

Whitman's Ecstatic Union

*Conversion and Ideology in Leaves of
Grass*

■ Michael Sowder

Ecstatic Whitman

David S. Reynolds

Ecstatic Whitman:

The Ecstatic Whitman George Hutchinson, 1986 Whitman's Ecstatic Union Michael Sowder, 2013-10-31 First Published in 2005 Whitman's *Ecstatic Union* rereads the first three editions of *Leaves of Grass* within the context of a nineteenth century antebellum evangelical culture of conversion Though Whitman intended to write a new American Bible and inaugurate a religion contemporary scholarship has often ignored the religious element in his poetry But just as evangelists sought the redemption of America through the reconstruction of individual subjects in conversion *Leaves of Grass* sought to redeem the nation by inducing ecstatic regenerating experiences in its readers Whitman's *Ecstatic Union* explores the ecstasy of conversion as a liminal moment outside of language and culture and employing Althusser's model of ideological interpellation and anthropological models of religious ritual shows how evangelicalism remade subjects by inducing ecstasy and instilling new narratives of identity The book analyzes Whitman's historical relationship to preaching and conversion and reads the 1855 *Song of Myself* as a conversion narrative A focus on the 1856 edition and the poem *To You* explores the sacred seductions at the heart of Whitman's poetry *Crossing Brooklyn Ferry* and Whitman's vision of a world of perfect miracles are then connected to a conception of universal affection uncannily paralleling Jonathan Edwards's ideal of love to being in general A conclusion looks toward the transformations of Whitman's vision in the 1860 edition

The Ecstatic Whitman George Hutchinson, 1986 *The Logic of Ecstasy* Ann Davis, 1992-01-01 None of these painters was motivated solely by mystical concerns each of them also painted works which were of a secular or non spiritual nature None the less they were all deeply interested in and concerned about matters mystical Through a careful examination of the primary documentation Ann Davis looks at the sources of their beliefs in Christianity transcendentalism and theosophy and theories of the fourth dimension and attempts to put some of their major works into new contexts so that familiar paintings can be seen in a new and revealing mystical way Walt Whitman's Native Representations Ed Folsom, 1997-05-28 Moving through Whitman's career four times from four different perspectives this 1994 book investigates several major American cultural developments that occurred during Whitman's lifetime the development of American dictionaries the growth of baseball the evolution of American Indian policy the development of photography became essential components of Whitman's innovative poetics Resisting the usual critical temptation to present a totalised one dimensional Whitman this study views him instead as multiple and contradictory a gatherer of discordant tones and clashing approaches from a variety of surprising cultural arenas In such cultural activities Whitman found not his poetic subject so much as his poetic tools and techniques These cultural actions taught him how to make native representations **Mania for Freedom** John Mac Kilgore, 2016-09-19 Nothing great was ever achieved without enthusiasm wrote Ralph Waldo Emerson in 1841 While this statement may read like an innocuous truism today the claim would have been controversial in the antebellum United States when enthusiasm was a hotly contested term associated with religious fanaticism and poetic inspiration revolutionary politics and imaginative excess

In analyzing the language of enthusiasm in philosophy religion politics and literature John Mac Kilgore uncovers a tradition of enthusiasm linked to a politics of emancipation The dissenting voices chronicled here fought against what they viewed as tyranny while using their writings to forge international or antinationalistic political affiliations Pushing his analysis across national boundaries Kilgore contends that American enthusiastic literature unlike the era s concurrent sentimental counterpart stressed democratic resistance over domestic reform as it navigated the global political sphere By analyzing a range of canonical American authors including William Apess Phillis Wheatley Harriet Beecher Stowe and Walt Whitman Kilgore places their works in context with the causes wars and revolutions that directly or indirectly engendered them In doing so he makes a unique and compelling case for enthusiasm s centrality in the shaping of American literary history

So Long! Walt Whitman's Poetry of Death Harold Aspiz, 2004 Through a close reading of *Leaves of Grass* its constituent poems particularly *Song of Myself* and Whitman s prose and letters Aspiz charts how the poet s exuberant celebration of life is a consequence of his central concern the ever presence of death and the prospect of an afterlife

Walt Whitman's Mystical Ethics of Comradeship Juan A. Hererro Brasas, 2010-03-24 A giant of American letters Walt Whitman is known both as a poet and to a lesser extent as a prophet of gay liberation This revealing book recovers for today s reader a lost Whitman delving into the original context and intentions of his poetry and prose As Juan A Herrero Brasas shows Whitman saw himself as a founder of a new religion Indeed disciples gathered around him the hot little prophets as they came to be called by early biographers Whitman s religion revolved around his concept of comradeship an original alternative to the type of competitive masculinity emerging in the wake of industrialization and nineteenth century capitalism Shedding new light on the life and original message of a poet who warned future generation of treating him as a literary figure Herrero Brasas concludes that Whitman was a moral reformer and grand theorist akin to other grand theorists of his day

