## **Ecumenical Faith In Evangelical Perspective:**

*Ecumenical Faith in Evangelical Perspective* Gabriel J. Fackre, 1993 What do ecumenical and evangelical have to do with each other In terms of actual dialogue these two polarized camps have had all too little contact with one another says Gabriel Fackre A self confessed evangelical ecumenical Fackre believes that the two constituencies have much to learn from one another so he here takes up topics and persons from the vantage point of evangelical ecumenical convergence His distinctions definitions connections and insights in this volume will engage evangelicals and ecumenicals alike Fackre concludes his discussion with a discerning examination of two representative figures looking at Carl Henry from an ecumenical perspective and at David Tracy from an evangelical perspective BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

**The Scandal of the Evangelical Mind** Mark A. Noll, 2022-03-15 Winner of the Christianity Today Book of the Year Award 1995 The scandal of the evangelical mind is that there is not much of an evangelical mind So begins this award winning intellectual history and critique of the evangelical movement by one of evangelicalism s most respected historians Unsparing in his indictment Mark Noll asks why the largest single group of religious Americans who enjoy increasing wealth status and political influence have contributed so little to rigorous intellectual scholarship While nourishing believers in the simple truths of the gospel why have so many evangelicals failed to sustain a serious intellectual life and abandoned the universities the arts and other realms of high culture Over twenty five years since its original publication *The Scandal of the Evangelical Mind* has turned out to be prescient and perennially relevant In a new preface Noll lays out his ongoing personal frustrations with this situation and in a new afterword he assesses the state of the scandal showing how white evangelicals embrace of Trumpism their deepening distrust of science and their frequent forays into conspiratorial thinking have coexisted with surprisingly robust scholarship from many with strong evangelical connections

**The Christian Faith** Carl E. Braaten, 2020-05-29 This single volume of dogmatics is an introduction to the Christian faith as such written from an intentionally ecumenical perspective Although this book is written by a Lutheran its aim is to draw from the deep wells of the Christian tradition its creeds and confessions common to all denominations Denominational dogmatics tends to define and defend the teachings of the Christian faith from the perspective of a particular church in distinction from others Ecumenical dogmatics is a relatively new attempt to focus on the beliefs and teachings fundamental to all communities that call themselves Christian Such a project aims to be more irenic than polemical intent on seeking and serving reconciliation and unity in Christ The trinitarian and christological confessions of the first five centuries are foundational for all Eastern Orthodox Roman Catholic and Protestant Reformation churches and despite all their subsequent differences and divisions are quintessential in their journey toward reconciliation and reunion These ancient creeds also suggest the appropriate outline for the organization of the contents of dogmatics even today following the works of the triune God creation redemption and sanctification

*Christology in Context* Gabriel

Fackre, 2006-07-05 *Christology In Context* the newest volume in Gabriel Fackre's long standing *Christian Story* relates the classical teaching about Christ to present day issues that preachers teachers and believers face religious pluralism evangelism the place of angels the problem of evil and more Drawing together reflections on Christology from throughout his life Fackre moves from specific responses to church ministry and parishioners questions through evangelical and ecumenical perspectives to concluding chapters on Christ's life death and resurrection His *Christology in Context* solidly locates the incarnation and the atonement within the overarching biblical narrative in a way that will assist those who tell the story of Christ whether from pulpit study or sidewalk Praise for previous volumes of *The Christian Story* A Pastoral Systematics *The Christian Story* should be a welcome relief to those who are weary of rationalistic theology The people who will welcome it are intuitive thinkers who up to now have not had a theology written for them Robert Webber Gabriel Fackre is a good theologian and an excellent storyteller at the same time His narrative interpretation of basic Christian doctrine is a fascinating adventure in Christian doctrine and Christian life Jürgen Moltmann A penetrating and illuminating study by a respected ecumenical theologian While pioneering and innovative this work nevertheless stands in unmistakable continuity with the basic insights of the Reformation and the apostolic tradition Donald Bloesch

