Economic Development Of Communist Yugoslavia 1947 1964:

Economic Development of Communist Yugoslavia, 1947-1964 Joseph T. Bombelles, 1968 Study of economic development in Yugoslavia during the period from 1947 to 1964 covers the role of USA in providing technical cooperation economic planning agrarian reform social implications and economic implications of political problems investment and income distribution in selected developing areas the balance of payments etc and includes a comparison of industrialization in Yugoslavia with that in the USSR Bibliography pp 209 to 215 and statistical tables [Economic development of communist Yugoslavia](#) Joseph T. Bombelles, 1968 *Economic Development of Communist Yugoslavia, 1947-1964* Joseph T. Bombelles, 1968-11 [Regional Development In Communist Yugoslavia](#) Dijana Plestina, 2019-07-11 The brutal war now raging in what was Yugoslavia the author argues is fueled not merely by interethnic hatred but also by longstanding disparities in economic well being among republics and regions The Communist leadership having stated its intention when it took power to eliminate economic disparities nonetheless failed to confront the conflict of interests that distorted the country's economic policy and thus never worked out a coherent strategy for regional development Interregional tensions were inflamed by the failure to close the gap between wealthy and poor areas directly contributing to the breakup of the country Basing her argument on longitudinal data and on in depth interviews with Yugoslav leaders at federal and regional levels Milovan Djilas Svetozar Vukmanovic Tempo Bosko Gluscevic Hasan Zolic and several dozen others Dijana Plestina examines and assesses the economic inequalities as well as the effects that the leadership's regional policies had on them She shows that despite the mandate for equalization that was part of socialist doctrine Yugoslav leaders were at first unwilling and later unable to formulate policies that would enhance the economic well being of the poorest regions Instead they adopted a strategy of top down growth which enhanced the further development of the wealthier regions Later partially in an effort to placate the disadvantaged they shifted funds to some of the less developed regions Rather than promoting equality such ad hoc solutions fostered competition for scarce resources and intensified political cleavages Plestina also looks at how the devolution of decisionmaking from central to regional levels designed to increase government legitimacy and efficiency actually provided an opportunity for regional leaders to build independent power bases This trend in conjunction with the economic slump of the 1980s further eroded the unity of the federation [The Economic Struggle for Power in Tito's Yugoslavia](#) Vladimir Unkovski-Korica, 2016-08-24 Here Vladimir Unkovski Korica reassesses the key episodes of Tito's rule from the joint Stalin Tito offensive of 1944 through to the Tito Stalin split of 1948 the market reforms of the 1950s and the turn to the West which led to Yugoslavia's non alignment policy For the first time Unkovski Korica also outlines Tito's internal battle with the Workers Councils empowered union bodies which emerged with the withering away of the party in the early 1950s *The Economic Struggle for Power in Tito's Yugoslavia* draws out the impact of the period economically and politically and its long term effects A comprehensive history based on new archival research this book will appeal to scholars

