of Insurgency in  
the Mekong Delta  
of Vietnam**

Robert L. Sansom

# Economics Of Insurgency In The Mekong Delta Of Vietnam

**Annelies Wilder-Smith**

## **Economics Of Insurgency In The Mekong Delta Of Vietnam:**

**The Economics of Insurgency in the Mekong Delta of Vietnam** Robert L. Sansom, 1970 Much of the material for this book was obtained through interviews with farmers landlords moneylenders and laborers in the Delta The author discusses general economic conditions in the area agricultural productivity capital and labor land tenure fertilizer use and a subsistence innovation involving the use of an intermediate technology The analysis focuses not only on the theoretical issues of development economics such as disguised unemployment innovation and investment decisions but also upon their larger social and political implications Several chapters are devoted to a detailed examination of the Viet Cong and South Vietnamese government economies at war Particularly significant is the role that economic issues and policies played in the successful efforts by the Viet Cong from 1960 to 1964 to gain the support of the peasant Land reform rent reduction and even a minimum rural wage policy were employed The author provides the first documentary evidence that the Viet Cong were a major force for constructive economic and social change in the Delta On the other hand by 1967 massive U S economic assistance had gone some distance toward putting the Vietnamese government in a more favorable position with regard to economic benefits associated with dependence on its economy No doubt however long standing economic and social grievances are still a potent force for the Viet Cong and there is as yet no complete assurance that the revolutionary social and economic changes wrought by the Viet Cong would not be reversed if the Vietnamese government gained complete control in the countryside

**People's Wars in China, Malaya, and Vietnam** Marc Oppen, 2019-11-08 People's Wars in China Malaya and Vietnam explains why some insurgencies collapse after a military defeat while under other circumstances insurgents are able to maintain influence rebuild strength and ultimately defeat the government The author argues that ultimate victory in civil wars rests on the size of the coalition of social groups established by each side during the conflict When insurgents establish broad social coalitions relative to the incumbent their movement will persist even when military defeats lead to loss of control of territory because they enjoy the support of the civilian population and civilians will not defect to the incumbent By contrast when insurgents establish narrow coalitions civilian compliance is solely a product of coercion Where insurgents implement such governing strategies battlefield defeats translate into political defeats and bring about a collapse of the insurgency because civilians defect to the incumbent The empirical chapters of the book consist of six case studies of the most consequential insurgencies of the 20th century including that led by the Chinese Communist Party from 1927 to 1949 the Malayan Emergency 1948 1960 and the Vietnam War 1960 1975 People's Wars breaks new ground in systematically analyzing and comparing these three canonical cases of insurgency The case studies of China and Malaya make use of Chinese language archival sources many of which have never before been used and provide an unprecedented level of detail into the workings of successful and unsuccessful insurgencies The book adopts an interdisciplinary approach and will be of interest to both political scientists and historians

**Foreign Agricultural Economic Report**, 1973

Foreign Economic Development Report ,1971

## **National Unification and Economic Development in Vietnam**

Melanie Beresford,1989-12-01 This study explains the economic upheavals experienced by Vietnam since the end of the War in terms of historical developments especially the legacy of separation of North and South from 1954 to the 1975 Communist victory and traces aspects of the divided economies which have been of significance *Seeds of Stability* Ethan B.

Kapstein,2017-05-18 An original analysis of American interventions in the developing world asking what can be done to reduce their economic and human cost Kapstein shows the conditions under which American policies are most likely to produce political stability and when they are most likely to fail *Historical Dictionary of Vietnam* Bruce M.

Lockhart,William J. Duiker,2006-02-27 Vietnam became part of French Indochina in 1887 and did not regain its independence again until after the Vietnam War However despite a relatively peaceful two decades the country experienced little economic growth because of conservative leadership policies In an effort to change this stagnation Vietnamese authorities have committed to economic liberalization and enacted structural reforms needed to modernize the economy and to produce more competitive export driven industries The third edition of this dictionary focuses on the recent changes and leadership of Vietnam while giving due attention to the earlier kingdoms the period of French Indochina the wars for liberation the Vietnam War and much more Hundreds of cross referenced A to Z dictionary entries are included on political economic social and cultural aspects as well as the major cities and geographic features This book also contains a chronology and introduction that traces Vietnam s history as well as a bibliography **The Encyclopedia of the Vietnam War**

