spiritual functions God gave us his Son because he loved us That is why he gave us so many gifts through the Holy Spirit 1 Peter 4 10 tells us that every one of us has been given a gift We should use these gifts for the benefit of the body of Christ God thought of the world and gave us his son To function the way God wanted us to he gave us tools to use He did not want to impose these tools on us It is up to each individual to take up these tools and use them God made them available to us The book starts off at looking at 1 Corinthians 12 Then all the chapters that follow relate the various parts of the body to how they would function as parts in the body of Christ The brain and the nervous system as the head The Skin as the Protection The muscles and the skeleton as the cover and shape The ears as the hearing aid and balancing scale The nose as the sense of smell The tongue as the fire The throat as the antibiotic The mouth as the gate The eyes as the miraculous sight of the body The heart and circulation as the pump or engine The respiratory system as the air provider The reproductive system as the maternity The urinary system as the filtering and drainage system The endocrine system as the messenger or trouble shooter The blood and the immune system as the carrier and defender of the body of Christ **The Great Golden Sacrifice of the Mahabharata** Maggi Lidchi Grassi, 2011-11-20 A stunningly lyrical work The Great Golden Sacrifice of the Mahabharata reinterprets Vyasa's epic from Arjuna's point of view As Arjuna relives the battle of Kurukshetra he senses a profound change coming upon himself He begins to understand the true meaning of surrender and sacrifice The book comprises three parts narrated principally by Arjuna Part I takes us through the childhood and youth of the Pandavas and Kauravas the game of dice the Pandavas exile and ends with the armies arrayed for battle at Kurukshetra Part II recounts the battle itself and the teachings of the Bhagavad Gita Part III presents a moving and brilliantly original take on the Mahabharata as Lidchi Grassi gives a voice to the forgotten victims of every war the ordinary citizens who must pick themselves up and resume the business of life An old order has been swept away but can the new age the Kali Yuga help lessen human strife and misery Vastly ambitious in scope and epic in scale The Great Golden Sacrifice of the Mahabharata is an astonishing read

J. Ramsay, 2019-12-09 The Layman s Guide to Revelation is a compilation of renowned expositors with different interpretive views of eschatology The book guides its readers into an in depth study of the Revelation using the critical

analysis of commentators of the past to help the reader better understand the present times and God's plan for the future. The guide defines key words in the Greek translation and explains the symbolic use of numbers, colors, and the foreshadowing of crucial aspects of Israel's history which will aid in deciphering the visions given to the apostle. The guide further explains the types and use of the Old Testament prophets. By understanding the Old Testament Scriptures, the student will better appreciate the background of the language and the Hebraic symbolism used in Revelation. The guide also sheds light on the use of foreshadowing of past empires used in the Old Testament that will further aid in the interpretation of the future and the end times that we are assuredly apart. The guide takes the reader verse by verse, chapter by chapter, through the commentators' interpretive views so they can study at their own pace and arrive at their own conclusions. The book also includes a commentary by the author that offers his own insights into Revelation that will surely be of use to those who look to God's word to better understand the times we live.
