final section Dustin Faulstick Caroline Chamberlin Hellman and Parley Ann Boswell address suggestive intertextualities between the two authors with respect to the biblical book of Ecclesiastes their serialized publications in Scribner s Magazine and their affinities with the literary and cinematic tradition of noir Together the essays in this engaging collection prove that comparative studies of Wharton and Hemingway open new avenues for understanding the pivotal aesthetic and cultural movements central to the development of American literary modernism *The Materiality of Love* Anna

Malinowska, Michael Gratzke, 2017-09-27 Drawing on love studies and research in material cultures this book seeks to re examine love through materiality studies especially their recent incarnations new materialism and object oriented philosophy to spark a debate on the relationship between love objects and forms of materializing affection It focuses on love as a material form and traces connections between feelings and materiality especially in relation to the changing notion of the material as marked by digital culture as well as the developments in understanding the nature of non human affect It provides insight into how materiality in its broadest sense impacts the understanding of the meanings and practices of love today and reversely how love contributes to the production and transformation of the material world *The*