The Routledge Encyclopedia of Walt Whitman J.R. LeMaster, Donald Kummings, 2013-09-05 The Routledge Encyclopedia of Walt Whitman presents a comprehensive resource compiled by over 200 internationally recognized contributors including such leading Whitman scholars as James E Miller Jr Roger Asselineau Betsy Erkkila and Joel Myerson Now available for the first time in paperback this volume comprises more than 750 entries arranged in convenient alphabetical format Coverage includes biographical information all names dates places and events important to understanding Whitman s life and career Whitman s works essays on all eight editions of *Leaves of Grass* major poems and poem clusters principal essays and prose works as well as his more than two dozen short stories and the novel *Franklin Evans* prominent themes and concepts essays on such major topics as democracy slavery the Civil War immortality sexuality and the women s rights movement significant forms and techniques such as prosody symbolism free verse and humour important trends and critical approaches in Whitman studies including new historicist and cultural criticism psychological explorations and controversial issues of sexual identity surveys of Whitman s international impact as well as an assessment of his literary legacy Useful for students researchers

librarians teachers and Whitman devotees this volume features extensive cross references numerous photographs of the poet a chronology a special appendix section tracking the poet's genealogy and a thorough index Each entry includes a bibliography for further study *Walt Whitman's America* David S. Reynolds, 1996-03-19 Winner of the Bancroft Prize and the Ambassador Book Award and Finalist for the National Book Critics Circle Award In his poetry Walt Whitman set out to encompass all of America and in so doing heal its deepening divisions This magisterial biography demonstrates the epic scale of his achievement as well as the dreams and anxieties that impelled it for it places the poet securely within the political and cultural context of his age Combing through the full range of Whitman's writing David Reynolds shows how Whitman gathered inspiration from every stratum of nineteenth century American life the convulsions of slavery and depression the raffish dandyism of the Bowery boys the exuberant rhetoric of actors orators and divines We see how Whitman reconciled his own sexuality with contemporary social mores and how his energetic courtship of the public presaged the vogues of advertising and celebrity Brilliantly researched captivatingly told *Walt Whitman's America* is a triumphant work of scholarship that breathes new life into the biographical genre **Whitman's Presence** Tenney Nathanson, 1994-03 Nathanson addresses with renewed insight a problem that has vexed Whitman scholars at least since James E Miller Jr's *A Critical Guide to Leaves of Grass* turned Whitman into a respectable academic subject that is the unusual status of Whitman's poetic voice The overall result is the finest articulation of Whitman's project in existence Donald Pease Department of English Dartmouth College What enables Nathanson to perform a feat no other critic has accomplished depends as much on his awareness of a range of thinkers from Wittgenstein to J L Austin and Derrida as on his sense of the qualities of poetry he gives the term presence a cultural as well as poetic significance which opens out to cultural history and makes Whitman as much a representative presence in the culture as our unequalled poet I see this as a central book about our literature Quentin Anderson J C Levi Professor in the Humanities Emeritus Columbia University **Telegraphies** Kay Yandell, 2019 *Telegraphies* reveals a body of literature in which Americans of all ranks imagine how nineteenth century telecommunications technologies forever alter the way Americans speak write form community and conceive of the divine

On the Universality of What Is Not William Franke, 2020-10-31 Branching out from his earlier works providing a history and a theory of apophatic thinking William Franke's newest book pursues applications across a variety of communicative media historical periods geographical regions and academic disciplines moving from the literary humanities and cultural theory and politics to more empirical fields such as historical anthropology evolutionary biology and cognitive science *On the Universality of What Is Not: The Apophatic Turn in Critical Thinking* is an original philosophical reflection that shows how intransigent deadlocks debated in each of these arenas can be broken through thanks to the uncanny insights of apophatic vision Leveraging Franke's distinctive method of philosophical religious and literary thinking and practice *On the Universality of What Is Not* proposes a radically unsettling approach to answering or suspending perennial questions of

philosophy and religion as well as to dealing with some of our most pressing dilemmas at present at the university and in the socio political sphere In a style of exposition that is as lucid as it is poetic deep rooted tensions between alterity and equality in all these areas are exposed and transcended **Writers of the American Renaissance** Denise Knight,2003-12-30 The

American literary canon has undergone revision and expansion in recent years and our notions of the 19th century renaissance have been reevaluated Mainstream anthologies have been revised to reflect the expanding literary canon yet resources for readers have remained widely scattered This book expands earlier definitions of the 19th century American Renaissance as represented by canonical writers such as Emerson and Poe covering writers who published popular fiction and dominated the literary marketplace of the day Included is generous coverage of women writers and writers of color The volume provides alphabetically arranged entries for more than 70 writers of the period including Louisa May Alcott Emily Dickinson Frederick Douglass Margaret Fuller Nathaniel Hawthorne Herman Melville Harriet Beecher Stowe Henry David Thoreau Walt Whitman and many more Each entry was written by an expert contributor and includes a brief biography a discussion of major works and themes a survey of the writer s critical reception and primary and secondary bibliographies

