

The background of the entire image is a composite of celestial and muscular elements. On the right side, the back and right arm of a very muscular man are visible, rendered in a golden-brown, almost metallic or highly detailed skin tone. He is facing left. The background behind him is a vast, fiery cosmic scene with swirling orange, yellow, and red clouds, suggesting a nebula or a distant star system. A large, bright, golden-yellow sphere, possibly a planet or a sun, is visible on the left side, partially obscured by the man's arm. The overall lighting is warm and dramatic, with strong highlights and shadows on the man's muscles and the cosmic elements.
