## Going Through The Press:

**Going to Press** D. M. Paige, 2013-08-01 Lisa Harrison can't believe her luck when she lands an internship with The Rage New York's hottest music magazine. She's even more amazed when she's assigned to shadow the magazine's star reporter. It's a fantastic break, but things get complicated fast. Is any story worth her self-respect?

**Love Goes to Press** Martha Gellhorn, 1995-01-01 Written immediately after the war, *Love Goes to Press* opened in London in June 1946 and in New York in January 1947. Then a relief for the survivors of Blitzkrieg and ration cards, it is now a devilishly entertaining portrayal of the Battle of the Sexes. This romantic farce, published here for the first time, is set on the Italian front in World War II where two women war correspondents, smart, sexy, and famous for scooping their male competitors, struggle to balance their professional lives with their love lives. The American literary tradition is rife with stories of men without women, but in *Love Goes to Press*, Gellhorn and Cowles have created a world of women without men. The plot focuses on a pair of daring, quick-witted female buddies in bold pursuit of accomplishment and adventure while narrowly eluding the entanglements of marriage and domesticity. In her six-decade career as a war correspondent, Martha Gellhorn has covered the Spanish Civil War, World War II, and wars in Vietnam, the Middle East, and Central America. In 1990, at the age of 81, she interrupted a snorkeling trip to Belize to witness the aftermath of the U.S. invasion of Panama; her report appeared in *Granta*. Gellhorn has published fifteen books, including eight novels, short fiction, and two collections of journalistic articles. *A Guide to Authors: Going to Press, and Printer's Price Manual* William Fallowfield Slee (the Younger.), 1851

**A Complete (at the time of going to press) Collection of Poetry: The Book of Colin** Colin Davies, 2014-02-20 The *Book of Colin* is a collection of poetry covering a wide array of subjects that range from the serious matters of hate and love, memories of childhood, and the loss of a parent, historical ghost stories, to an affection for the number 5. Colin has gathered together all his poetry works into one place as an attempt to provide the reader with an opportunity to glean some form of personal insight or deeper connection to the subject and the feeling. Connecting with the author on a level that may not have been intended, but is certainly there, is one of the great joys of the written word. While poetry has primarily been a means of personal expression for Colin, through the years it is his hope that in taking the time to look through this collection, you find a piece that also means something to you. And if he manages to do this while at the same time making the name Colin cool, he'll be a very happy man indeed.
