Economic And Social Development In South China:

Economic and Social Development in South China Stewart MacPherson, Joseph Yu-Shek Cheng, 1996-01-01 Economic and Social Development in South China brings together research by a pioneering team of academic researchers and includes statistical data on the Pearl River Delta as well as analysis of the metropolitan development in Guangzhou municipal city civil service reform and social policy in Shenzhen Guangzhou's municipal leadership and the basic level elections in the region since 1979 Other issues discussed include foreign outward direct investment from Guangdong the creation of effective environmental law foreign investment in Guangdong and the emergence of private education in the Pearl River Delta Southern China's creative approaches to the difficulties and problems encountered since reforms began in the 1970s is rigorously analysed and explored by scholars with exceptional access to local sources and data Economic and Social Development in South China shows how the use encouraged by the authorities of competing models of economic development will influence and shape the future of the country as a whole

Social and Political Development in Post-reform China K. Mok, 1999-10-11 This book is a sociological study of how economic reforms started in the late 1970s have affected people's life in China The book is based upon the author's recent research projects conducted in mainland China The unique feature of the book is not only based upon qualitative analysis but also quantitative data the integration of which can enhance readers understanding of current social and political developments in post Mao China In particular the book aims to depict a context and sociological framework for the analysis of the dynamic and interactive processes between economic social and political fronts

Social Development and Societies in Transition Stewart MacPherson, Hoi-Kwok Wong, 2019-05-23 First published in 1998 this volume features case studies which reflect the central mission of the ICSW International Council on Social Welfare to advance social justice welfare and development Contributors including practitioners policy makers and academics have produced articles rich in reflections on real life projects and experiences representing countries at various stages of economic and social development Issues discussed include poverty alleviation social development trends in late 20th century Asia and opportunities and education for women and the disabled along with international priorities for social welfare and development

Development Of Guangdong, The: China's Economic Powerhouse Joseph Yu-shek Cheng, 2018-06-28 This volume examines the development of Guangdong especially the Pearl River Delta throughout the era of China's economic reforms and opening to the external world from 1978 till now It analyzes the evolution from a labour intensive export oriented manufacturing base to a heavy industry based economy then to a high tech manufacturing center cum regional business services center This book focusses on the planning and development strategies of the Guangdong leadership and its local counterparts their interactions with the central leadership the learning and adaptation processes involved by stages and the problems and challenges ahead The author adopts a chronological approach thus enabling the readers to study the development processes in detail taking into consideration the benefits

offered by as well as the crises in the domestic and international environment *Social Development in Kerala: Illusion or Reality?* Sundar Ramanathaiyer, Stewart MacPherson, 2018-02-05 This title was first published in 2000 There has been considerable academic interest in the innovative development programme taking place in Kerala India Much has been published on the specific achievements of the programme such as literacy health care communication and demographic indicators However lurking beneath the surface are the harsh realities of chronic unemployment poverty and deprivation among the elderly and weaker sections of the society the oppression of women and the inefficiency of the government These problems are revealed in this book through in depth empirical research undertaken by a native Keralan In the light of this material this text questions whether the Kerala model of development should indeed be regarded as worth emulation

Marginalization and Social Welfare in China Linda Wong, 2005-07-25 This book provides a systematic analysis that defines and accounts for the contours and operation of China's welfare system It is underpinned by recent empirical research and strong comparative theory and will be welcomed as a significant advance in furthering our understanding of social welfare in China **Social Development in Asia** Kwong-leung Tang, 2012-12-06 Most Asian countries have shown a strong commitment to rapid economic development Economists have argued that the fruits from economic development will be spread equitably throughout the population In the absence of a strong tradition of social rights social development in Asia has long been taken for granted This collection documents social development in the Asian countries of China Hong Kong Taiwan South Korea Thailand and India and concludes that social development has lagged behind economic development This has given rise to distorted development in many countries Serious development problems of poverty and inequalities have lingered even in these economically advanced countries of Hong Kong Taiwan and Singapore These problems have been exacerbated in the wake of the Asian economic crisis In order to harmonize social development with economic growth Asian states ought to be more proactive in their development agendas As a text on social development in Asia this book is primarily intended for practitioners and students of social work social administration and social policy It is also relevant for students and practitioners of sociology economics and public policy **Post-Pandemic Economic and Social Development**

