Economic Growth Low Income And Housing In South Korea:

Economic Growth, Low Income and Housing in South Korea Kim Woo-Jin, 1997-01-12 a wide ranging scholarly and humane book which should be read by anyone seriously interested in this country David Donnison From the devastation of the Korean war there emerged one of the most dynamic rapidly growing economies the world has ever seen Starting from a concern about the housing of people struggling to survive on low incomes in the cities of South Korea Kim Woo Jin throws light upon the whole development of Korean society since the civil war He argues that housing has played a central part in both the development of the economy and its more recent slowdown In the future housing policies may play their part in resisting the destructive forces that the probable reunification of North and South will bring and recreate hope for the future

Economic Growth, Low Income, and Housing in South Korea Woo-Jin Kim, 1997-01-01 *Economic Growth, Low Income and Housing in S. Korea* Kim Woo-Jin, 1995

Social Welfare Development in East Asia K. Tang, 2000-10-03 Comparative social policy has long neglected welfare development in Asia Not much is known about social welfare in the economically successful East Asian tigers Hong Kong Korea Singapore and Taiwan They are late starters in social welfare but each has its own trajectory of welfare development Despite the presence of extensive social welfare they have shied away from western style welfare states The presence of strong developmental states and their development ethos explain in large part the underdevelopment of state welfare *Changing Governance and Public Policy in East Asia* Ka Ho Mok, Ray

Forrest, 2008-11-24 This book offers critical analysis of the search for new governance in Asia comparing and contrasting the experiences of different Asian societies including China Japan Hong Kong Singapore Taiwan South Korea Malaysia and Thailand

East Asian Transformation Jeffrey Henderson, 2011-02-25 From the re emergence of Japan as an industrial power in the 1950s through to the contemporary rise of China as a potential economic and political behemoth the story of East Asian development has been central to any serious analysis of the dynamics and trajectory of the global political economy Integrated into a coherent critical narrative this book examines key political economic and social dynamics that helped forge the miracle economies of East Asia and continue to drive them forward in the volatile circumstances of our current epoch It analyses the relation between the state and markets the changing nature of economic governance and its relation to inequality and the rise of China and its international consequences Historically informed and comparative in nature the book contributes to the analysis of the transformations of Japan Hong Kong South Korea Taiwan Singapore Malaysia and China and is the first to cover the ground in one volume Written by a leading analyst of East Asian development the book engages with the relevant issues and debates in an open non technical language making it useful as an advanced textbook not only for East Asian studies but more generally in international political economy and development studies

Seeking Shelter on the Pacific Rim Gary Dymski, Dorene Isenberg, 2018-10-24 This innovative book analyzes the changes that financial globalization is bringing about in the housing and home finance markets of the United States Japan and South Korea with special attention to the circumstances of women in obtaining housing credit and personal security The book s focus on changes in the residential and housing finance markets serves as a window for an integrated examination of how the liberalization of national financial markets has affected the relationship among all players in each of the three economies government markets and individual citizens Through this examination Housing Finance Futures develops a new critical response to economic globalization based on a groundbreaking concept the social efficiency of policy and market shifts

Urban Growth and Development in Asia Graham P. Chapman, Ashok K. Dutt, 2019-01-15 First published in 1999 this volume begins with a panoramic survey by Nigel Harris of the drama of Asian Urbanization based on the inaugural plenary lecture he gave to the 5th Asian Urbanization Conference held in London In the following chapters many experts and practitioners from different countries and cities provide a stimulating portrayal of the processes and outcomes of one of the greatest shifts of population not just absolutely but proportionately as well ever to have occurred in human history Asia includes more than half the world s population but apart from the Tiger economies and Japan it is still overwhelmingly rural In the last decade or so urbanization has really begun to take off and the shift of population to the cities represents one of the greatest population movements the planet has ever seen By 2030 more than 50% of Asia s population will be urban and between now and then more than 500 million people in Asia will have moved looking for jobs housing food and water They will be both part of a problem and most of the solution building around them the cities they will live in **International**

Housing Market Experience and Implications for China Rebecca L. H. Chiu, Zhi Liu, Bertrand Renaud, 2019-03-18 Recent rapid housing market expansion in China is presenting new challenges for policy makers planners business people and citizens Now that housing in middle income China is driven by consumer choices and is no longer dominated by state policy decisions housing policy issues in Chinese cities are becoming increasingly similar to those encountered in other global housing markets With soaring prices and imbalances in housing supply favoring high income groups and housing demand driven by rising inequality in household incomes many middle and lower income households face worsening choices in terms of the quality and location of their housing as well as greater financial difficulties which together can have negative implications for standards of public health This book examines the impact of these changes on the general population as well as on aspiring homeowners and developers The contributors look at the effect on the widening of wealth gaps slower economic growth and threats to political and social stability Though focusing on China the editors also present discussions of specific policy design challenges encountered in Australia Japan Korea the Netherlands the Nordic countries Singapore Taiwan the UK and the US This book would be of interest to housing policy makers as well as academics who are studying the social and political effects of the Chinese housing market

