Golden Donors A New Anatomy Of The Great Foundations:

The Golden Donors Waldemar A. Nielsen, 1989 A major exploration and reassessment of the 36 richest and most powerful philanthropic foundations in America by the author of the bestselling *The Big Foundations* **Golden Donors** Waldemar A. Nielsen, 2001-11-01 The world of the golden donors the rich and influential philanthropic foundations is quite likely the least known and yet most pervasive of all the invisible money and power networks in America Nielsen explores the 36 largest of the 22 000 currently active foundations He takes the reader inside each of the giants to analyze its people policies and performance From the most famous Ford and MacArthur to the most obscure Mabey and Moody the author lets in daylight and lets out the bats as well as the butterflies *Golden Donors* is a journey through 36 fiefdoms each of which controls upwards of 250 million dollars beyond the reach of the IRS in order to encourage medical research support cultural and artistic endeavors and not least to buttress immensely expensive educational institutions Which of the great foundations in recent years have been spectacular successes and which are failures Is today's leadership in the third stream economy equal to the task Are foundations seedbeds or killing grounds of new social and political ideas And what is the federal government and a variety of administrations doing to help or harm this new economy Nielsen provides many surprising and some quite startling answers for the millions of Americans whose lives the golden donors directly or indirectly affect When *Golden Donors* first appeared A Bartlett Giamatti praised it as an historical guide a shrewd critique and an impassioned warning This remarkable book on the nation's largest foundations must be read by anyone concerned with America's unique not for profit sector and the quality of our national life Kingman Brewster saw the book as a revealing mirror held up to the faces of big philanthropy a must book for foundation creators and leaders Thornton F Bradshaw said *Golden Donors* describes the large American foundations what they are how they got that way and wherein lies their strength and their potential The book is wise witty and perceptive indispensable reading Waldemar A Nielsen was born in Pennsylvania educated in Missouri and was a Rhodes Scholar at Oxford University He served as a naval officer diplomat expert on Africa foundation officer and trustee and foreign affairs analyst He has written for *The New Yorker* *Harper's* and other publications A leading counselor on philanthropy policy Nielsen has advised a number of present and former clients including John D Rockefeller 3rd J Paul Getty and Robert O Anderson as well as major corporations and foundations **Golden Donors?** Waldemar A. Nielsen, 1986-07-01

Foundations for Social Change Daniel Faber, Deborah McCarthy Auriffeille, 2005-09-01 This multi disciplinary collection blends broad overviews and case studies as well as different theoretical perspectives in a critique of the relationship between United States philanthropic foundations and movements for social change Scholars and practitioners examine how these foundations support and or thwart popular social movements and address how philanthropic institutions can be more accountable and democratic in a sophisticated provocative and accessible manner *Foundations for Social Change* brings together the leading voices on philanthropy and social movements into a single collection and its

interdisciplinary approach will appeal to scholars students foundation officials non profit advocates and social movement activists

Giving in Time Ray Madoff, Benjamin Soskis, 2023-03-15 Within the philanthropic sector as never before time is of the essence That is temporal considerations questions of intergenerational ethics of the merits of giving now versus giving later of the benefits and perils of perpetuity have gained greatly in prominence Bringing together the most esteemed contemporary scholars of philanthropy *Giving in Time* provides the first sustained analysis of the complex issues surrounding the temporal dimensions of voluntary giving Incorporating the perspectives of political scientists historians legal scholars and philosophers the contributors tackle critical questions confronting a new generation of philanthropists in a way that will appeal to academics and practitioners They take on questions such as What are the historical and moral foundations for establishing perpetual foundations What are the leading challenges to philanthropic perpetuity What is the significance of the recent trend toward Giving While Living the calls to give not through bequests but in one s lifetime What are the ethical arguments for giving now rather than giving later What is a giver s responsibility to his current moment in time versus his obligation to the future How does the legal framework supporting and structuring philanthropic practice shape approaches toward giving in time How should it

Private Charity and Public Inquiry Eleanor L. Brilliant, 2001-01-22 *Private Charity and Public Inquiry* A History of the Filer and Peterson Commissions Eleanor L Brilliant The story of two commissions that had a major impact on philanthropic activity and public policy In the midst of the tumultuous 1960s the United States Congress turned its attention to issues of tax policy and philanthropy with special focus on abuses and responsibilities of philanthropic foundations During the period marked by passage of the Tax Reform Act of 1969 John D Rockefeller 3rd was one of the staunchest defenders of philanthropy in public and in behind the scenes lobbying in Washington This book is a history of two major commissions initiated by Rockefeller The Commission on Foundations and Private Philanthropy 1969 1970 dubbed The Peterson Commission after its chairman Peter G Peterson and The Commission on Private Philanthropy and Public Needs 1973 1977 headed by John H Filer and known as The Filer Commission Brilliant analyzes the significance of the two commissions with regard to philanthropy and public policy and in light of the value that Americans place on voluntary associations Using original documents of the two commissions archival material and extensive interviews with key informants Brilliant shows how powerful individuals and groups influence tax policy in the United States Her analysis provides new insights into the two sides of philanthropy doing good and getting rewarded for it through tax benefits Eleanor L Brilliant Professor of Social Work at Rutgers University teaches courses on social policy management organization theory and women s issues She is on the Graduate Faculty of Rutgers University and is a member of the Women s Studies Faculty She is currently Vice President for Administration Secretary of ARNOVA Among her major publications are *The United Way Dilemmas of Organized Charity* and *The Urban Development Corporation Private Interests and Public Authority* She is completing a national study of women s funds and the Women s Funding Network Philanthropic Studies Dwight F