Encyclopedia of American Poetry: The Nineteenth Century Eric L. Haralson,2014-01-21 With contributions from over 100 scholars the Encyclopedia of American Poetry The Nineteenth Century provides essays on the careers works and backgrounds of more than 100 nineteenth century poets It also provides entries on specialized categories of twentieth century verse such as hymns folk ballads spirituals Civil War songs and Native American poetry Besides presenting essential factual information each entry amounts to an in depth critical essay and includes a bibliography that directs readers to other works by and about a particular poet **Blowing Clover, Falling Rain** W. Travis Helms,2020-11-06 The field of theopoetics explores the ways

in which we make God present particularly through language This book explores questions of theopoetics as they relate to the central poetry of the American Sublime It offers a fresh theological engagement with what literary critic Harold Bloom terms the American religion transcendentalism Emerson s homespun mysticism Specifically it seeks to rehabilitate Emerson s concept of self reliance from the charge of gross egoism by situating it in the context of normative mysticisms Eastern and Western It undertakes a more poetic approach to reading theologically inflected poetry by exegeting four poets collectively constituting Bloom s American religious canon Ralph Waldo Emerson Walt Whitman Wallace Stevens and Hart Crane It utilizes a modified version of the ancient fourfold allegorical mode of reading Scripture to draw out theological dimensions of four quintessential texts Nature Song of Myself Sunday Morning Lachrymae Christi in order to offer a more imaginative way of reading imaginative writing Building on Emerson s contention just as there is creative writing there is creative reading and Bloom s claim a theory of poetry must be poetry before it can be of any use in interpreting poems it demonstrates the unique viable ways in which poems are able to do theology and perform or embody theopoetic truths *Manhood and the American Renaissance* David Leverenz,2019-06-30 In the view of David Leverenz such nineteenth century American male

writers as Emerson Hawthorne Melville Thoreau and Whitman were influenced more profoundly by the popular model of the entrepreneurial man of force than they were by their literary precursors and contemporaries Drawing on the insights of feminist theory gender studies psychoanalytical criticism and social history *Manhood and the American Renaissance* demonstrates that gender pressures and class conflicts played as critical a role in literary creation for the male writers of nineteenth century America as they did for the women writers Leverenz interprets male American authors in terms of three major ideologies of manhood linked to the social classes in the Northeast patrician artisan and entrepreneurial He asserts that the older ideologies of patrician gentility and of artisan independence were being challenged from 1820 to 1860 by the new middle class ideology of competitive individualism The male writers of the American Renaissance patrician almost without exception in their backgrounds and self expectations were fascinated yet horrified by the aggressive materialism and the rivalry for dominance they witnessed in the undeferential new men In close readings of the works both of well known male literary figures and of then popular authors such as Richard Henry Dana Jr and Francis Parkman Leverenz discovers a repressed center of manhood beset by fears of humiliation and masochistic fantasies He discerns different patterns in the works of Whitman with his artisan s background and Frederick Douglass who rose from artisan freedom to entrepreneurial power Emphasizing the interplay of class and gender Leverenz also considers how women viewed manhood He concludes that male writers portrayed manhood as a rivalry for dominance but contemporary female writers saw it as patriarchy Two chapters contrast the work of the genteel writers Sarah Hale and Caroline Kirkland with the evangelical works of Susan Warner and Harriet Beecher Stowe A bold and imaginative work *Manhood and the American Renaissance* will enlighten and inspire controversy among all students of American literature nineteenth century American history and the relation of gender and literature

Encyclopedia of Life Writing Margaretta Jolly, 2013-12-04 First published in 2001 Routledge is an imprint of Taylor Francis an informa company

[Prospects for the Study of American Literature](#) Richard Kopley, 1997-08

What can there possibly be left to say about This common litany resonant both in and outside of academia reflects a growing sense that the number of subjects and authors appropriate for literary study is rapidly becoming exhausted Take heart admonishes Richard Kopley in this dynamic new anthology for this is decidedly not the case While generations of literary study have unquestionably covered much ground in analyzing canonical writers many aspects of even the most well known authors both their lives and their work remain underexamined Among the authors discussed are T S Eliot Ralph Waldo Emerson William Faulkner Harriet Beecher Stowe Walt Whitman Ernest Hemingway Richard Wright Edith Wharton Nathaniel Hawthorne Zora Neale Hurston Henry James Willa Cather Herman Melville Edgar Allan Poe Henry David Thoreau and Mark Twain

Leaves of Grass Susan Belasco, Ed Folsom, Kenneth M. Price, 2007 Contains seventeen essays by pre eminent scholars representing a variety of critical perspectives that focus on Walt Whitman s *Leaves of Grass* This book features contributors who treat Whitman s poetry his biography his politics his reception in the United States and abroad

race and ethnic issues and nineteenth century America

Ecstatic Whitman Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ecstatic Whitman has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ecstatic Whitman has opened up a world of possibilities. Downloading Ecstatic Whitman provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ecstatic Whitman has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ecstatic Whitman. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ecstatic Whitman. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ecstatic Whitman, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ecstatic Whitman has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Ecstatic Whitman Books

What is a Ecstatic Whitman PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Ecstatic Whitman PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Ecstatic Whitman PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Ecstatic Whitman PDF to another file format? There are multiple ways to convert a PDF to another format:

Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Ecstatic Whitman PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file?

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
