Edmund Campion:

Edmund Campion Gerard Kilroy, 2016-12-05 The death of Edmund Campion in 1581 marked a disjunction between the world of printed untruth and private handwritten truth in early modern England Gerard Kilroy traces the circulation of manuscripts connected with Campion to reveal a fascinating network that not only stretched from the Court to Warwickshire and East Anglia but also crossed the confessional boundaries Kilroy shows that in this intricate web Sir John Harington was a key figure using his disguise as a wit to conceal a lifelong dedication to Campion's memory Sir Thomas Tresham is shown as expressing his devotion to Campion both in his coded buildings and in a previously unpublished manuscript Bodleian MS Eng th b 1 2 whose theological and cultural riches are here fully explored This book provides startling new views about Campion's literary historical and cultural impact in early modern England The great strength of this study is its exploitation of archival manuscript sources offering the first printed text and translation of Campion's Virgilian epic a fully collated text of Why doe I use my paper ynke and pen and Harington's four decades of theological epigrams printed for the first time in the order he so carefully designed Edmund Campion Memory and Transcription lays the foundations of the first full literary assessment of Campion the scholar the impact he had on the literature of early modern England and the long legacy in manuscript writing

Edmund Campion Harold C. Gardiner, 1992 Some illustrations An inspiring dramatic account of the colorful and courageous life and death of the martyr St Edmund Campion hero of God's underground during the persecution of Catholics in England in the 1500s

Edmund Campion: a Biography Richard Simpson, 2021-11-04 Reprint of the original first published in 1867

Edmund Campion Richard Simpson, 2013-12 Recount the life of Edmund Campion saint and martyr in this newly revised and definitive version from TAN Books A new and updated life of St Edmund Campion Simpson's classic biography has been thoroughly revised and enlarged by Fr Peter Joseph With a foreword by Cardinal Pell

Blessed Edmund Campion Louise Imogen Guiney, 2016-09-30 This little book leans much as every modern work on the subject must do upon Mr Richard Simpson's monograph Edmund Campion Jesuit Protomartyr of England In many points supplementing or contradicting that splendid though biased narrative the present writer has gratefully taken advantage of the researches of the Rev John Hungerford Pollen S J It may also be useful to state that the contemporary citations when not otherwise specified are from two invaluable witnesses Parsons and Allen The translated passages have been compared with the originals and sometimes newly rendered L I G

Edmund Campion Dr Gerard Kilroy, 2015-09-28 Gerard Kilroy here draws on newly discovered manuscript sources to reveal Campion as a charismatic and affectionate scholar who was finding fulfilment as priest and teacher in Prague when he was summoned to lead the first Jesuit mission to England The book offers fresh insights into the dramatic search for Campion the populist nature of the disputations in the Tower and the legal issues raised by his torture It was the monarchical republic itself that made him the beloved champion of the English Catholic community Edmund Campion presents the most detailed and comprehensive picture to date of an historical figure whose

loyalty and courage in the trial and on the scaffold swiftly became legendary across Europe **Edmund Campion** Richard Simpson, Peter M. Joseph, 2010 *Edmund Campion* Richard Simpson, 2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *Edmund Campion* Evelyn Waugh, 2005 Evelyn Waugh presented his biography of St Edmund Campion the Elizabethan poet scholar and gentleman who became the haunted trapped and murdered priest as a simple perfectly true story of heroism and holiness But it is written with a novelist's eye for the telling incident and with all the elegance and feeling of a master of English prose From the years of success as an Oxford scholar to entry into the newly founded Society of Jesus and a professorship in Prague Campion's life was an inexorable progress towards the doomed mission to England There followed pursuit betrayal a spirited defense of loyalty to the Queen and a horrifying martyr's death at Tyburn **Catholic Resistance in Elizabethan England** Professor Victor Houlston, 2013-06-28 During his lifetime the Jesuit priest Robert Persons 1546-1610 was arguably the leading figure fighting for the re-establishment of Catholicism in England Whilst his colleague Edmund Campion may now be better known it was Persons's tireless efforts that kept the Jesuit mission alive during the difficult days of Elizabeth's reign In this new study Person's life and phenomenal literary output are analysed and put into the broader context of recent Catholic scholarship The book bridges the gap between historical studies on the one hand and literary studies on the other by concentrating on Persons's contribution as a writer to the polemical culture of the late sixteenth and early seventeenth centuries As well as discussing his wider achievements as leader of the English Jesuits founding three seminaries for English priests corresponding regularly with Catholic activists in England writing over thirty books holding the post of rector of the English College in Rome and being a trusted consultant to the papacy on English affairs this study looks in detail at what is arguably his greatest legacy The First Booke of the Christian Exercise more commonly known as the Book of Resolution That book first published in 1582 was to prove the cornerstone of Persons's missionary effort and a popular work of Catholic devotion running to several editions over the coming years Although Persons was ultimately unsuccessful in his ambition to return England to the Catholic fold the story of his life and works reveals much about the ecclesiastical struggle that gripped early modern Europe By providing a thorough and up to date reassessment of Persons this study not only makes a significant contribution to our understanding of the polemical context of post-Reformation Catholicism but also of the Jesuit notion of the apostolate of writing This book is published in conjunction with the Jesuit Historical Institute series Bibliotheca Instituti Historici Societatis Iesu **Butler's Lives of the Saints** Alban Butler, Paul Burns, 1995-01-01 For more than two centuries Butler's has been one of the best known most

