## **Economic Rights:**

**Social and Economic Rights in the Soviet Bloc** G. George R. Urban, With minor changes this book is an enlarged version of the August 1987 issue no 127 of Survey magazine A wide range of social and economic issues are addressed by drawing documentary evidence from both official and unofficial sources reports interviews articles to apply the Communist government s own terms of reference in an assessment of its record of progress No index Annotation c 2003 Book News Inc Portland OR booknews com

**Social and Economic Rights in Theory and Practice** Helena Alviar García,Karl Klare,Lucy A. Williams,2014-09-19 Since World War II a growing number of jurisdictions in both the developing and industrialized worlds have adopted progressive constitutions that guarantee social and economic rights SER in addition to political and civil rights Parallel developments have occurred at transnational level with the adoption of treaties that commit signatory states to respect and fulfil SER for their peoples This book is a product of the International Social and Economic Rights Project iSERP a global consortium of judges lawyers human rights advocates and legal academics who critically examine the effectiveness of SER law in promoting real change in people s lives The book addresses a range of practical political and legal questions under these headings with acute sensitivity to the racial cultural and gender implications of SER and the path breaking SER jurisprudence now emerging in the Global South The book brings together internationally renowned experts in the field of social and economic rights to discuss a range of rights controversies from both theoretical and practical perspectives Contributors of the book consider specific issues in the litigation and adjudication of SER cases from the differing standpoints of activists lawyers and adjudicators in order to identify and address the specific challenges facing the SER community This book will be of great use and interest to students and scholars of comparative constitutional law human rights public international law development studies and democratic political theory

**Fulfilling Social and Economic Rights** Sakiko Fukuda-Parr,Terra Lawson-Remer,Susan Randolph,2015-01-02 This book charts new territory in examining state performance in progressively realizing social and economic rights Developing a new measure the SERF Index and data set it provides a global picture of progress regress and disparities between and within countries explores factors influencing country performance and draws implications for the theory of progressive realization and state accountability

**Socio-economic Rights in the South African Constitution** Mandla Seleane,2001 This publication will assist researchers students and the public in their understanding of socio economic rights

**Socio-economic Rights, Inequalities and Vulnerability in Times of Crises** Andrea Broderick,Jennifer Sellin,2024-12-09 This timely book explores the key lessons that can be learned from the COVID 19 pandemic adopting a forward looking approach to the socio economic rights of vulnerable groups It highlights the ways in which we can better prepare for future times of crises

**Copyright Reconstructed: Rethinking Copyright's Economic Rights in a Time of Highly Dynamic Technological and Economic Change** P. Bernt Hugenholtz,2018-04-11 About this book Copyright Reconstructed is the result of a collaborative

research project *Reconstructing Rights* funded by Microsoft Europe that normatively examined the core economic rights protected under EU copyright law with the aim of realigning these rights with economic and technological realities. It follows an interdisciplinary approach combining economic and legal methods. The book presents various concurring future models of reconstructed copyright law. The historical evolution of copyright has led to a growing disconnect between the legal definitions of economic rights and the business and technological realities they regulate, eroding copyright's normative content and distorting the scope of its economic rights. What's in this book: This book is structured as follows. Following a historical chapter that illustrates how a structure of media-specific economic rights has developed in international copyright law as copyright's catalogue of rights, a number of alternative models for reconstructing rights are presented in the form of chapters by Europe's most respected copyright scholars and economists focusing on potentially copyright-relevant acts that lie at the borders of exclusive rights: digital resale, private copying, hyperlinking and embedding, cable retransmission, and text and data mining. How this will help you: Offering the most incisive current thinking on copyright's economic rights in an increasingly networked world where acts of usage of works occur on a global or regional scale rather than on a purely national territorial basis, this book will be of immeasurable value not only to academics but also to practitioners and professionals in intellectual property law. This book guides copyright lawyers and scholars in the fields of international and EU copyright law in understanding the nexus between copyright law and technological and economic change. It also helps lawmakers and judges at the European national and international levels formulate legislative responses to the challenges of the digital environment.

