Jameson,2019-05-01 One of the most colorful parts of American History is the time of train robberies and the daring outlaws who undertook them in the period covering from just after the Civil War to 1924 For decades the railroads were the principal transporters of payrolls gold and silver bonds and passengers who often carried large sums of money as well as valuable jewelry For the creative outlaw trains became an obvious target for robbery The list of America s train robbers is a veritable Who s Who of American outlawry and includes Frank and Jesse James Butch Cassidy and The Sundance Kid Charles Searcy Charles Morganfield Sam Bass Black Jack Ketchum Seaborn Barnes and others To this cast of train robbery related characters can be added the relentless investigations and pursuit by individuals associated with the Pinkerton Detectives Texas Rangers Wells Fargo detectives railroad company detectives as well as local and area law enforcement authorities In addition there are numerous tales of bravery that took place during train robberies involving heroic express car messengers conductors engineers brakemen and even passengers *The Po 8* Mr. Frank A. Podesta,2017-08-04 The book is sort of a biography about a famous character through the eyes of my grandfather Peter Podesta My grandfather was one of the last living stage coach drivers for Wells Fargo Co The book started out to be a book about the Po8 and ended up being the book about the lives of three men The book tells the story according to Peter Podesta and other sources that has never been put to print to this date There are many attempts to define and determine what happened to the Po8 however the best kept secret in the West was discovered but covered up time after time No one has ever mentioned my grandfather except about his stage being robbed outside of Jackson California Little known to friends and family was the relationship he had with the Po8 This book will bring to light Peters telling of this extraordinary story about the real old west and a mystery that has been long in the minds of authors and historians alike **The Last Confederate General** Larry Gordon, **Reports of Cases Determined in the Supreme Court of the State of California** California. Supreme Court,1904 **Wells, Fargo & Co. Stagecoach and Train Robberies, 1870-1884** James B. Hume,John N. Thacker,R. Michael Wilson,2010-03-08 In January 1 1885 Wells Fargo Company s chief detective James B Hume and special

agent John N Thacker published a report summarizing the company's losses during the previous 14 years. It listed 313 stagecoach robberies, 23 burglaries and four train robberies but included little or no details of the events themselves, focusing instead on physical descriptions of the robbers. Widely circulated, the report was intended to assist law enforcement in identifying and apprehending the criminals believed still to present a danger to the company. The present volume revisits each crime, updating Hume and Thacker's original report with rich new details culled from local newspapers, personal diary entries and court records.

Shotguns and Stagecoaches John Boessenecker, 2018-10-30 A rip-roaring history of moving the mail in the wildest of the Wild West days from the New York Times bestselling author of *Texas Ranger*. Kirkus Reviews: Here are the true stories of the Wild West heroes who guarded the iconic Wells Fargo stagecoaches and trains, battling colorful thieves, vicious highwaymen and robbers armed with explosives. The phrase riding shotgun was no teenage game to the men who guarded stagecoaches and trains on the Western frontier. Armed with sawed-off double-barreled shotguns and an occasional revolver, these express messengers guarded valuable cargo through lawless terrain. They were tough fighting men who risked their lives every time they climbed into the front boot of a Concord coach. Boessenecker introduces soon-to-be iconic personalities like Chips Hodgkins, an express rider known for his white mule and his ability to outrace his competitors, and Henry Johnson, the first Wells Fargo detective. Their lives weren't just one shootout after another; their encounters with desperadoes were won just as often with quick wits and memorized-by-heart knowledge of the land. The highway robbers also get their due. It wouldn't be a book about the Wild West without Black Bart, the most infamous stagecoach robber of all time, and Butch Cassidy's gang, America's most legendary train robbers. Through the Gold Rush and the early days of delivery with horses and saddlebags to the heyday of stagecoaches and huge shipments of gold, and finally the rise of the railroad and the robbers who concocted unheard-of schemes to loot trains, Wells Fargo always had courageous men to protect its treasure. Their unforgettable bravery and ingenuity make this book a thrilling read.

Wild West Lawmen and Outlaws Ryan P. Randolph, 2005-12-15 Relates the history of the lawmen and outlaws who played an integral part in the building of the American West.

Stagecoach Robberies in California R. Michael Wilson, 2014-09-06 California was the mining center of the West for half a century. Wherever precious minerals were found, road agents appeared to mine the roads of treasure, being shipped out and payrolls being shipped in. The first recorded robbery of a stagecoach occurred in 1856 and the last in 1913. Over that period, there were 458 stagecoach robberies, many with special characteristics such as a claim the robbers were Confederate soldiers, a murder, a gun battle or a thrilling pursuit and capture. Surprisingly, there were many robberies in which the perpetrator remained unknown or in which so little was stolen the robber was not even sought out. This book gives all the details of those robberies taken from the contemporary newspapers and from a variety of other sources.
