## Golden Child:

**The Golden Child** Wendy James, 2018-10-02 A finalist for the 2017 Ned Kelly Award For readers of Zoje Stage's Baby Teeth a gripping psychological thriller that asks the question Can a child be born evil Beth Mahony is a stay at home mother of two daughters Lucy and Charlotte She's also a blogger whose alter ego Lizzie paints a picture of a busy happy life Originally from Australia Beth and her family have lived in New Jersey for ten years When an opportunity to relocate to Australia arises the Mahonys decide to return to their native country The move comes at the perfect time Charlotte the youngest daughter has been accused of being the ringleader of a clique of girls whose dangerous initiation rites leave a child in hospital In Newcastle Lucy and Charlotte attend a prestigious all girls school and Beth and her husband gradually settle into their new life The almost immediately popular Charlotte is thrust back into the spotlight when she is blamed for bullying a classmate to the point of suicide With Charlotte refusing to take the blame the bullied child's parents seeking retribution and her husband and mother in law doubting Charlotte's innocence Beth is forced to examine her children's actions critically at a heartbreaking cost The Golden Child tells the story of two families heartbreaking realization that there are no guarantees when it comes to parenting The novel grapples with modern day specters of selfies selfishness and cyber bullying to expose the complex anxieties of the female psyche *The Golden Child* Penelope Fitzgerald, 1999-09-15 This classically plotted British mystery by the Booker Prize winning author of *The Blue Flower* is leavened by a wicked sense of rapier like humor The New York Times Book Review In *The Golden Child* Penelope FitzGerald combines a deft comedy of manners with a tense mystery set in London's most refined institution the Museum When the glittering treasure of ancient Garamantia the Golden Child is delivered the Museum is guaranteed an exhibition as popular as King Tut But soon a web of intrigue tightens around the Museum's personnel especially the hapless junior officer Waring Smith Then while prowling the halls one night Waring is nearly strangled Two suspicious deaths ensue And as a murderous conspiracy is traced all the way to the Kremlin only the cryptic hieroglyphics of the Garamantes can bring an end to the mayhem Along the way everyone from art critics to the police and a few nicely Wodehousian oddballs fall under Fitzgerald's mercilessly satirical eye Kirkus [Golden Child](#) David Henry Hwang, 1999 THE STORY In the winter of 1918 progressive Chinese landowner Eng Tieng Bin's interest in Westernization and Christianity sets off a power struggle among his three wives which will determine the future of his daughter Ahn Tieng Bin's favorite *The Importance of Acknowledging Childhood Trauma in the Clinical Field* Rita Ballantyne, 2024-05-23 There is a distinct lack of discussion pertaining to the lasting damage narcissistic parents inflict on their children a shortfall so intense that some of the victims themselves don't recognise the harm done to them either or accept the abuse as being their fault One of the saddest things is that most children or grown up survivors never get help or relate their lifelong relationship troubles back to their real origins They are often categorised by society as having only suffered emotional abuse at best It is disappointing how lots of professionals and in particular physicians and counsellors

minimise the pain those who have lived through lasting emotional trauma are feeling and the impact it has on the patients physical and psychological well being Don t judge and condemn what you don t understand By taking the reader through my own personal journey dealing with this kind of abuse I aim to present how detrimental emotional abuse can be and try to bridge that above mentioned gap in general knowledge