*Christ Jesus, the True Israel* Brent E. Parker, 2024-01-11 What is the relationship between the nation of Israel Jesus Christ and the church Pastors and theologians come to significantly different conclusions The reigning systems of evangelical theology covenant theology and dispensationalism answer this question by stressing the continuity of the Israel church relationship covenant theology or

emphasizing discontinuity dispensationalism In more recent times progressive covenantalism has emerged as a via media between these two theological approaches by providing a different proposal for unpacking the biblical covenants and by highlighting that to rightly understand the people of God in biblical theology the person of Jesus Christ must be the focal point In Christ Jesus the True Israel Brent E Parker presents the case for the importance of typology in this debate arguing that national Israel is a type not unlike other Old Testament types e g the sacrificial system the temple etc that reaches its antitypical fulfillment in Jesus Christ Moreover the Israel church relationship is also typological but only through Christ Parker demonstrates that the progressive covenantal approach is a viable system of theology that seeks to preserve what the whole Bible says regarding the people of God from Israel to Christ and from Christ to the church     **God as Loving Grace** Barry L. **Revitalizing Theological Epistemology** Steven B Sherman, 2010-03-25 In Revitalizing Theological Epistemology Steven B Sherman addresses questions about what evangelical theology ought to be doing in light of the changing cultural situation He wonders if the Christian faith should continue to be presented and defended mainly according to Enlightenment principles when growing criticism of modern thought is affecting virtually every discipline and if evangelicalism and its intellectual leaders ought to wait it out or whether they should re vision their theology This book is about contemporary

severely tested and lost traction during the tumultuous period of the Arab Revolts World War II and the Partition Crisis With the catastrophic war of 1948 the Pentecostal missionaries fled as their Arab clients were swept away in the Palestinian Diaspora After 1948 a valiant attempt was made to revive the mission but only with relative success Although the Pentecostal missionaries failed in their objective of converting Jews and Muslims they were eyewitnesses of the formative events of the Arab Israeli conflict Newberg argues that the Pentecostal missionaries functioned as brokers of Pentecostal Zionism He offers a postcolonial assessment of the Pentecostal missionaries crediting them for advocating philosemitism yet bringing them up short for disregarding the civil rights of Palestinian Arabs espousing Islamophobia and contributing to the forces working against peace in the Holy Land *The Zondervan Encyclopedia of the Bible, Volume 2* Zondervan,2010-08-10 Revised edition Volume 2 of 5 The Zondervan Encyclopedia of the Bible has been a classic Bible study resource for more than thirty years Now thoroughly revised this new five volume edition provides up to date entries based on the latest scholarship Beautiful full color pictures supplement the text which includes new articles in addition to thorough updates and improvements of existing topics Different viewpoints of scholarship permit a wellrounded perspective on significant issues relating to doctrines themes and biblical interpretation The goal remains the same to provide pastors teachers students and devoted Bible readers a comprehensive and reliable library of information More than 5 000 pages of vital information on Bible lands and people More than 7 500 articles alphabetically arranged for easy reference Hundreds of full color and black and white illustrations charts and graphs 32 pages of full color maps and hundreds of black and white outline maps for ready reference Scholarly articles ranging across the entire spectrum of theological and biblical topics backed by the most current body of archaeological research 238 contributors from around the world **A Charismatic Model of the Church** David Y.T. Lee,2018-06-11 Edward Irving 1792 1834 has been known as a controversial pastor theologian in nineteenth century Britain particularly given his belief that Christ took on sinful flesh in His incarnation This book focuses on Irving s teaching of the church as the body of Christ in the power of the Holy Spirit and the eschatological community in holiness It explores Irving s emphasis upon the exalted humanity of Christ after His resurrection in relation to the church Such a Christ centred and Spirit empowered concept of the church has relevance to the twenty first century church in China as the Chinese church leaders attempt to reconstruct a contemporary theology of the church