**Transitional Justice, Corporate Accountability and Socio-Economic Rights** Laura García Martín, 2019-07-25 This book explores the intersection of two emergent and vibrant fields of study in international human rights law: transitional justice and corporate accountability for human rights abuses. While both have received significant academic and political attention, the potential links between them remain largely unexplored. This book addresses the normative question of how international human rights law should deal with corporate accountability and violations of economic, social, and cultural rights in transitional justice processes. Drawing on the Argentinian transitional justice process, the book outlines the theoretical and practical challenges of including corporate accountability in transitional justice processes through existing mechanisms. Offering specific insights about how to deal with those challenges, it argues that consideration of the role of all actors and the whole spectrum of human rights violated is crucial to properly address the root causes of violence and conflict as well as to contribute to a sustainable and positive peace. This interdisciplinary book will be of interest to students and scholars of transitional justice, human rights law, corporate law, and international law.

[The State of Economic and Social Human Rights](#) Lanse Minkler, 2013-01-07 This edited volume offers original scholarship on economic and social human rights from leading and new cutting-edge scholars in the fields of economics, law, political science, sociology, and anthropology. It analyzes the core economic and social rights and the crucial topic of non-discrimination and includes an

innovative section on meta rights The main chapters answer important questions about economic and social rights performance around the world by emphasizing the obstacles that prevent governments from fulfilling their obligations The interdisciplinary analysis offers a detailed and up to date discussion to help scholars and policy makers find the best ways to instantiate economic and social rights The authors examine the role of the associated obligations and especially the obstacles to respect protect and fulfil those obligations The book s introductory and concluding chapters address conceptual issues and correct mistakes often made by critics of economic and social rights

### **Handbook of Human Rights** Thomas

Cushman,2012-02-20 In mapping out the field of human rights for those studying and researching within both humanities and social science disciplines the Handbook of Human Rights not only provides a solid foundation for the reader who wants to learn the basic parameters of the field but also promotes new thinking and frameworks for the study of human rights in the twenty first century The Handbook comprises over sixty individual contributions from key figures around the world which are grouped according to eight key areas of discussion foundations and critiques new frameworks for understanding human rights world religious traditions and human rights social economic group and collective rights critical perspectives on human rights organizations institutions and practices law and human rights narrative and aesthetic dimension of rights geographies of rights In its presentation and analysis of the traditional core history and topics critical perspectives human rights culture and current practice this Handbook proves a valuable resource for all students and researchers with an interest in human rights

*Legitimizing Human Rights NGOs* Obiora Chinedu Okafor,2006 A claim and empirical demonstration that if human rights NGOs in Nigeria are to popularly legitimise themselves then almost all of them must undergo a fundamental revision of form concept and activist methods Legitimising NGOs in Africa will grant a greater achievement of influence to those organisations this volume argues that only a transition to a mass movement model will ensure the legitimisation of most Nigerian and African human rights NGO communities Okafor builds a list of recommendations designed to be used as a blueprint for successfully popularising NGOs

**Economic Rights** Shareen Hertel,Lanse Minkler,2007-08-20 This book assesses economic rights defined as the right to a decent standard of living the right to work and the right to basic income support for people who cannot work It explains how economic rights evolved historically how they are measured and how they can be implemented internationally The book includes chapters by leading scholars in economics law and political science Unlike many other books on the subject this one includes a substantial introduction and is tightly organized around three themes concepts measurement and policy implementation of economic rights

**International Human Rights** Philip Alston,Ryan Goodman,2013 The successor to International human rights in context law politics and morals

International Human Rights, Social Policy and Global Development Gerard McCann,Féilim Ó hAdhmaill,2020-04-29 With international

human rights under challenge this book represents a comprehensive critique that adds a social policy perspective to recent political and legalistic analysis Expert contributors draw on local and global examples to review constructs of universal rights

and their impact on social policy and human welfare With thorough analysis of their strengths weaknesses and enforcement it sets out their role in domestic and geopolitical affairs Including a forward by Albie Sachs this book presents an honest appraisal of both the concepts of international human rights and their realities It will engage those with an interest in social policy ethics politics international relations civil society organisations and human rights based approaches to campaigning and policy development

**Social Rights and the Constitutional Moment** Koldo Casla, Magdalena Sepúlveda, Vicente Silva, Valentina Contreras, 2022-06-02 Chile's constitutional moment began as a popular demand in late 2019 This collection seizes the opportunity of this unique moment to unpack the context difficulties opportunities and merits to enhance the status of environmental and social rights health housing education and social security in a country's constitution Learning from Chilean and international experiences from the Global South and North and drawing on the analysis of both academics and practitioners the book provides rigorous answers to the fundamental questions raised by the construction of a new constitutional bill of rights that embraces climate and social justice With an international and comparative perspective chapters look at issues such as political economy the judicial enforceability of social rights implications of the privatisation of public services and the importance of active participation of most vulnerable groups in a constitutional drafting process Ahead of the referendum on a new constitution for Chile in the second half of 2022 this collection is timely and relevant and will have direct impact on how best to legislate effectively for social rights in Chile and beyond