Bloomsbury Publishing,2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today s world Now in its second edition *The Encyclopedia of the Vietnam War A Political Social and Military History* adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO **Anatomy of Rebellion**

Claude E. Welch Jr.,1980-06-30 *Anatomy of Rebellion* provides an understanding of four rebellions that will make clear the factors that are crucial in the development of other rebellions Seeking a political pattern in the process of rebellion Claude

Welch Jr has investigated four large scale rural uprisings that came close to becoming revolutions the Taiping rebellion in China 1850 64 the Telengana uprising in India of 1946 51 the Mau Mau rebellion in Kenya of 1952 56 the Kwilu uprising in Zaire of 1963 65 Weaving the facts of these rebellions with theories about political violence Welch follows the rebellions through the initial stages of discontent to the explosion of violence to the suppression of the uprisings He then challenges explanations of political violence both Marxist and non Marxist that other scholars have proposed Rebellions have not been studied as thoroughly as the major successful revolutions although the frequency of rebellions in the modern world is not likely to diminish Rural dwellers discontents are still clashing with central governments ambitions *Anatomy of Rebellion* clarifies how this volatile type of political violence occurs **The Rice Economy of Asia** Randolph Barker, Robert W. Herdt, Beth Rose, 1985 The purpose of this book is to present a comprehensive picture of the role of rice in the food and agricultural sectors of Asian nations **Nixon's Vietnam War** Jeffrey P. Kimball, 1998 The signing of the Paris Agreement in 1973 ended not only America's Vietnam War but also Richard Nixon's best laid plans After years of secret negotiations threats of massive bombing and secret diplomacy designed to shatter strained Communist alliances the president had to settle for a peace that fell far short of his original aims *Vietnam* John Prados, 2009 The first major synthesis of the war since 2001 drawing upon a host of newly declassified documents presidential tapes and overlooked foreign sources to give the most comprehensive look to date of the war that still haunts America *Communist Indochina* R. B. Smith, 2013-04-24 This book examines the history of communist Indochina from the foundation of the Indochinese Communist Party in 1929 30 to the end of the 1970s It explores the impact of the Japanese invasion of Indochina in 1940 and the subsequent relationship between the Japanese occupiers and the Vichy French colonial regime It considers why following the Japanese surrender the cause of Vietnamese independence was championed by the Communist led Viet Minh movement headed by Ho Chi Minh culminating in the August Revolution and the Viet Minh seizure of power and analyses the record of the Viet Minh Provisional Government of 1945 46 It goes on to consider key episodes of the Vietnam War which followed partition in 1954 including the Tet Offensive of 1967 68 a crucial turning point in the course of the conflict and the Cambodia Crisis of 1969 70 Throughout it considers events within Indochina in the context of wider regional and international developments focusing in particular on the role played by the Chinese including their support to the Viet Minh in their struggle against the French from 1947 and the issue of Cambodia which eventually precipitated the Sino Vietnamese War of 1979 The book also explores the main trends in social economic and institutional development which characterised this period including village and clan networks economic and monetary developments the contrasting systems of North and South after partition and the consequences of choosing a Soviet economic alignment in preference to links with Japan and capitalist Asia Written by the late Ralph Smith a highly respected historian of Asia this book is essential reading for anyone seeking to understand the history of Indochina **Embers of War** Fredrik Logevall, 2012 A history of the four decades leading up to the Vietnam War

offers insights into how the U S became involved identifying commonalities between the campaigns of French and American forces while discussing relevant political factors **The A to Z of Vietnam** Bruce M. Lockhart, William J. Duiker, 2010-04-14 Vietnam became part of French Indochina in 1887 and did not regain its independence again until after the Vietnam War However despite a relatively peaceful two decades the country experienced little economic growth because of conservative leadership policies In an effort to change this stagnation Vietnamese authorities have committed to economic liberalization and enacted structural reforms needed to modernize the economy and to produce more competitive export driven industries The A to Z of Vietnam focuses on the recent changes and leadership of Vietnam while giving due attention to the earlier kingdoms the period of French Indochina the wars for liberation the Vietnam War and much more Hundreds of cross referenced A to Z dictionary entries are included on political economic social and cultural aspects as well as the major cities and geographic features This book also contains a chronology and introduction that traces Vietnam s history as well as a bibliography

