Economic And Strategic Issues In U S Foreign Policy:

Economic and Strategic Issues in U. S. Foreign Policy Carl-Ludwig Holtfrerich,2011-07-22 No detailed description available for Economic and Strategic Issues in U S Foreign Policy **Economic and Strategic Issues in U. S. Foreign Policy** Carl-Ludwig Holtfrerich,2011 U.S. International Economic Strategy in a Turbulent World Howard J. Shatz,2016-06-21 The goal of U S international economic policy is to contribute to national economic growth and prosperity This report presents the strategic choices America faces regarding the international economy over the term of the next U S administration **The Future of U.S. Foreign Policy: Regional issues** United States. Congress. House. Committee on Foreign Affairs,1993 Global Perspectives on US Foreign Policy S. Burt,D. Añorve,2013-10-10 This book explores aspects of US foreign policy including the development process as well as the policy itself in respect to various countries and regions and some significant issues around the globe today Providing insight into non US perspectives of American foreign policy the book contextualizes the effects of policy on external nations *US Foreign Policy and Government Guide Volume 1 Important Information and Developments* IBP USA, **The United States and the World Economy: Foreign Economic Policy for the Next Decade** C. Fred Bergsten,2005 *Soft Power and US Foreign Policy* Inderjeet Parmar,Michael Cox,2010-03-12 Soft power is the use of attraction and persuasion rather than the use of coercion or force in foreign policy This title features a chapter outlining views on soft hard and smart power and offers a critique of the Bush administration s inadequacies It gives the various insights in to both soft power and the concept of power itself **Contemporary Cases in U.S. Foreign Policy** Ralph G. Carter,2013-07-24 Many actors from the president and members of Congress to interest groups NGOs and the media compete to shape U S foreign policy The new fifth edition captures this strategic interplay using 15 real world cases of which four are brand new the death of Osama bin Laden and the use of targeted assassinations nonproliferation policy and the U S India nuclear agreement the U S reaction to Egypt s collision with the Arab Spring and the surprise asylum request of blind Chinese dissident Chen Guangcheng Fully updated to cover the Obama administration all cases have been revised to reflect recent developments Whether grappling with use of force questions the international financial crisis legal and human rights trade issues multilateral approaches to the nuclear programs of North Korea and Iran or climate change Carter s engaging case study approach encourages students to question motives consider alternatives and analyze outcomes **Multinational Corporations and United States Foreign Policy: Investments by multinational companies in the Communist bloc countries** United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Multinational Corporations,1973 Monthly Catalog of United States Government Publications, Cumulative Index United States. Superintendent of Documents,1976 **Monthly Catalog of United States Government Publications** , *The End of the Cold War* David Armstrong,Erik Goldstein,2013-11-05 Giving an overview of the origins and history of the Cold War this work considers whether the Cold War is truly over and what the effects have been on Europe

and the former Soviet Union as well as US foreign policy Central banks' independence in historical perspective Fausto Vicarelli, Richard Sylla, Alec Cairncross, Jean Bouvier, Carl-Ludwig Holtfrerich, Giangiacomo Nardozzi, 2012-06-25 No detailed description available for Central banks independence in historical perspective **State 2000** United States. Department of State. Management Task Force, 1993 Multinational Corporations and United States Foreign Policy United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Multinational Corporations, 1975 Chinese Foreign Policy Marc Lanteigne, 2019-06-28 This updated and expanded fourth edition of Chinese Foreign Policy seeks to examine the decision makers processes and rationales behind China s expanding international relations as well as offering an in depth look at China s modern global relations Among the key issues explored in this edition are The further expansion of Chinese foreign policy from regional Asia Pacific to international interests How the government of Xi Jinping has pursued a more confident great power foreign policy agenda China s growing economic power in an era of global financial uncertainty and the return of protectionism Modern security challenges including counter terrorism cyber security maritime power military reform and modernisation and the protection of overseas economic interests China s shifting power relationship with the United States under President Donald Trump The deeper engagement of Beijing with a growing number of international and regional institutions and legal affairs Cross regional diplomacy including updated sections on Africa Latin America the Middle East and Russia Eurasia as well as Oceania and the Polar regions The development of the Belt and Road Initiative BRI as a centrepiece of China s foreign policy This book will be essential reading for students of Chinese foreign policy and Asian international relations IR and is highly recommended for students of diplomacy international security and IR in general

Foreign Relations of the United States United States. Department of State, 1969 US Foreign Policy and the Gulf Wars Ahmed Ijaz Malik, 2014-12-09 The US led coalition which launched an invasion of Iraq on 20 March 2003 led to a decade long military presence in the country In the run up to that invasion many comparisons were made with the 1991 Gulf War Ahmed Ijaz Malik takes these two instances of military intervention by Republican US governments to highlight how the official discourse of leaders and decision makers has an impact on foreign policy and its results By taking these two examples he examines how discourse affects real events and the extent to which the legacy of the Cold War has influenced the decisions which are made at the upper echelons of the US government US Foreign Policy and the Gulf Wars critically analyses the post Cold War liberal cosmopolitan and realist discourses related to these two instances of US military intervention Using an approach which Malik labels critical realism this book examines the ways in which discourses often act as ideological covers for material interests whilst still not holding a deterministic view whereby these interests alone shape policies From this perspective this book assesses the themes of Just War humanitarianism and cosmopolitanism It furthermore uses the approach of critical realism to engage with a variety of arguments on the emerging role of the US as they were displayed in academic discourses and other intellectual contributions around each of the 1991 and 2003 wars

Malik relates these discussions to an analysis of the official discourses documents and policies displayed prior to the 1991 and 2003 wars as well as to an examination of the resulting actual conduct Since the implications of the US military presence in the Middle East are so central to the study of International Relations and Security Studies this book will be invaluable for specialists in these disciplines as well as for those interested in policy formation and the wider Middle East The Routledge Handbook of US Foreign Policy in the Indo-Pacific Oliver Turner,Nicola Nymalm,Wali Aslam,2022-12-30 This handbook provides a comprehensive survey of US foreign policy throughout the Indo Pacific Home to around 60 percent of the world s population most of the world s largest and fastest growing economies around half of the world s states with full nuclear capabilities and a complicated web of unresolved tensions disputes and conflicts the Indo Pacific is arguably the most diverse dynamic and contested region on Earth US strategy there has evolved over centuries with its physical presence going broadly unchallenged since at least the middle of the last century However the rapid development and expanding influence of China alongside the growth of India Indonesia Vietnam the Philippines and others as well as political and economic crises and disruptions within the United States itself mean that in recent times the US has come to occupy a newly uncertain position and perceive a range of highly unfamiliar challenges To explore how the US has managed and continues to manage its regional history and how it approaches the modern day landscape of an Indo Pacific only recently normalised within international political discourse the book contains 33 newly commissioned chapters from leading experts in the field It does so partly with help from the more traditional realms of International Relations theory as well as more critical realms It also unpacks US policy and strategy as it pertains to regional governments states and multilateral institutions as well as to pressing issues including inter state security human rights trade artificial intelligence and cyber strategy It does so in four parts History of the US in the Indo Pacific Theorising US Policy and Presence in the Indo Pacific The US and Indo Pacific States and Institutions The US and Indo Pacific Issues The book is designed to be of interest to students and scholars of the US in the Indo Asia Pacific the international relations of the Indo Asia Pacific and US foreign policy