Muzalwana Abdul Talib, Ahmad Farid Osman, Elya Nabila Abdul Bahri, 2024-11-11 This book explores Malaysia's experience during the COVID 19 pandemic analyzing the profound economic and societal challenges faced from 2020 to 2022 The coverage of Malaysia's post pandemic recovery provides valuable insights into ongoing global issues Contributors to this book address a wide range of topics including unemployment monetary and trade policies tourism human capital development and women's labor participation They also examine the rise of the gig economy poverty alleviation efforts and social safety nets By presenting model applications and empirical research the book offers data driven policy advice to handle challenges that arise from pandemics such as rising inflation supply chain disruptions disparities and sustainability issues This book will interest academics and researchers in the field of econometrics Asian economics and Malaysian studies It will

also act as a useful guide for NGOs practitioners public administrators and economic policymakers involved in post COVID 19 economic revival and policy development

Southeast Asian Studies in China Saw Swee-Hock,2003-08-01 This book a project of the ASEAN China Study Programme of ISEAS is designed to promote a better understanding between the people of the two regions as China continues to exert a dominant political and economic presence in Southeast Asia Needless to say scholars and academics from both sides have a significant role to play in terms of creating greater awareness of each other through research workshops and conferences Whilst many universities and research institutes in the ASEAN region are conducting studies on various aspects of China it is equally important for the Chinese counterparts to be fully engaged in Southeast Asian Studies in order to deepen their knowledge of the region for mutual benefit The book traces the development of Southeast Asian Studies in China discusses the current status of these studies examines the problems encountered in the pursuit of these studies and attempts to evaluate their prospects in the years ahead

China's Economic Development Lee Pei May,2024-06-21 Through a rigorous examination of China s rise Lee addresses an important question Did China catch up Or more specifically can growth be automatically translated to catching up with the advanced industrialised countries or has it only allowed limited progress if any to be made To answer these queries and the broader question of the possibility of the Global South converging with the Global North four development theories are utilised with competing explanations to uncover the complexity and multifaceted development of China This includes whether China really has a unique developmental model to offer Positioning China within the global economy this book traces its developmental progress over time as well as its progress relative to other countries To understand whether the Chinese political economy is socialist or not Lee moves away from the orthodox definition of socialism and instead examines the official narrative of Socialism with Chinese Characteristics Lastly this book argues that though China is catching up challenges that could potentially block China s progress for a full catch up are to be anticipated A useful resource for students and scholars in the fields of international relations international political economy Chinese studies and development studies

China's Provinces and the Belt and Road Initiative Dominik Mierzejewski,2021-03-30 This book discusses the Belt and Road Initiative at the provincial level in China It analyses the evolution of the role of local governments in Chinese foreign policy since the opening of China s economy in 1978 showing how the provinces initially competed with each other and how the central government was forced to react developing more centralised policies Unlike other books on the Belt and Road Initiative which focus on the international aspects of the initiative this book demonstrates the importance of the Belt and Road in reinforcing China s unitary status and for managing and coordinating development at the local level as well as centre province relations and province to province relations inside China

Social Change in Contemporary China Wenfang Tang,Burkart Holzner,2010-11-23 Social Change in Contemporary China offers a wide ranging examination of Chinese institutional change in areas of education religion health care economics labor family and local communities in the post Mao

era Based on the pioneering work of sociologist C K Yang 1911 1999 and his institutional diffusion theory the essays analyze and develop the theory as it applies to both public and private institutions The interrelationship of these institutions composes what Yang termed the Chinese system and affects nearly every aspect of life Yang examined the influence of external factors on each institution such as the influence of Westernization and Communism on family and the impact of industrialization on rural markets He also analyzed the impact of public opinion and past culture on institutions therein revealing the circular nature of diffusion Perhaps most significant are Yang s insights on the role of religion in Chinese society Despite the common perception that China had no religion he uncovers the influence of classical Confucianism as the basis for many ethical value systems and follows its diffusion into state and kinship systems as well as Taoism and Buddhism Writing in the early years of Communism Yang had little hard data with which to test his theories The contributors to this volume expand upon Yang s groundbreaking approach and apply the model of diffusion to a rapidly evolving contemporary China providing a window into an increasingly modern Chinese society and its institutions

Labour Migration and Social Development in Contemporary China Rachel Murphy, 2008-10-08 Since the mid 1980s mass migration from the countryside to urban areas has been one of the most dramatic and noticeable changes in China Labour migration has not only exerted a profound impact on China s economy it has also had far reaching consequences for its social development This book examines labour migration in China focusing on the social dimensions of this phenomenon as well as on the economic aspects of the migration and development relationship It provides in depth coverage of pertinent topics which include the role of labour migration in poverty alleviation the social costs of remittance and regional gender and generational inequalities in their distribution hukou reform and the inclusion of migrants in urban social security and medical insurance systems the provision of schools for migrants children the provision of sexual health services to migrants the housing conditions of migrants the mobilization of women workers social networks to improve labour protection and the role of NGOs in providing social services for migrants Throughout it pays particular attention to policy implications including the impact of the recent policy shift of the Chinese government which has made social issues more central to national development policies and has initiated policy reforms pertaining to migration