**Why the North Won the Vietnam War** M. Gilbert, 2002-05-30 In this new collection of essays on the Vietnam War eminent scholars of the Second Indo china conflict consider several key factors that led to the defeat of the United States and its allies The book adopts a candid and critical look at the United State s stance and policies in Vietnam and refuses to condemn excuse or apologize for America s actions in the conflict Rather the contributors think widely and creatively about the varied reasons that may have accounted for the United State s failure to defeat the North Vietnamese Army such as the role played by economics in America s defeat Other fresh perspectives on the topic include American intelligence failure in Vietnam the international dimensions of America s defeat in Vietnam and the foreign policy of the Democratic Republic of Vietnam None of the essays have been previously published and all have been specifically commissioned for the book by its editor Marc Jason Gilbert

**Adoption, Spread, and Production Impact of Modern Rice Varieties in Asia** Robert W. Herdt, C. Capule, 1983 *Advice and Support: The Early Years, 1941-1960 (Paperback)*, 1983 The book traces the origins of the Army s long and frequently unhappy involvement in Indochina from World War II to the end of the Eisenhower administration This work describes the activities of the U S Army in Vietnam during World War II military advice and assistance to the French government during the immediate postwar years and the advisory program that developed after Geneva Agreements of 1954 The scope ranges from high level policy decisions to low echelon advisory operations in the field presented against a background of relevant military and political developments Useful not only as a study of military assistance but as a view of the Army as an agent in national policy this volume is a fitting introduction to the overall study of the conflict in Vietnam **The Dragon's Underbelly** Nhu Truong, Tuong Vu, 2023-01-13 This book shows why Vietnam has not become the dragon it is often touted to be The team of authors include both long time observers and junior scholars who present cutting edge research on the latest trends as well as major challenges facing the country s economy and political system As Vietnam seeks to escape from poverty and the legacies of mistaken socialist policies its

economy has become fully integrated into the global economy Yet without an effective and far sighted leadership it is still occupying a low position in the global value chains and becoming increasingly dependent on China Politically after three decades of reform the Vietnamese Communist Party s grip on power has well adapted to the market economy but is confronting deep vulnerabilities as observed in its eroding ability to control workers the media public universities and state owned enterprises The book also includes a section that applies formal and statistical methods to compare Vietnam with China in two critical areas of political accountability and anti corruption policy

**America, the Vietnam War, and the World** Andreas W. Daum, Lloyd C. Gardner, Wilfried Mausbach, 2003-07-14 Publisher s description This book presents new perspectives on the Vietnam War its global repercussions and the role of this war in modern history The volume reveals America s War as an international event that reverberated all over the world in domestic settings of numerous nation states combatants and non combatants alike as well as in transnational relations and alliance systems The volume thereby covers a wide geographical range from Berkeley and Berlin to Cambodia and Canberra The essays address political military and diplomatic issues no less than cultural and intellectual consequences of Vietnam The authors also set the Vietnam War in comparison to other major conflicts in world history they cover over three centuries and develop general insights into the tragedies and trajectories of military conflicts as phenomena of modern societies in general For the first time America s War is thus depicted as a truly global event whose origins and characteristics deserve an interdisciplinary treatment

### **Economics Of Insurgency In The Mekong Delta Of Vietnam Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Economics Of Insurgency In The Mekong Delta Of Vietnam has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Economics Of Insurgency In The Mekong Delta Of Vietnam has opened up a world of possibilities. Downloading Economics Of Insurgency In The Mekong Delta Of Vietnam provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Economics Of Insurgency In The Mekong Delta Of Vietnam has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Economics Of Insurgency In The Mekong Delta Of Vietnam. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Economics Of Insurgency In The Mekong Delta Of Vietnam. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Economics Of Insurgency In The Mekong Delta Of Vietnam, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Economics Of Insurgency In The Mekong Delta Of Vietnam has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Economics Of Insurgency In The Mekong Delta Of Vietnam Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Economics Of Insurgency In The Mekong Delta Of Vietnam is one of the best book in our library for free trial. We provide copy of Economics Of Insurgency In The Mekong Delta Of Vietnam in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Economics Of Insurgency In The Mekong Delta Of Vietnam. Where to download Economics Of Insurgency In The Mekong Delta Of Vietnam online for free? Are you looking for Economics Of Insurgency In The Mekong Delta Of Vietnam PDF? This is definitely going to save you time and cash in something you should think about.