and students of European Studies International Relations and Politics as well as to historians of the Balkans **Balkan Economic History, 1550-1950** John R. Lampe, Marvin R. Jackson, 1982-06-22 Western economic historians have traditionally concentrated on the success stories of major developed economies while development economists have given most of their attention to the problems of the Third World The authors of this pioneering work study a part of Europe neglected by both approaches Modernizing patterns in Balkan economic history are traced from the sixteenth century when the territory was shared by Ottoman and Habsburg empires through the nineteenth century when they emerged as independent states to the end of World War II and its aftermath Despite present differences in economic systems Greece's private market economy Yugoslavia's planned market economy and the centrally planned economies of Romania Bulgaria and Albania the authors find that shared origins and common subsequent experiences are ample justifications for treating the area as an economic unit Balkan Economic History 1550-1950 will be a major case study for development economists and will provide historians with the first analytical and statistical study to survey the entire region from the start of the early modern period *World Communism, 1964-1969, a Selected Bibliography* United States. Congress. Senate. Committee on the Judiciary, 1971 *Economic Developments in Countries of Eastern Europe* United States. Congress. Joint Economic Committee. Subcommittee on Foreign Economic Policy, 1970 *Socialist Economic Development and Reforms* J. Wilczynski, 1972-06-18 *The Establishment Of Communist Regimes In Eastern Europe, 1944-1949* Norman Naimark, 2018-02-07 The collaborative effort of scholars from Russia and the United States this book reevaluates the history of postwar Eastern Europe from 1944 to 1949 incorporating information gleaned from newly opened archives in Eastern Europe For nearly five decades the countries of Yugoslavia Poland Albania Bulgaria Romania Hungary Czechoslovakia and the Soviet zone of Germany were forced to live behind the iron curtain Though their experiences under communism differed in sometimes fundamental ways and lasted no longer than a single generation these nations were characterized by systematic assaults on individual rights and social institutions that profoundly shaped the character of Eastern Europe today The emergence of the former People's Democracies from behind the iron curtain has been a wrenching process but as this book demonstrates the beginning of the communist era was equally as traumatic as its end With the opening of the archives in Russia and Eastern Europe the contributors have been able to get a much firmer grasp on Soviet policies in the region and on East European responses and initiatives which in turn has yielded more satisfying answers to vexing questions about Soviet intentions in the region and the origins of the Cold War Exploring these events from a new better informed perspective the contributors have made a valuable contribution to the historiography of postwar Europe *Area Handbook for Yugoslavia* Gordon C. McDonald, 1973 General study of Yugoslavia covers the historical setting geographical aspects the social structure and living conditions ethnic groups the political system and the economic structure culture and education agriculture industry trade foreign policy and defence etc Bibliography pp 553 to 630 glossary maps and statistical tables

Welcome to the Desert of Post-Socialism Srećko Horvat, Igor Stiks, 2015-01-06 This volume offers a profound analysis of post socialist economic and political transformation in the Balkans involving deeply unequal societies and oligarchical democracies The contributions deconstruct the persistent imaginary of the Balkans pervasive among outsiders to the region who see it as no more than a repository of ethnic conflict corruption and violence Providing a much needed critical examination of the Yugoslav socialist experience the volume sheds light on the recent rebirth of radical politics in the Balkans where new groups and movements struggle for a radically democratic vision of society *Hearings, Reports and Prints of the Joint Economic Committee* United States. Congress. Joint Economic Committee, 1974 The East European Economy in Context David Turnock, 2003-09-02 Since 1989 the former communist countries of Eastern Europe have witnessed a profound and dramatic upheaval The economic coherence of this region formerly maintained through the adoption of the Soviet system of government has fractured In *The East European Economy in Context* Communism and Transition David Turnock examines the transition from communist to free market economies both within and between the states of Eastern Europe As well as containing an informative survey of the impact of communism *The East European Economy in Context* provides Political profiles of individual countries A clear study of the contrasts between northern and balkan groups Summaries of regional variations in the transition process An exploration of the new state structures and resources Discussion of political stability inter ethnic tensions and progress in economic change *The Croatian Spring* Ante Batovic, 2017-06-30 Nationalism is a key topic within Balkan Studies and one of the driving forces behind the bloody and difficult history of the region Using primary sources not previously utilized by western scholars this book documents the Croatian Spring a national and liberal movement that began in the mid sixties after the fall of the vice president and head of the Yugoslav secret police Aleksandar Rankovic The author chronicles these developments of democratisation and de centralisation of communist Yugoslavia placing them in the wider context of the Cold War and Yugoslav relations with the Soviet Union and the United States Tito managed to balance national stability and his relations with East and West until he felt that the national liberal movements challenged his authority and thus threaten the very foundations of the Yugoslav state From late 1971 onwards the liberal political and cultural classes of Croatia and other republics were abruptly purged impoverishing Yugoslav leadership for subsequent decades Batovic also considers the role of the West who felt a centralised and stable Yugoslavia was in their interests and quickly accommodated themselves to the repression of the reformist movement **Newsletter** United States. Department of State, 1969 *Newsletter*, 1969 **News Letter** United States. Department of State, 1969 **Department of State News Letter** United States.
