Golf Digest Almanac 1987 Golf Digest Editors, 1987-01-01 **The Golf Digest Almanac**, 1989

African-American Sports Greats David L. Porter, 1995-10-30 African American athletes have played a significant role in the development and popularity of American professional sports and have encountered numerous obstacles on the road to athletic success. This is the first comprehensive multi sport biographical dictionary of African Americans who reached the pinnacles of success in their sport. It contains more personal and career profiles of African American sports greats than are found in any other single source. Biographical profiles of 166 noted athletes, coaches and administrators in team and individual sports include both historical figures such as Jesse Owens and Satchel Paige and contemporary stars such as Charles Barkley, Ken Griffey Jr, Michael Jordan, Jackie Joyner Kersee, Shaquille O'Neal and Emmitt Smith. Forty four sports historians contributed the colorfully written biographies which blend both personal background information and athletic career accomplishments. All information is current through the middle of 1995. The dictionary covers the contributions made by African American greats in football, baseball, basketball, track and field, boxing, wrestling, auto and stock car racing, golf, thoroughbred racing, tennis, cycling and figure skating. More than two thirds of the entries represent team sports. The dictionary is organized alphabetically by person. Each colorfully written profile is 800-1,000 words in length and traces the subject's personal life, family and educational background, personal struggles, career accomplishments, records, set, statistical data, awards and honors and overall impact and features lively quotations by and about the sports luminaries. Each entry contains a handy bibliography of books and articles about the subject. Biographies of managers, coaches and club executives describe their teams, statistical achievements, accomplishments, strategy and sports impact. A general introduction traces the historic struggle of African American athletes in professional and Olympic sports and appendices provide alphabetical listings of biographical entries and entries by sport. A selection of photos complement the profiles. For the sports fan or librarian, this is a first stop for biographical information that captures the personality of the athlete and includes all the pertinent information about his or her accomplishments. It is an essential addition to the reference sections of junior high, high school and public libraries.
