

Edmittleton Tourneur Pr

Derek Dunne

Edmittleton Tourneur Pr:

Catalogue of books in the lending department of the public library, Buckingham palace road London St. George, Hanover sq, publ. libr,1894 **The Canon of Thomas Middleton's Plays** David J. Lake,1975-07-03 This book sets out to solve by statistics the problems of disputed authorship that surround the work of Jacobean dramatist Thomas Middleton Among other things Dr Lake shows that there is 99 per cent statistical confidence for the conclusion that The Puritan and The Revenger s Tragedy were written by Middleton rather than by anyone else alive in the early seventeenth century **A Short History of English Literature** Harry Blamires,2013-02-28 First published in 2012 This work of introduction is designed to escort the reader through some six centuries of English literature It begins in the fourteenth century at the point at which the language written in our country is recognizably our own and ends in the 1950s It is a compact survey summing up the substance and quality of the individual achievements that make up our literature The aim is to leave the reader informed about each writer s main output sensitive to the special character of his gifts and aware of his place in the story of our literature as a whole A New Companion to English Renaissance Literature and Culture Michael Hattaway,2010-05-10 In this revised and greatly expanded edition of the Companion 80 scholars come together to offer an original and far reaching assessment of English Renaissance literature and culture A new edition of the best selling Companion to English Renaissance Literature revised and updated with 22 new essays and 19 new illustrations Contributions from some 80 scholars including Judith H Anderson Patrick Collinson Alison Findlay Germaine Greer Malcolm Jones Arthur Kinney James Knowles Arthur Marotti Robert Miola and Greg Walker Unrivalled in scope and its exploration of unfamiliar literary and cultural territories the Companion offers new readings of both literary and non literary texts Features essays discussing material culture sectarian writing the history of the body theatre both in and outside the playhouses law gardens and ecology in early modern England Orientates the beginning student while providing advanced students and faculty with new directions for their research All of the essays from the first edition along with the recommendations for further reading have been reworked or updated **Report** Indiana State Library,1898 **Indiana State Library Catalogue** ,1898

Drugs and Theater in Early Modern England Tanya Pollard,2005-02-17 *Drugs and Theater in Early Modern England* asks why Shakespeare and his contemporary playwrights were so preoccupied with drugs and poisons and at a deeper level why both critics and supporters of the theater as well as playwrights themselves so frequently adopted a chemical vocabulary to describe the effects of the theater on audiences Drawing upon original medical and literary research Pollard shows that the potency of the link between drugs and plays in the period demonstrates a model of drama radically different than our own a model in which plays exert a powerful impact on spectators bodies as well as minds Early modern physiology held that the imagination and emotions were part of the body and exerted a material impact on it yet scholars of medicine and drama alike have not recognised the consequences of this idea Plays which alter our emotions and thought simultaneously change us

physically This book argues that the power of the theater in early modern England as well as the striking hostility to it stems from the widely held contemporary idea that drama acted upon the body as well as the mind In yoking together pharmacy and theater this book offers a new model for understanding the relationship between texts and bodies Just as bodies are constituted in part by the imaginative fantasies they consume the theater's success and notoriety depends on its power over spectators' bodies Drugs which conflate concerns about unreliable appearances and material danger evoked fascination and fear in this period by identifying a convergence point between the imagination and the body the literary and the scientific the magical and the rational This book explores that same convergence point and uses it to show the surprising physiological powers attributed to language and especially to the embodied language of the theater Disease, Diagnosis, and Cure on the Early Modern Stage Stephanie Moss, 2017-03-02 This collection of essays makes an important contribution to scholarship by examining how the myths and practices of medical knowledge were interwoven into popular entertainment on the early modern stage Rather than treating medicine the theater and literary texts separately the contributors show how the anxieties engendered by medical socio-scientific investigations were translated from the realm of medicine to the stage by Renaissance playwrights especially Shakespeare As a whole the volume reconsiders typical ways of viewing medical theory and practice while individual essays focus on gender and ethnicity theatrical impersonation medical counterfeit and malfeasance and medicine as it appears in the form of various political metaphors

Report on the Condition and Improvement of the Public Schools of Rhode Island Rhode Island. Commissioner of Public Schools, 1849 **Report and Documents Relating to the Public Schools of Rhode Island, for 1848** Henry Barnard, Rhode Island. Office of Commissioner of Public Schools, 1849 Epicene, Or, The Silent Woman Ben Jonson, 2003 This authoritative new edition of *Epicene* locates it precisely in the world of Jacobean wit court commerce sexual ambiguity and theatrical innovation which are its own subject matter *Annual Report on Public Schools in Rhode Island*, 1849 *The Discourse of Legitimacy in Early Modern England* Robert Zaller, 2007 *The Discourse of Legitimacy* is a wide-ranging synoptic study of England's conflicted political cultures in the period between the Protestant Reformation and the civil war

Illegitimate Power Alison Findlay, 2024-07-30 In Renaissance Drama the bastard is an extraordinarily powerful and disruptive figure We have only to think of Caliban or of Edmund to realise the challenge presented by the illegitimate child Drawing on a wide range of play texts Alison Findlay shows how illegitimacy encoded and threatened to deconstruct some of the basic tenets of patriarchal rule She considers bastards as indicators and instigators of crises in early modern England reading them in relation to witchcraft spiritual insecurities and social unrest in family and State The characters discussed range from demi-devils unnatural villains and clowns to outstanding heroic or virtuous types who challenge officially sanctioned ideas of illegitimacy The final chapter of the book considers bastards in performance their relationship with theatre spaces and audiences Illegitimate voices Findlay argues can bring about the death of the author father and open the text as a piece of theatre challenging accepted notions of

authority The Works of John Webster John Webster,1995 Second volume of plays in this edition of the works of John Webster *The New Cambridge Bibliography of English Literature* George Watson,Ian Roy Willison,1974 Catalogue of Literature, Drama, and Shakespeariana in the Kansas City Public Library Kansas City Public Library (Kansas City, Mo.),1900
 Dramatic Mirror of the Stage and Motion Pictures ,1917 **The Fair Maid of the West, Parts I and II.** Thomas Heywood,1967-01-01 Thomas Heywood 1574 1641 a professional English actor and one of the most prolific playwrights of the seventeenth century is most famous for his plays written about contemporary English life The Fair Maid of the West recalls typical Elizabethan bourgeois literature but its primary relationship is with all adventure narratives regardless of their era This romantic comedy features vivid pictures of English seaport life and travel to exotic locales by English sea captains The plot is filled with pirate battles a shipwreck courageous adventures and devoted love If boredom is the perennial disability of men adventure stories are the perennial therapy operating as a restorative by encouraging an intermission in the ordinary powers and interests of the mind Paperbound Books in Print ,1992