Comparative Constitutional Law in Africa Rosalind Dixon, Tom Ginsburg, Adem Abebe, 2022-12-06 This timely book is a crucial resource on the rich diversity of African constitutional law making a significant contribution to the increasingly important field of comparative constitutional law from a historically understudied region Offering an examination of substantive topics from multiple jurisdictions it emphasises issues of local importance while also providing varied perspectives on common challenges across the continent

*Regional Human Rights Systems* Christina M. Cerna, 2016-12-05 Over the past sixty years the regional human rights systems have surpassed the UN human rights bodies in affording protection to the victims of human rights violations Most of these systems have courts that are empowered to issue legally binding judgments and reparations for violations of human rights which states have been unwilling to accord the UN system The essays selected for this volume examine the structure and functioning of the principal regional human rights systems in the world today 1 the Inter American Commission and Court of Human Rights 2 the European Court of Human Rights 3 the African Commission and Court of Human and Peoples Rights and 4 the ASEAN Intergovernmental Human Rights Commission These systems guarantee primarily civil and political rights Central to all four systems is the necessity of a democratic form of government to guarantee these rights although not all governments parties to these regional treaties are democracies These articles trace the history of these systems in particular the expansion of their membership to include almost all independent countries in the region and their evolution towards recognition of a right to democracy

**Equality and**

**Non-discrimination in South Africa** Shadrack Gutto, 2001 This study explores and critiques law and law making in the nascent constitutional democracy in the new South Africa with a focus on the complex roles of the executive parliament political parties the media and civil society The capacity and potential in the judiciary and the legal profession in promoting and protecting values and rights of equality and non discrimination is examined Substantive equality and non discrimination law in theory and in practice is considered critically from a broad historical and social context that highlights areas of race gender disability harassment and hate speech socio economic rights and legal services International human rights law and comparative law aspects are skillfully interwoven in this pioneering scholarly work Human Rights as War by Other Means

Jennifer Curtis, 2014-07-28 Combining firsthand ethnographic reportage with historical research Human Rights as War by Other Means traces the use of rights discourse in Northern Ireland's politics from the local civil rights campaigns of the 1960s to present day activism for truth recovery and LGBT equality

### **Security Rights in Intellectual Property**

Eva-Maria Kieninger, 2020-06-11 This book discusses the main legal and economic challenges to the creation and enforcement of security rights in intellectual property and explores possible avenues of reform such as more specific rules for security in IP rights and better coordination between intellectual property law and secured transactions law In the context of business financing intellectual property rights are still only reluctantly used as collateral and on a small scale If they are used at all it is mostly done in the form of a floating charge or some other all asset security right The only sector in which security rights in intellectual property play a major role at least in some jurisdictions is the financing of movies On the other hand it is virtually undisputed that security rights in intellectual property could be economically valuable or even crucial for small and medium sized enterprises especially for start ups which are often very innovative and creative but have limited access to corporate financing and must rely on capital markets securitization capital market Therefore they need to secure bank loans yet lack their own traditional collateral such as land

**Making Sense of Human Rights** James W. Nickel, 1987 This fully revised and extended edition of James Nickel's classic study explains and defends the contemporary conception of human rights Combining philosophical legal and political approaches Nickel explains international human rights law and addresses questions of justification and feasibility New revised edition of James Nickel's classic study Explains and defends the conception of human rights found in the Universal Declaration of Human Rights 1948 and subsequent treaties in a clear and lively style Covers fundamental freedoms due process rights social rights and minority rights Updated throughout to include developments in law politics and theory since the publication of the first edition New features for this edition include an extensive bibliography and a chapter on human rights and terrorism

### **Economic Rights Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Economic Rights free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Economic Rights free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Economic Rights free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers

voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Economic Rights. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Economic Rights any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Economic Rights Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Economic Rights is one of the best book in our library for free trial. We provide copy of Economic Rights in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Economic Rights. Where to download Economic Rights online for free? Are you looking for Economic Rights PDF? This is definitely going to save you time and cash in something you should think about.
