The Great Depression Amelia Khatri, AI, 2025-02-17 The Great Depression examines the causes global impact and lessons from the most significant economic downturn of the 20th century It explores how the prosperity of the 1920s transformed into widespread poverty and unemployment reshaping the economic and political landscape The book highlights the role of income inequality and speculative excesses in creating an unstable economic foundation It investigates the 1929 stock market crash banking panics and contraction of international trade as immediate catalysts The book uniquely

assesses governmental interventions comparing Hoover's laissez faire approach with Roosevelt's New Deal. The book argues that the Great Depression was a systemic failure rooted in unsustainable practices and inadequate regulation. It meticulously dissects events leading to the crash and the crisis's spread through banking and trade. Separate chapters are dedicated to the experiences of Germany, Britain, and Japan, showing diverse impacts and responses. The book provides a comprehensive analysis supported by primary and secondary sources, offering both quantitative and qualitative assessments of the Depression's impact. The book concludes by outlining lessons relevant to contemporary economic challenges.

History of North America Map by Map DK, 2024-09-24 A visual journey through the history of North America via a series of engaging detailed maps explaining key events and eras from prehistory to the 21st century. Specially created maps tell the story of this vast region: the first human populations and the lands of indigenous peoples; the complex ancient civilizations that arose in Mexico; the first Westerners to arrive on the shores from the Vikings to the Mayflower; early settlements and the devastating consequences for the indigenous population; the stories of enslaved people and the abolition of slavery; the American Revolution and Civil War that shaped the modern United States; the Mexican American War; the founding of Canada and the industrial era and the growth of a global superpower. Brand new maps are accompanied by historic maps, documents, and artefacts, while timelines clearly lay out the chronology of events. Each era is introduced and explained, while features offer a closer look at selected moments. Whether for casual browsing or a deep dive into the past, *History of North America Map by Map* is essential reading for anyone who wants to know more about this fascinating land.

Fred Barton and the Warlords' Horses of China Larry Weirather, 2015-11-18 In the years before World War I, Montana cowboy Fred Barton was employed by Czar Nicholas II to help establish a horse ranch, the largest in the world in Siberia, to supply the Russian military. Barton later assembled a group of American rodeo stars and drove horses across Mongolia for the war lords of northern China, creating a 250,000-acre ranch in Shanxi Province. Along the way, Barton became part of an unofficial U.S. intelligence network in the Far East, bred a new type of horse from Russian, Mongolian, and American stock, and promoted the lifestyle of the open range cowboy. Returning to America, he married one of the wealthiest widows in the Southwest and hobnobbed with Western film stars at a time when Hollywood was constructing the modern myth of the Old West, just as open range cowboy life was disappearing.

Love of the Land , In the Shadow of Fear Nick Bunker, 2023-10-03 An evocative portrait of a divided America at the dawn of the Cold War. Halfway through the twentieth century, the United States towered over the world in industrial might. After winning the 1948 election, Harry Truman hoped to use this economic strength to build on FDR's achievements with new liberal reforms. But then, in just ten months between September 1949 and June 1950, the president's ambitions were overtaken by events that left the country gripped by rage and fear. The Soviets tested an atomic bomb; Mao's army swept through China; and at home, Truman faced labor unrest and a Republican Party desperate for power. *In the Shadow of Fear* is an innovative and gripping history of this pivotal moment. Recounting the launch of Senator Joe McCarthy's

anti communist crusade the defeat of Truman s liberal program and the start of the Korean War prizewinning historian Nick Bunker shows us a polarized nation facing crises at home and abroad a story with deep resonances today American Denominational History Keith Harper,2008-09-24 This book brings the rigor of scholarly assessment of the current literature to various important topics and groups in American religious history The contributors carefully examine the fruitful historiographic questions that are posed by the positions and experiences of the various groups American Denominational History points the way for the next decade of scholarly effort The Great Depression and the New Deal Daniel Leab,Kenneth J. Bindas,Alan Harris Stein,Justin Corfield,Steven L. Danver,2009-12-18 A comprehensive encyclopedia of the 1930s in the United States showing how the Depression affected every aspect of American life In two volumes The Great Depression and the New Deal A Thematic Encyclopedia captures the full scope of a defining era of American history Like no other available reference it offers a comprehensive portrait of the nation from the Crash of 1929 to the onset of World War II exploring the impact of the Depression and the New Deal on all aspects of American life The book features hundreds of alphabetically organized entries in sections focusing on economics politics social ramifications the arts and ethnic issues With an extraordinary range of primary sources integrated throughout The Great Depression and the New Deal is the new cornerstone resource on a historic moment that is casting a shadow on our own unsettled times **God on the Big Screen** Terry Lindvall,2019-08-13 Links film history with church history over the past century illuminating America s broader relationship with religious currents over time Moments of prayer have been represented in Hollywood movies since the silent era appearing unexpectedly in films as diverse as Rebecca of Sunnybrook Farm Frankenstein Amistad Easy Rider Talladega Nights and Alien 3 as well as in religiously inspired classics such as Ben Hur and The Ten Commandments Here Terry Lindvall examines how films have reflected and sometimes sought to prescribe ideas about how one ought to pray He surveys the landscape of those films that employ prayer in their narratives beginning with the silent era and moving through the uplifting and inspirational movies of the Great Depression and World War II the cynical anti establishment films of the 60s and 70s and the sci fi and fantasy blockbusters of today Lindvall considers how the presentation of cinematic prayer varies across race age and gender and places the use of prayer in film in historical context shedding light on the religious currents at play during those time periods God on the Big Screen demonstrates that the way prayer is presented in film during each historical period tells us a great deal about America s broader relationship with religion **The Treeseacher** ,2001