widely consulted hagiographies In its brief and authoritative entries readers can find a wealth of knowledge on the lives and deeds of the saints as well as their ecclesiastical and historical importance since canonization **Encyclopedia of Renaissance Philosophy** Marco Sgarbi,2022-10-27 Gives accurate and reliable summaries of the current state of research It includes entries on philosophers problems terms historical periods subjects and the cultural context of Renaissance Philosophy Furthermore it covers Latin Arabic Jewish Byzantine and vernacular philosophy and includes entries on the cross fertilization of these philosophical traditions A unique feature of this encyclopedia is that it does not aim to define what Renaissance philosophy is rather simply to cover the philosophy of the period between 1300 and 1650 Blessed Edmund Campion (Classic Reprint) Louise Imogen Guiney,2015-07-18 Excerpt from Blessed Edmund Campion This little book leans much as every modern work on the subject must do upon Mr Richard Simpson s monograph Edmund Campion Jesuit Protomartyr of England In many points supplementing or contradicting that splendid though biased narrative the present writer has gratefully taken advantage of the researches of the Rev John Hungerford Pollen S J It may also be useful to state that the contemporary citations when not otherwise specified are from two invaluable witnesses Parsons and Allen The translated passages have been compared with the originals and sometimes newly rendered About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Sources for Early Modern Irish History, 1534-1641 Robert Dudley Edwards,Mary O'Dowd,1985 The Tudor revival of government and administration in Ireland dramatically increased the quantity of written sources concerning Ireland This book attempts to survey this documentary material It analyses of the written sources for early modern Irish history for the period 1534 1641 It discusses the different types of sources available and also provides descriptions of transcripts copies and summaries of manuscript material which has been destroyed This is very valuable because much of the original documentation for this period was destroyed when the Public Record Office in Dublin was burnt at the beginning of the civil war in 1922 The final chapter in the book includes an assessment of the historiography of early modern Irish history In the light of the need for historians to understand the administrative machinery which produced the documents they use the book also includes an account of the civil and ecclesiastical administration of early modern Ireland *The Family of Edmund Campion* Leslie Campion,1975-01-01 Edmund Campion 1539 40 1581 a Roman Catholic spent several years in the Tower and was executed at Tyburn on an unjust charge of treason arising from his religious beliefs and the controversy of the period The author traditionally a member of Edmund s family believes he has solved the age old problem of Edmund s origin

Catholics Writing the Nation in Early Modern Britain and Ireland Christopher Highley, 2008-07-10 Modern scholars fixated on the winners in England's sixteenth and seventeenth century religious struggles have too readily assumed the inevitability of Protestantism's historical triumph and have uncritically accepted the reformers' own rhetorical construction of themselves as embodiments of an authentic Englishness Christopher Highley interrogates this narrative by examining how Catholics from the reign of Mary Tudor to the early seventeenth century contested and shaped discourses of national identity patriotism and Englishness Accused by their opponents of espousing an alien religion orchestrated from Rome and sustained by Spain English Catholics fought back by developing their own self-representations that emphasized how the Catholic faith was an ancient and integral part of true Englishness After the accession of the Protestant Elizabeth the Catholic imagining of England was mainly the project of the exiles who had left their homeland in search of religious toleration and foreign assistance English Catholics constructed narratives of their own religious heritage and identity however not only in response to Protestant polemic but also as part of intra-Catholic rivalries that pitted Marian clergy against seminary priests secular priests against Jesuits and exiled English Catholics against their co-religionists from other parts of Britain and Ireland Drawing on the reassessments of English Catholicism by John Bossy Christopher Haigh Alexandra Walsham Michael Questier and others Catholics Writing the Nation foregrounds the faultlines within and between the various Catholic communities of the Atlantic archipelago Eschewing any confessional bias Highley's book is an interdisciplinary cultural study of an important but neglected dimension of Early Modern English Catholicism In charting the complex Catholic engagement with questions of cultural and national identity he discusses a range of genres texts and documents both in print and manuscript including ecclesiastical histories polemical treatises antiquarian tracts and

correspondence His argument weaves together a rich historical narrative of people events and texts while also offering contextualized close readings of specific works by figures such as Edmund Campion Robert Persons Thomas Stapleton and Richard Verstegan **Martyrdom and Literature in Early Modern England** Susannah Brietz Monta,2005-03-10 A comprehensive comparison of the representations of early modern Protestant and Catholic martyrs
