Alchemy Amy Butler Greenfield, 2015-05-19 Lucy a chantress who works magic by singing is called to court to find a lost instrument of Alchemy But her magic isn't working properly *The Marriage of Heaven and Earth* Randall A.

Clack, 2000-08-30 From the Middle Ages to the close of the 17th century alchemy was fundamental to Western culture as scores of experimenters sought to change lead into gold Though its significance declined with the rise of chemistry alchemy continued to captivate the imagination of writers and its images still appear in modern creative works This book examines the literary representation of alchemical theory and the metaphor of alchemical regeneration in the works of Edward Taylor Edgar Allan Poe Nathaniel Hawthorne and Margaret Fuller While Taylor used alchemical metaphors to illustrate the redeeming grace of God upon the soul these same metaphors were used by Poe Hawthorne and Fuller to depict a broader concept of redemption These later writers used alchemical imagery to describe both the regeneration of the individual and the possible transformation of society For Poe alchemy became a metaphor for the transforming power of imagination for Hawthorne it became a means of representing the redeeming power of love for Fuller it figured the reconciliation of gender opposites Thus these four American writers incorporated the idea of regeneration in their works and the tropes and

metaphors of the medieval alchemists provided a fascinating way of imagining the transformative process Crebillon the tragic Arsène Houssaye,1852 Give the Dark My Love Beth Revis,2019-09-24 A young alchemist turns to dark magic when a deadly plague sweeps through her homeland in this epic fantasy from New York Times bestselling author Beth Revis Seventeen year old Nedra Brysstain leaves her home in the rural northern territories of Lunar Island to attend the prestigious Yugen Academy with only one goal in mind master the trade of medicinal alchemy A scholarship student matriculating with the children of Lunar Island s wealthiest and most powerful families Nedra doesn t quite fit in with the other kids at Yugen Until she meets Greggori Grey Astor Grey is immediately taken by the brilliant and stubborn Nedra who he notices is especially invested in her studies And that s for a good reason a deadly plague has been sweeping through the north and it s making its way toward the cities With her family s lives and the lives of all of Lunar Island s citizens on the line Nedra is determined to find a cure for the plague Grey and Nedra grow close but as the sickness spreads and the body count rises Nedra becomes desperate to find a cure Soon she finds herself diving into alchemy s most dangerous corners and when she turns to the most forbidden practice of all necromancy even Grey might not be able to pull her from the darkness