Global Gentrifications Lees, Loretta, Shin, Hyun Bang, Ernesto López Morales, 2015-01-26 This comprehensive book uses a rich array of case studies from cities in Asia Latin America Africa Southern Europe and beyond to highlight the intensifying global struggle over urban space and underline gentrification as a growing and important battleground in the contemporary world

Mass Housing Miles Glendinning, 2021-03-25 Shortlisted for the Alice Davis Hitchcock Medallion 2021 The Society of Architectural Historians of Great Britain It will become the standard work on the subject Literary Review This major work provides the first comprehensive history of one of modernism s most defining and controversial architectural legacies the 20th century drive to provide homes for the people Vast programmes of mass housing high rise low rise state funded and built in the modernist style became a truly global phenomenon leaving a legacy which has suffered waves of disillusionment in the West but which is now seeing a dramatic 21st century renaissance in the booming crowded cities of East Asia Providing a global approach to the history of Modernist mass housing production this authoritative study combines architectural history with the broader social political cultural aspects of mass housing particularly the mass politics of power and state building throughout the 20th century Exploring the relationship between built form ideology and political intervention it shows how mass housing not only reflected the transnational ideals of the Modernist project but also became a central legitimizing pillar of nation states worldwide In a compelling narrative which likens the spread of mass housing to a Hundred Years War of successive campaigns and retreats it traces the history around the globe from Europe via the USA Soviet Union and a network of international outposts to its ultimate optimistic resurgence in China and the East where it asks Are we facing a new dawn for mass housing or another great housing failure in the making

Community-Based Urban Development Im Sik Cho, Blaž

Križnik,2016-12-04 The book compares different approaches to urban development in Singapore and Seoul over the past decades by focusing on community participation in the transformation of neighbourhoods and its impact on the built environment and communal life Singapore and Seoul are known for their rapid economic growth and urbanisation under a strong control of developmental state in the past However these cities are at a critical crossroads of societal transformation where participatory and community based urban development is gaining importance This new approach can be seen as a result of a changing relationship between the state and civil society where an emerging partnership between both aims to overcome the limitations of earlier urban development The book draws attention to the possibilities and challenges that these cities face while moving towards a more inclusive and socially sustainable post developmental urbanisation By applying a comparative perspective to understand the evolving urban paradigms in Singapore and Seoul this unique and timely book offers insights for scholars professionals and students interested in contemporary Asian urbanisation and its future trajectories

Misery beneath the Miracle in East Asia Arvid J. Lukauskas,Yumiko Shimabukuro,2024-12-15 Misery beneath the Miracle in East Asia challenges prevailing views of the East Asian economic miracle Existing scholarship has overlooked the severity persistence and harmful consequences of the social welfare crises affecting the region Arvid J Lukauskas and Yumiko Shimabukuro fill this gap and put a major asterisk on East Asia s economic record Combining big picture analysis abundant data a dynamic interdisciplinary framework and powerful human stories they shed light on the social ills that governments have failed to address adequately including low wages child abuse elderly poverty and substandard housing One of the major forces behind the multidimensional welfare crises is the region s productivist welfare strategy which prioritizes economic growth while abandoning a robust social safety net leaving the most vulnerable segments of society largely unprotected Misery beneath the Miracle in East Asia brings the region into debates over the dangers of seeking growth at all costs that are currently embroiling the United States and other advanced industrialized countries

The Process of Economic Development James M. Cypher,James L. Dietz,2004 This textbook includes discussions of such topics as the environment the debt case export led industrialization import substitution industrialization growth theory and technological capability

Pacific Affairs ,1998 *Demographic Change and Housing Wealth:* John Doling,Marja Elsinga,2012-08-11 Across the EU populations are shrinking and ageing An increasing burden is being placed on a smaller working population to generate the taxes required for pensions and care costs Welfare states are weakening in many countries and across Europe households are being increasingly expected to plan for their retirement and future care needs within this risky environment At the same time the proportion of people buying their own home in most countries has risen so that some two thirds of European households now own their homes Housing equity now considerably exceeds total European GDP This book discusses questions like to what extent might home ownership provide a potential cure for some of the consequences of ageing populations by realizing housing equity in order to meet the consumption needs of older people What

does this mean for patterns of inheritance and longer term inequalities across Europe And to what extent are governments banking on their citizens utilising their housing wealth now and in the future *De Gruyter Handbook of Contemporary Welfare States* Bent Greve,2022-09-06 Globalisation regionalisation new technology demography voters expectations and re structuring of societies are expected to influence welfare state development for years to come This handbook analyses how different welfare state models and regimes will be able to cope with contemporary and future challenges providing a variety of evidence based tools that make it essential reading for students researchers and policy makers alike The Management Of Success Kernial Singh Sandhu,Paul Wheatley,Kernial Singh Sandhu (A),2019-06-19 A collection of analytical reflections on how the island of Singapore has been transformed from a colony in a crumbling empire into a thriving modern secular independent republic These are the results of a five year project by the Institute of Southeast Asian Studies