Social Policy and Poverty in East Asia James Midgley, Kwong Leung Tang, 2009-09-11 This book looks at the role of social policy and particularly social security in addressing the ongoing challenge of poverty in East Asia despite the region s spectacular experience of economic growth in decent decades The East Asian miracle resulted over the last four decades in a transformation of the region s traditional agrarian economies and significant increases in standards of living for many ordinary people Even though it was given little attention poverty has remained an ongoing problem The problem became particularly evident however with the Asian financial crisis of 1997 when many low income and middle class workers became unemployed As a result of this crisis the need for effective social policies and social security programs were recognized The idea that economic growth would solve the problem of poverty was

increasingly challenged Even in China today where rapid growth has created new employment opportunities and the promise of prosperity for many the government has recognized that the problem of poverty cannot be addressed only through economic growth but that comprehensive social policies must be formulated and this includes the development of an effective security system

Proceedings of the 3rd International Conference on Culture, Design and Social Development (CDSD 2023) Youbin Chen,Chaoqun Shen,Joanna Rak,2024-03-26 This is an open access book Culture is the spiritual activity and product of human society relative to economy and politics The traditional concept of human beings believes that culture is a social phenomenon a product created by human beings for a long time and at the same time a historical phenomenon which is the accumulation of human society and history The technical economical and cultural nature of art design determines that only with high social and economic development can art and culture flourish Art design is the product of the combination of art and technology Art design is also a kind of productivity which promotes the development of social economy As a driving factor for social and economic development design art will also better serve the social economy with its own more perfect operating system The purpose of CDSD 2023 is to provide an international platform for experts scholars engineers and technicians and technical R D personnel engaged in related fields such as culture design and social development to share scientific research results broaden research ideas collide with new ideas and strengthen academic research and to explore the key challenges and research directions faced by the development of this field and promote the industrialization cooperation of academic achievements Experts scholars business people and other relevant personnel from universities and research institutions at home and abroad are cordially invited to attend and exchange

Development and Planning in Seven Major Coastal Cities in Southern and Eastern China Jianfa Shen,Gordon Kee,2016-11-03 This book analyzes the recent growth of Guangzhou Shenzhen Fuzhou Shanghai Hangzhou Nanjing and Hong Kong seven major Chinese coastal cities The authors detail theoretical mechanisms spatial and non spatial models of development all while exploring possible directions to sustainability They also look at how these cities have developed over the last 30 years from the late 1970s to the 21st century Each has its own unique background regional and national positions advantages and functions Using diversified approaches and measurements for each city the authors argue that structural changes are necessary to achieve much needed sustainable development The book covers developmental issues such as the regaining of central city and global city statuses the role of governments in steering development and achieving goals through mega projects urban competitiveness positioning and branding Including varied assessment and intense suggestions for structural changes this book addresses core concerns for the sustainable growth of these metropolises A valuable book for students researchers and policy makers

The Economics and Management of Thai Marine Fisheries Todor Pana?otov,Songpol Jetanavanich,1987-01-01 [China's Provinces in Reform](#) David Goodman,2002-11-01 China is a far larger and more diverse country than many people in the West realise The provinces that make up the country are considerable social economic and

political systems in their own right They are comparable in size and complexity to European states China s Provinces in Reform is concerned with the impact of economic reform and social and political change within the provinces at the immediate sub central level of the People s Republic of China One of the main aims of this book is to question over generalizations about China s development in the reform era However the provincial analysis of social and political change in China also has the potential to reveal even more in a comparative perspective This is the first volume of a series and covers Guangxi Hainan Liaoning Shandong Shanghai Sichuan and Zhejiang It is part of a project conducted by the Institute for International Studies at the University of Technology Sydney that will provide the most thorough and up to date analysis of China s provinces yet published

Maritime Security in the South China Sea Dr Shicun Wu, Professor Keyuan Zou, 2013-03-28 Maritime security is of vital importance to the South China Sea a critical sea route for maritime transport of East Asian countries including China The adjacent countries have rendered overlapping territorial and or maritime claims in the South China Sea which complicate the situation of maintaining maritime security and developing regional cooperation there This book focuses on contemporary maritime security in the South China Sea as well as its connected sea area the Straits of Malacca and Singapore It identifies and examines selected security issues concerning the safety of navigation crackdown on transnational crimes including sea piracy and maritime terrorism and conflict prevention and resolution In the context of non traditional security issues such as maritime environmental security and search and rescue at sea are included The book explores ways and means of international cooperation in dealing with these maritime security issues *China Review 1998* Joseph Y. S. Cheng, 1998 Critical reviews of various developments in China and the Hong Kong Special Administrative Region
