Edith And Midnight:

Edith And Midnight Dare Wright,2015-09-01 It was summertime and Edith and The Bears were on a farm in the country Little Bear wanted Edith to go fishing with him Edith had her heart set on owning a pony and she couldn t think about anything else Then late one night Edith woke up and saw a wild black pony running in the moonlight beneath her window Her mind was made up Somehow she and Little Bear were going to tame that pony and make him their own But the pony Midnight had other ideas and he ended up leading the two on quite a chase before they finally became friends **Edith and Midnight** Dare Wright,2013-06-22 A doll Edith and her friends Mr Bear and Little Bear visit a farm in the hills of upstate New York in the 1950s While there Edith tames a wild pony Illustrated with photographs **Exploited, Empowered, Ephemeral** Denise Burkhard,2023-07-10 Childhood in neo Victorian fiction for both child and adult readers is an extremely multifaceted and fascinating field This book argues that neo Victorian fiction projects multiple competing visions of childhood and suggests that they can be analysed by means of a typology the childhood scale which provides different categories along the lines of power relations and literary possible worlds theory The usefulness of both is exemplified by detailed discussions of Philippa Pearce s Tom s Midnight Garden 1958 Eva Ibbotson s Journey to the River Sea 2001 Sarah Waters Fingersmith 2002 and Dianne Setterfield s The Thirteenth Tale 2006 *The Secret Life of the Lonely Doll* Jean Nathan,2025-09-23 A glamorous haunted life unfolds in the mesmerizing biography of the woman behind a classic children s book In 1957 a children s book called The Lonely Doll was published With its pink and white checked cover and photographs featuring a wide eyed doll it captured the imaginations of young girls and made the author Dare Wright a household name Close to forty years after its publication the book was out of print but not forgotten When the cover image inexplicably came to journalist Jean Nathan one afternoon she went in search of the book and ultimately its author Nathan found Dare Wright living out her last days in a decrepit public hospital in Queens New York Over the next five years Nathan pieced together a glamorous life Blond beautiful Wright had begun her career as an actress and model and then turned to fashion photography before stumbling upon her role as bestselling author But there was a dark side to the story a brother lost in childhood ill fated marriage plans a complicated controlling mother Edith Stevenson Wright herself a successful portrait painter played such a dominant role in her daughter s life that Dare was never able to find her way into the adult world Only through her work could she speak for herself in her books she created the happy family she d always yearned for while her self portraits betrayed an unresolved tension between sexuality and innocence a desire to belong and painful isolation Illustrated with stunning photographs The Secret Life of the Lonely Doll tells the unforgettable story of a woman who imprisoned by her childhood sought to set herself free through art **Bradshaw's Monthly Continental Railway, Steam Transit, and General Guide, for Travellers Through Europe** ,1887 The wet blanket; or, Edith's bright Autumn, by the author of 'The Dalrymples'.
