fatherless Californian in 1876 In his youth he was a boundlessly energetic adventurer on the bustling West Coast an oyster pirate a hobo a sailor and a prospector by turns He spent his brief life rapidly accumulating the experiences that would inform his acclaimed bestselling books *The Call of the Wild* *White Fang* and *The Sea Wolf* The bare outlines of his story suggest a classic rags to riches tale but London the man was plagued by contradictions He chronicled nature at its most savage but wept helplessly at the deaths of his favorite animals At his peak the highest paid writer in the United States he was nevertheless forced to work under constant pressure for money An irrepressibly optimistic crusader for social justice and a lover of humanity he was also subject to spells of bitter invective especially as his health declined Branded by shortsighted critics as little more than a hack who produced a couple of memorable dog stories he left behind a voluminous literary legacy much of it ripe for rediscovery In *Jack London: An American Life* the noted Jack London scholar Earle Labor explores the brilliant and complicated novelist lost behind the myth at once a hard living globe trotter and a man alive with ideas whose passion for seeking new worlds to explore never waned until the day he died Returning London to his proper place in the American pantheon Labor resurrects a major American novelist in his full fire and glory

Chamberlain, 2013-02-15 The events of July 19 1878 marked the beginning of what became known as the Lincoln County War and catapulted Susan McSween and a young cowboy named Henry McCarty alias Billy the Kid into the history books The so called war a fight for control of the mercantile economy of southeastern New Mexico is one of the most documented conflicts in the history of the American West but it is an event that up to now has been interpreted through the eyes of men As a woman in a man's story Susan McSween has been all but ignored This is the first book to place her in a larger context Clearly the Lincoln County War was not her finest hour just her best known For decades afterward she ran a successful cattle ranch She watched New Mexico modernize and become a state And she lived to tell the tales of the anarchistic territorial period many times
