Ecstasys Paradise:

Death, Ecstasy, and Other Worldly Journeys John J. Collins, Michael Fishbane, 1995-03-09 Belief in a spirit world and a blissful or agonizing afterlife is one of the most pervasive and deeply rooted characteristics of religion. This volume offers a wide ranging exploration of this basic religious theme. Most of the case studies are drawn from Jewish and Christian tradition providing in depth coverage of Judaism and Christianity from late Antiquity through the Medieval period. There are also examples from Islamic, Japanese and Chinese traditions for a comparative perspective with Western traditions. Several chapters deal with the formative period of Jewish and Christian apocalypticism which is concerned not only with the end of the physical world but also with the eternal heavenly world. These chapters are also important for illustrating the development of mysticism in Western traditions. The most distinctive aspect of this book is that it does not deal with antiquity alone but juxtaposes the historical essays with a survey of modern day near death experiences. It raises issues of fundamental importance for the psychology of religion as well as for its history. Bloomsbury Handbook of Religious Ecstasy Alison Marshall, Rubina Ramji, Michael Wilkinson, 2025-03-20 Why do people seek a connection to something beyond the social dimensions of the world? Ecstatic experiences are often labelled religious, spiritual, mystical or even sacred. However, ecstasy is not just extraordinary for many people throughout the world; it is an ordinary part of daily life. The Handbook highlights the diverse individuals who have experienced ecstasy in the past and present, from ordinary people to mystics, pastors, healers, spirit mediums and urban neo-therapeutic shamans. Chapters show that ecstasy may be experienced during trance, possession, prayer and even through the use of drugs such as soma, peyote, ayahuasca, ibogaine, mushrooms, LSD and other substances. While institutional expressions of religion may be on the decline, experiences of religious ecstasy and interactions among living people and gods, saints, angels and demons, individually and

collectively are happening everywhere occurring at home online in the community and through prayer dance song possession and the ingestion of drugs Ecstatic religious experience as this handbook shows provides meaning belonging and for some profit in the late capitalist marketplace **Clouds of Ecstasy** Jakob Aalborg Solvang,2016-08-21 A young woman s boozy days at college hit a bump when she discovers a strange parasite in her ovaries Her quest to secure funding for the surgical removal of her unwanted guest flings her into a world of relentless madness **Craving for Ecstasy and Natural Highs** Harvey B.
