Challenges of Individualization Nikolai

Genov,2018-07-16 This book critically engages with a series of provocative questions that ask Why are contemporary societies so dependent on constructive and destructive effects of individualization Is this phenomenon only related to the second or late modernity Can the concept of individualization be productively used for developing a sociological diagnosis of our time The innovative answers suggested in this book are focused on two types of challenges accompanying the rise of individualization First that it is caused by controversial changes in social structures and action patterns Second that the effects of individualization question varieties of the common good Both challenges have a long history but reached critical intensity in advanced contemporary societies in the context of current globalization Falling Off the Edge of the World

Shelly Anderson,2013-09-23 What would tempt a young woman to run off to a country she knew almost nothing about I was that young woman Fleeing a bitter divorce and my safe but mundane life I accepted a job in Saudi Arabia a country that by all reports was the most austere on earth I ran headlong into an unexpected adventure that would change my life forever The Kingdom of Saudi Arabia mysterious beautiful and dangerous A land of stunning desert landscapes where modern ways co exist uneasily with ancient traditions An enigma of a place where the state executioner is revered where beautiful women shroud themselves in black and ferocious desert sandstorms turn high noon into darkest night Somewhere along the way I fell in love with the Middle East and its people their proud history and their gracious hospitality This is my story
